The Guide to Colorado Birds Mary Taylor Young, 1998 *For the Birds* Elizabeth Cherry, 2019-09-13 2020 Award for Distinguished Book from the Animals Society Section of the American Sociological Association One in five people in the United States is a birdwatcher yet the popular understanding of birders reduces them to comical stereotypes obsessives who only have eyes for their favorite rare species In real life however birders are paying equally close attention to the world around them observing the devastating effects of climate change and mass extinction while discovering small pockets of biodiversity in unexpected places For the Birds offers readers a glimpse behind the binoculars and reveals birders to be important allies in the larger environmental conservation movement With a wealth of data from in depth interviews and over three years of observing

birders in the field environmental sociologist Elizabeth Cherry argues that birders learn to watch wildlife in ways that make an invaluable contribution to contemporary conservation efforts She investigates how birders develop a naturalist gaze that enables them to understand the shared ecosystem that intertwines humans and wild animals an appreciation that motivates them to participate in citizen science projects and wildlife conservation

Learning the Birds Susan Fox

Rogers,2022-04-15 The thrill of quiet adventure The constant hope of discovery The reminder that the world is filled with wonder When I bird life is bigger more vibrant That is why Susan Fox Rogers is a birder Learning the Birds is the story of how encounters with birds recharged her adventurous spirit When the birds first called Rogers was in a slack season of her life The woods and rivers that enthralled her younger self had lost some of their luster It was the song of a thrush that reawakened Rogers sparking a long held desire to know the birds that accompanied her as she rock climbed and paddled to know the world around her with greater depth Energized by her curiosity she followed the birds as they drew her deeper into her authentic self and ultimately into love In Learning the Birds we join Rogers as she becomes a birder and joins the community of passionate and quirky bird people We meet her birding companions close to home in New York State s Hudson Valley as well as in the desert of Arizona and awash in the midnight sunlight of Alaska Along on the journey are birders and estimable ornithologists of past generations people like Franklin Delano Roosevelt and Florence Merriam Bailey whose writings inspire Rogers s adventures and discoveries A ready knowledgeable and humble friend and explorer Rogers is eager to share what she sees and learns Learning the Birds will remind you of our passionate need for wonder and our connection to the wild creatures with whom we share the land
