Counterculture Green Andrew G. Kirk,2007-11-19 For those who eagerly awaited its periodic appearance it was more than a publication it was a way of life The Whole Earth Catalog billed itself as Access to Tools and it grew from a Bay Area blip to a national phenomenon catering to hippies do it yourselfers and anyone interested in self sufficiency independent of mainstream America In recovering the history of the Catalog s unique brand of environmentalism Andrew Kirk recounts how San Francisco s Stewart Brand and his counterculture cohorts in the Point Foundation promoted a philosophy of pragmatic environmentalism that celebrated technological achievement human ingenuity and sustainable living By piecing together the social cultural material environmental and technological history of that philosophy s incarnation in the Catalog Kirk reveals the driving forces behind it tells the story of the appropriate technology movement it espoused and assesses its fate This book takes a fresh look at the many individuals and organizations who worked in the 1950s 1960s and 1970s to construct this philosophy of pragmatic environmentalism At a time when many of these ideas were seen as heretical to a predominantly wilderness based movement Whole Earth became a critical forum for environmental alternatives and a model for how complicated ecological ideas could be presented in a hopeful and even humorous way It also enabled later environmental advocates like Al Gore to explain our current inconvenient truth and the actions of Brand s Point Foundation demonstrated that the epistemology of Whole Earth could be put into action in meaningful ways that might foster an environmental optimism distinctly different from the jeremiads that became the stock in trade of American environmentalism Kirk shows us that Whole Earth was more than a mere counterculture fad In an era of political protest it suggested that staying home and modifying your toilet or installing a solar collector could make a more significant contribution than taking to the streets to shout down establishment misdeeds Given its visible legacy in the current views of Al Gore and others the subtle environmental heresies of Whole Earth continue to resonate today which makes Kirk s lucid and lively tale an extremely timely one as well Deep Sleepers Charles Leipart,1989 THE STORY As the author comments DEEP SLEEPERS takes place in a dream As such it celebrates the peculiar logic and theatrical excesses of that territory In the present instance the dreamer is one Wally Tuttle who has to wake up so as not to MOVE Richard Kent Evans,2020-06-01 Richard Kent Evans tells the story of MOVE a small little known mostly African American group that emerged in Philadelphia in the early 1970s In 1985 the Philadelphia Police Department working in concert with federal and state law enforcement attacked a home that MOVE members shared in West Philadelphia Eleven people were killed in the attack including five children Many MOVE members thought of themselves as belonging to a religion but to others most importantly the courts MOVE was anything but Evans uses MOVE s story as a lens through which to examine how we decide what constitutes a genuine religious tradition and the enormous consequences of that decision Fifty Notable Years Views of the Ministry of Christian Universalism John

To Die in Africa's Dust Las G. Newman, 2024-06-30 Christian mission in the modern era has generally been conceptualized as a Western endeavour from the West to the rest The rise and explosive growth of world Christianity has challenged this narrative emphasizing Christian mission as from everywhere to everywhere Dr Las Newman contributes to this revitalized perspective interrogating our understanding of modern missions history by drawing attention to the role of African West Indians in the spread of Christianity in sub Saharan Africa This comparative study of three nineteenth century missionary expeditions critiques common narratives around West Indian involvement in the missionary enterprise Dr Newman proposes that far from being misguided adventurers or nostalgic exiles African West Indians were fuelled by a quest for emancipation that was birthed in the crucible of Caribbean slave society Acting as agents of the Western missionary enterprise they nevertheless shaped an understanding of Christian mission as a force for justice and freedom that carried with it personal religious and socio political implications Dr Newman argues that it was this conception embraced and championed by African West Indians that enabled the missionary project in Western Africa to survive flourish and ultimately take firm root in African soil This study questions historical interpretations of the Western missionary endeavour exploring the pivotal role of native agents in cross cultural Christian mission and allowing readers to hear from marginalized voices as they tell their own stories of engagement struggle and liberation *Andrew Fuller's Theology of Revival* Ryan Rindels, 2021-01-21 Revival is the arguable heartbeat of evangelical Christianity Though a theologically diverse and globally diffused phenomenon evangelicalism originated in a distinctly Calvinistic milieu Many Puritans in the seventeenth century evangelicals before the revivals emphasized the work of the Holy Spirit including the importance of personal conversion Unlike theologically Arminian proponents of revival such as Charles G Finney many Puritans and early evangelicals believed and taught that the absolute sovereignty of God was compatible with human responsibility Calvinistic Baptists in the early eighteenth century who rejected this tension declined numerically yet a new generation of pastors led their denomination through this impasse Andrew Fuller 1754 1815 defended Reformed doctrine in the Particular Baptist tradition while emphasizing the importance of human response in his preaching writing and

