Fulton Sheens Wartime Prayer:

Fulton Sheen's Wartime Prayer Book Fulton John Sheen, Archbishop Fulton Sheen, 2003 A wartime prayerbook written for dangerous days like ours made to fit in pocket or purse Our parents before us understood that strife is rarely far from even the best of us and they girded themselves for warfare actual and spiritual Among the wisest of men who shepherded them was Archbishop Fulton Sheen who won their hearts with his warm engaging broadcast personality but in secret he put on the armor of God World War II thrust temptation fear danger and death on the men and women Archbishop Sheen had formed through his popular radio shows in the 1930 s Knowing that many of his listeners were now beyond the sound of his voice fighting and dying on battlefields afar he wrote this pocket size prayerbook so that they too could put on the armor of God as they faced their new trials physical and spiritual Recently a friend showed us his tattered World War II copy We recognized immediately that with the new dangers we face since September 11 the time had come to draft this old prayer book back into service Yes it s for soldiers and you should send it to every soldier you know so he will have it in his breast pocket when he needs it but it s for you and me too Archbishop Sheen knew that no matter what our circumstances may be the deadliest enemy we face is armed not with a gun but with temptation In dangerous uncertain times like ours the Devil lures us quickly into lust anger hatred and despair Fulton Sheen s Wartime Prayer Book will help keep you from these vices so that you too can put on the armor of God and triumph over evil in our day Ministers of a New Medium Kirk D. Farney, 2022-06-21 Kirk D Farney explores the work of Fulton J Sheen and Walter A Maier as groundbreaking leaders combining theology and technology to spread the gospel in the Golden Age of radio With careful attention to both the theological content and the cultural influence of these masters of a new medium this study sheds new light on the history of media and Christianity in the United States By Dawn's Early Light Donna-Marie Cooper O'Boyle, 2018-02-15 Whether you re together on a military base with your spouse or alone waiting for your loved one to return from deployment you re juggling the many endless special and often heartbreaking demands placed on military families demands not addressed in most prayer books And like so many other military wives you ve often got to bear these burdens alone and sometimes even silently To help you we ve created this unique book for Catholic military wives Here you ll find powerful prayers composed for your needs and also frank and inspiring testimony from fellow Catholic military wives These are your stories told with unflinching honesty echoing your heartaches your pains and yes your amazing triumphs in faith both small and large On good days By Dawn s Early Light will help you thank God for the blessings of your spouse s noble vocation on bad days it will help you walk steadily in your sure Catholic faith grateful to be able to put one foot in front of another All too well you know that for you heroism doesn t remain on the battlefield it s woven into the fabric of your life By Dawn s Early Light shines the healing light of Christ on that heroism giving honor and praise to you and to God as with Him you fulfill the duties and experience the joys of one of the most noble of all vocations that of a military wife **The Greatest Commandment** Archbishop Fulton Sheen, 2022-01-25 A

treasure to contemplate The Greatest Commandment expounds upon our deep seated need to love God and implore His mercy by developing a personal relationship with Him through Sacred Scripture and the Sacraments *Light unto My Path* Fr. Victor Abimbola Amole,2014-06-16 These reflections interwoven with anecdotes and stories focus on making a simple systematic and practical exposition for the spiritual enrichment of all Christians Page 4 of cover Religion and War Timothy J. Demy,Gina Granados Palmer Ph.D.,2022-10-18 Looking at topics across the spectrum of America s wars religious groups personalities and ideas this volume shows that even in an increasingly secular society religious roots and values run deep throughout American society and are elevated in times of war There is a long and deep relationship between religion politics and war in U S history While there is a constitutional and legal separation of religion and the state in American society religion has been and remains a potent force in American culture and politics affecting many aspects of life including perspectives on war and peace and the experience of war in U S history From the American Revolution to the wars of the 21st century religious values have informed and influenced American attitudes toward war and peace and have provided rationale for support and non support of American participation in conflicts An overview essay surveys the background and significance of religion in American culture and provides historical context for discussions of contemporary topics A timeline highlights key events related to wars and conflicts The volume then includes more than 50 topical essays that discuss specific wars as well as religious themes within culture and politics ultimately providing a detailed overview of the intersection of religion war and politics in contemporary America Faith in Freedom Andrew R. Polk,2021-12-15 In Faith in Freedom Andrew R Polk argues that the American civil religion so many have identified as indigenous to the founding ideology was in fact the result of a strategic campaign of religious propaganda Far from being the natural result of the nation s religious underpinning or the later spiritual machinations of conservative Protestants American civil religion and the resultant Christian nationalism of today were crafted by secular elites in the middle of the twentieth century Polk s genealogy of the national motto In God We Trust revises the very meaning of the contemporary American nation Polk shows how Presidents Franklin D Roosevelt Harry S Truman and Dwight D Eisenhower working with politicians advertising executives and military public relations experts exploited denominational religious affiliations and beliefs in order to unite Americans during the Second World War and then the early Cold War Armed opposition to the Soviet Union was coupled with militant support for free economic markets local control of education and housing and liberties of speech and worship These preferences were cultivated by state actors so as to support a set of right wing positions including anti communism the Jim Crow status quo and limited taxation and regulation Faith in Freedom is a pioneering work of American religious history By assessing the ideas policies and actions of three US Presidents and their White House staff Polk sheds light on the origins of the ideological religious and partisan divides that describe the American polity today **Forever Yours** Patricia Hebert,2011-07 Twelve year old Sarah Cahill and her family are moving from the home they love on Bainbridge Island Washington to Stockbridge
