**3 Minute French: Lessons 1-3** Kieran Ball,2016-12-04 The best way to learn to speak a foreign language is to start using it straight away This is exactly what you will be doing with 3 Minute French With this book you will learn useful words and phrases that will get you speaking from the very first lesson You will learn quickly how to form your own sentences without feeling like you re never going to use what you learn I wrote the 3 Minute French methodology after trying lots of different courses books and CDs I noticed that most French courses start out with a long list of pronunciation rules using weird symbols that you won t understand unless you ve studied phonetics I also noticed that a lot of French courses fill their first few lessons with pages and pages of rules for the language how to pluralise nouns how to recognise the gender of a noun how to use the definite indefinite or partitive articles Whilst this information will become useful eventually for the complete beginner it can be extremely confusing and very often overwhelming especially when baffling grammatical terminology is used This is what leads to most students giving up With 3 Minute French what I have done is put the most useful things first You will learn words and phrases that will allow you to speak straight away and you will get an instant feeling of success from the very first lesson Furthermore I have made sure that I explain everything in a way that assumes you know nothing about language learning I don t use any tricky terminology and I don t give you an endless list of rules we learn as we go along adding small bits of information here and there and practising until you can use it confidently Each time you learn a new word I show you exactly how to say it with a small pronunciation guide underneath it And you don t need to worry about remembering the words either the way the course is set out means that you will automatically internalise new vocabulary without even trying The methodology behind this book is the same methodology I use in my classes and online courses and the results my students have had are exciting and thrill me just as much as them People who have spent years unsuccessfully studying French have tried this book or one of my courses and have been amazed at how much they ve learnt and understood in just the first lesson Here are some of their reviews Excellent He really understands teaching This course breaks through a major barrier to learning foreign languages NIALl COLLINSThis is fantastic Everything you learn just stays in your head YUVRAJ VASWANIThe course was just as the instructor promised it flowed so easily from beginning to end and I was surprised by how much I absorbed Thank you for making me feel that I can actually learn this beautiful language LOU CHARONThe teacher is clear and concise He structures the delivery of the material in a very effective way which aids recall

greatly and he presents the material in an engaging way My rate of learning is accelerating fast SAM DOYLE I love how short but utterly effective each chapter is This method is great for building confidence quickly learning the basics and gaining momentum I d definitely like to continue to learn with this teacher Absolutely no boredom or strain whatsoever HAPPY DEE Excellent course The step by step instruction in small increments is very effective as is the repetition throughout the course and the translation practice Highly recommend MOLLIE DISHAL This method of teaching is amazing This person has a teaching gift and the lessons are very well structured with clear content Everything is explained very well and this method of teaching is pure genius Thank you for helping me learn another language SCOTT WREN If you would like to see more reviews from over 9000 students check out my website [www.3minuteclub](http://www.3minuteclub.com) *Fun to Learn French* John Grisewood, 1991 One of a series introducing foreign languages to children at an early stage The book contains 1000 of the first useful French words and a few simple phrases and is arranged in sections such as Our Town and Noah s Ark Border illustrations depict things which are also in the main pictures [How to Speak French for Kids | A Children's Learn French Books](#) Baby Professor, 2017-02-15 Ciao This is French lesson book dedicated for children Absolutely no difficult words and phrases this shall make your kids get that good first impression about the French language Get them to love the language so you won t have to force it on them You can have your own copy of this book by hitting on that buy button today *A Kid's Guide to Learning French | A Children's Learn French Books* Baby Professor, 2017-02-15 A child s brain is way more impressive in processing and storing new knowledge than the adults That is why it is best to feed your child all the lessons you want to store in his brain at an early age This Guide to Learning French is your perfect partner to teach French language to your baby Get it here **German Short Stories for Beginners** Touri Language Learning, 2019-04 What is the most challenging thing about learning German It s finding helpful and engaging reading material that you can actually understand That is precisely what motivated us to write this book How is a student supposed to learn when language instructors love providing materials that are tough expert level literature with tons of grammar and rules That style of book for new language learners can be overwhelming and lead you to flip back and forth between a dictionary and your book constantly Not an effective use of your time nor the best way to learn Is this how children learn their language skills No Enter German Stories for Beginners Vol 1 You will find 10 easy to read engaging and fun stories that will help you to expand your vocabulary and give you the tools to improve your grasp of the German language Improve your comprehension grow your vocabulary and spark your imagination with these ten unconventional German short stories All stories are written using vocabulary that you could easily use in your day to day conversations The stories are written with beginner German learners in mind With that said it is highly recommended to have a basic understanding of German to achieve maximum enjoyment and effectiveness of the lessons This program is excellent for those who want to get an introduction to the language or brush up on their German language skills How to Read German Short Stories for Beginners Each story contains an important lesson in the German language involving