fundraising for the Baptist Missionary Society The fruit of Fuller s ministry included growth of churches in England conversions among people groups in the Global South and the preservation of Reformed theology in a challenging Enlightenment context *Welcome to the Monkey House: The Special Edition* Kurt Vonnegut,2014-04-08 Since its original publication in 1968 *Welcome to the Monkey House* has been one of Kurt Vonnegut s most beloved works This special edition celebrates a true master of the short story form by including multiple variant drafts of what would eventually be the title story In a fascinating accompanying essay *Building the Monkey House At Kurt Vonnegut s Writing Table* noted Vonnegut scholar Gregory D Sumner walks readers through Vonnegut s process as the author struggles false start after false start to hit upon what would be one of his greatest stories The result is the rare chance to watch a great writer hone his craft in real time Includes the following stories *Where I Live Harrison Bergeron Who Am I This Time Welcome to the Monkey House Long Walk to Forever The Foster Portfolio Miss Temptation All the King s Horses Tom Edison s Shaggy Dog New Dictionary Next Door More Stately Mansions The Hyannis Port Story D P Report on the Barnhouse Effect The Euphio Question Go Back to Your Precious Wife and Son Deer in the Works The Lie Unready to Wear The Kid Nobody Could Handle The Manned Missiles Epicac Adam Tomorrow and Tomorrow and Tomorrow* *The Myth of Colorblind Christians* Jesse Curtis,2021-11-09 Reveals how Christian colorblindness expanded white evangelicalism and excluded Black evangelicals In the decades after the civil rights movement white Americans turned to an ideology of colorblindness Personal kindness not systemic reform seemed to be the way to solve racial problems In those same decades a religious movement known as evangelicalism captured the nation s attention and became a powerful political force In *The Myth of Colorblind Christians* Jesse Curtis shows how white evangelicals efforts to grow their own institutions created an evangelical form of whiteness infusing the politics of colorblindness with sacred fervor Curtis argues that white evangelicals deployed a Christian brand of colorblindness to protect new investments in whiteness While black evangelicals used the rhetoric of Christian unity to challenge racism white evangelicals repurposed this language to silence their black counterparts and retain power arguing that all were equal in Christ and that Christians should not talk about race As white evangelicals portrayed movements for racial justice as threats to Christian unity and presented their own racial commitments as fidelity to the gospel they made Christian colorblindness into a key pillar of America s religio racial hierarchy In the process they anchored their own identities and shaped the very meaning of whiteness in American society At once compelling and timely *The Myth of Colorblind Christians* exposes how white evangelical communities avoided antiracist action and continue to thrive today **Helen Keller** Dorothy Herrmann,1999-12-15 Draws on the archives of Helen Keller s estate and the unpublished memoirs of Keller s teacher Annie Sullivan to trace Keller s transformation from a furious girl to a world renowned figure **American Dantes** Zygmunt G. Baranski,Theodore J. Cachey, Jr.,2025-09-15 *American Dantes* provides fresh perspectives on Dante s reception and cultural impact in the United States over the past two hundred years *American Dantes* investigates the depth and breadth of Dante s

American legacy from the early nineteenth century to the present Showcasing an impressive array of approaches from renowned literary and Dante scholars this book explores how Dante has influenced American poetry fiction memoir painting film television and political and religious discourse This collection offers an extensive look at the vibrant and ongoing scholarly traditions of research editing translation and creative adaptation that have established Dante's *Divine Comedy* as a classic in American literary culture influencing cultural movements from transcendentalism to jazz to the Black radical tradition and more Contributors David Wallace Laura Dassow Walls Joshua Matthews Dennis Looney Kathleen Boyle Kathleen Verduin Christian Y Dupont Kristina M Olson Henry Weinfield Stephen Fredman Joseph Elkanah Rosenberg Arielle Saiber and Peter S Hawkins

