Have fun in Europe without sacrificing comfort, safety or your children's inheritance. *Fun In Europe* gives you information and advice peppered with humorous anecdotes on 75 topics of interest to grown-up European travelers. A candid opinion about which sights are worth your time and which aren't. Rules of the road for savvy travelers. A more thoughtful pace which emphasizes what you'll see, not how quickly you'll see it. Up to 7 detailed daily itineraries for 36 popular European destinations. **Aid Activities in Europe and Oceania 2002** OECD, 2004-06-25 Aid Activities in Europe and Oceania provides detailed information on individual foreign aid commitments, i.e. intended disbursements of Official Development Assistance (ODA) and Official Aid (OA) to countries in Europe and Oceania for the year.

**At Home And Abroad; Or, Things And Thoughts In America and Europe** Margaret Fuller, 2019-11-29 In *At Home and Abroad; Or, Things And Thoughts In America and Europe* Margaret Fuller presents a rich tapestry of her experiences and reflections while traversing both American and European landscapes in the mid-19th century. Written in a personal yet analytical style, the book melds travelogue with philosophical discourse, articulating her observations on culture, politics and gender. Fuller skillfully navigates the contrasts between the burgeoning American identity and the philosophical traditions of Europe, inviting readers into a dialogue about the nature of society and self. The work stands as both a personal narrative and a broader critique of contemporary issues, encapsulating the spirit of transcendentalism and the early feminism that marked her era. Margaret Fuller, a prominent intellectual of her time, was deeply influenced by her surroundings and experiences. As an editor of the Transcendentalist journal *The Dial* and a notable figure in the American literary canon, she championed social reform and women's rights. Her travels across Europe coincided with pivotal historical moments, including the Italian revolution, which profoundly shaped her worldview and informed her incisive anthropological observations. Fuller's vast knowledge and fervent idealism resonate throughout this work. *At Home and Abroad* is not merely a recount of travel; it is a profound exploration of cultural dichotomies that remains pertinent for contemporary readers. Fuller's eloquence and sharp insights challenge us to interrogate our understandings of identity and society in both historical and modern contexts. This book is recommended for those interested in the intersections of travel literature, feminism and transcontinental dialogue.

its own players Supported by tens of thousands of loud and proud fans the USA's star studded line up dominated the first two days and ended the Saturday with a seemingly unassailable 10-6 advantage No away team had ever won the Ryder Cup from such an unpromising position Sunday was singles day traditionally the forte of American teams The situation looked bleak especially when European team member and number 1 golfer in the world Rory McIlroy very nearly missed his tee off time Yet slowly but surely the European team who had top loaded their line up in one last throw of the dice started to turn the scoreboard blue With inspirational captain Jose Maria Olazabal stirring European blood with thoughts of the late Ryder Cup magician Seve Ballesteros whose silhouette was emblazoned on the players sweaters and bags the tide turned and the previously dominant American players started to crumble in the face of the onslaught Suddenly European players were holing miraculous putts to win holes out of the blue Something very special was happening When German Martin Kaymer sank his putt on the eighteenth green to clinch the point that retained the Ryder Cup the most astonishing comeback in the event's long and distinguished history was complete Miracle at Medinah is the compelling narrative of those amazing three days in Illinois a fitting chronicle of an unbelievable sporting story