Susceptibility vs. Resistance Nataliya Levkovych, 2022-05-09 The topic of the volume is the contrast between borrowable categories and those which resist transfer Resistance is illustrated for the unattested emergence of grammatical gender the negligible impact of English and Spanish on the number category in Patagonian Welsh the reluctance of replicas to borrow English but MAT borrowing does not imply the copying of rules as the Spanish function words in the Chamorro irrealis show Chamorro and Tetun Dili look similar on account of their contact induced parallels The languages of the former USSR have borrowed largely identical sets of conjunctions from Russian Arabic and Persian to converge in the domain of clause linkage Resistance against and susceptibility to transfer call for further investigations to the benefit of language contact theory

Birthing a Nation Susan J. Rosowski, 2015-10 Birthing a Nation is about national identity and the American West If it is a truism that facing west was the American male version of invoking the Muse what happened if you were female Most past interpretations of western American literature have echoed Frederick Jackson Turner's frontier hypothesis emphasizing the conflict of wilderness and civilization the hero of rugged individualism the act of returning to origins and reemerging as the reborn American Adam In this reading of western American women writers who responded to the challenge to give birth to a nation Susan J Rosowski proposes an alternative more hopeful affirmation of our cultural history and perhaps our cultural destiny Rosowski begins by tracing the birth metaphor through three and a half centuries of American letters She reexamines the premises underlying the telling of the literary West and posits a female model of creativity at the genesis of American literature She follows four authors on a multigenerational journey beginning with Margaret Fuller in 1843 moving on a generation later to Willa Cather advancing to Jean Stafford and ending with Marilynne Robinson In her reading of these writers who most directly and deeply believed in literature as a serious and noble form of art and who wrote to influence how the country perceived itself Rosowski contributes to the ongoing process of remapping the literary landscape

Edinburgh Companion to Twentieth-Century British and American War Literature Adam Piette, 2012-03-07 The first reference book to deal so fully and incisively with the cultural representations of war in 20th century English and US literature and film The volume covers the two World Wars as well as specific conflicts that generated literary and imaginativ

Artefacts of Legal Inquiry Maksymilian Del Mar, 2020-02-20 Winner of the 2022 Commendation

for Excellence by the International Association for Legal and Social Philosophy IVR What is the value of fictions metaphors figures and scenarios in adjudication This book develops three models to help answer that question inquiry artefacts and imagination Legal language it is argued contains artefacts forms that signal their own artifice and call upon us to do things with them To imagine in turn is to enter a distinctive epistemic frame where we temporarily suspend certain epistemic norms and commitments and participate actively along a spectrum of affective sensory and kinesic involvement The book argues that artefacts and related processes of imagination are valuable insofar as they enable inquiry in adjudication ie the social interactive and collective process of making insight into what values vulnerabilities and interests might be at stake in a case and in similar cases in the future Artefacts of Legal Inquiry is structured in two parts with the first offering an account of the three models of inquiry artefacts and imagination and the second examining four case studies fictions metaphors figures and scenarios Drawing on a broad range of theoretical traditions including philosophy of imagination and emotion the theory and history of rhetoric and the cognitive humanities this book offers an interdisciplinary defence of the importance of artefactual language and imagination in adjudication

The Runaway Terry Kay, 2013-01-11 Tom and Son Jesus two 12 year old boys one black and one white born the same hour of the same day are best friends bound by deep ties and who spend their days dreaming fishing and trying to escape work But their fun comes to an abrupt halt when they discover a human bone which later turns out to be part of the skeletal remains of Son Jesus long missing father As sheriff Frank Rucker a World War II hero begins an investigation into remains he unmasks the racially motivated killer known only as Pegleg The sheriff's findings divide the people of Overton County forcing a surprising conclusion or beginning of justice Set in the 1940s and using the relationships of two boys one black and the other white as a springboard for the beginning of desegregation in the South *The Runaway* examines the joys sorrows conflicts and racial disharmony of their historical biased environment
