## **Fun In The Rough:**

**Rough Air** Kevin Donovan, 2009-09-10 Continuing the story of Alta Airlines the corporation first introduced to readers in the novel AIRLINE Rough Air opens with the macabre murder of a well respected chief executive in his office on a summer day in 2005 Maynard Brennan the first CEO in the colorful history of Alta to come from outside the ranks is a catalyst for dramatic change within the corporation He cleans house removing Altas incumbent executives unaware that he is sowing the seeds of his own demise Through the eyes of Caroline Woodson a long time flight attendant and Alta veteran we follow Maynards progression to the top and the circumstances that lead to his murder including the jockeying of his newly appointed leadership team Rex Wright a flamboyant and charismatic personality with a long airline pedigree Bernice Anthony a financial genius who is determined to become the first woman CEO of a major airline and Trey Sperling a young consulting wizard whose idea for an airline within an airline is given the green light to save the stodgy operation from further financial bleeding At the moment of Maynards death the story takes a leap backward to the life of the founder Marty Willman and his shepherding of the airline through the turmoil of the jet age the civil rights era in the south and Altas bold growth into a global airline Marty maintains Altas humble family culture through the end of his reign but it is a stark contrast to the present day enterprise one in which pay cuts and layoffs bankroll the bonuses of Altas elite executives The story resumes with the investigation of the murder Caroline who has risen to a high ranking position is front and center as Altas ambitious leaders reveal themselves and the murderer among them at the climactic finale of the story      Transactions on Rough Sets IX James F. Peters, Andrzej Skowron, Henryk Rybinski, 2008-12-18 The LNCS journal Transactions on Rough Sets is devoted to the entire spectrum of rough sets related issues from logical and mathematical foundations through all aspects of rough set theory and its applications such as data mining knowledge discovery and intelligent information processing to relations between rough sets and other approaches to uncertainty vagueness and incompleteness such as fuzzy sets and theory of evidence This book which constitutes the ninth volume of the Transactions on Rough Sets series providing evidence of the continuing growth of a number of research streams It includes articles that are extensions of papers included in the first conference on Rough Sets and Intelligent Systems Paradigms The 26 papers presented in this volume introduce a number of new advances in the foundations and applications of artificial intelligence engineering image processing logic mathematics medicine music and science      *'Rough Sex' and the Criminal Law* Hannah Bows, Jonathan Herring, 2022-11-07 Bows and Herring expertly collate an extensive mix of perspectives on the topic of rough sex to contribute to a powerful feminist investigation of this critical and timely debate      **They Were the Rough Riders** Richard E. Killblane, 2022-06-08 After just four weeks of training Colonel Theodore Roosevelt's Rough Riders a regiment of cowboys recruited into the First U S Volunteer Cavalry fought in Cuba during the Spanish American War with the skill of seasoned regulars The unit reflected the future president's character as a wealthy Ivy Leaguer who went west to experience frontier life Most of the Rough Riders

were seasoned cowhands from the Southwest but Ivy League athletes sons of millionaires and lawmen filled out the ranks Roosevelt molded this diverse group into a cohesive efficient fighting force and led them to victory on San Juan Hill Told from the perspective of the men in the regiment this book traces the history of the Rough Riders from conception to disbanding and Roosevelt's transformation into an American hero Rough Draft James W. Hall, 2001-01-15 When her parents were murdered Hannah Keller was 3 000 miles away on leave from her job with the Miami Police Department Her family's only survivor on that deadly day was Hannah's six year old son Randall While fishing on the dock behind his grandparents house the boy glimpsed the killers and later discovered his grandparents bullet riddled bodies Five years later the trauma of that day still haunts the boy He lives in terror that the killers will return for him Hannah is no longer a cop but now works full time as a novelist and is trying to do whatever she can to heal her son's wounds But when she receives a coded message apparently from her parents killers the entire episode explodes again Teaming up with a maverick FBI agent from the Miami field office Hannah begins to track the killer As she moves deeper into the labyrinth she discovers to her horror that she and her son are being used as pawns in an elaborate scheme a trap designed to catch one of the world's deadliest assassins Hannah and Randall become entangled in a bitter feud a burning vendetta and the mind of a bloodthirsty professional killer In Rough Draft his most exciting Thorn novel yet James W Hall brings events to a breathtaking conclusion **Rough Sets and Intelligent Systems Paradigms** Marzena Kryszkiewicz, 2007-06-18 This book constitutes the refereed proceedings of the International Conference on Rough Sets and Emerging Intelligent Systems Paradigms RSEISP 2007 held in Warsaw Poland in June 2007 dedicated to the memory of Professor Zdzislaw Pawlak The 73 revised full papers papers presented together with 2 keynote lectures and 11 invited papers were carefully reviewed and selected from numerous submissions The papers are organized in topical sections on foundations of rough sets foundations and applications of fuzzy sets granular computing algorithmic aspects of rough sets rough set applications rough fuzzy approach information systems and rough sets data and text mining machine learning hybrid methods and applications multiagent systems applications in bioinformatics and medicine multimedia applications as well as web reasoning and human problem solving A Game for Rough Girls? Jean Williams, 2013-03-07 Can we truly call football England's national game How have we arrived at this point of such clear inequality between men's and women's football Between 1921 and 1972 women were banned from playing in football League grounds in the UK Yet in 1998 FIFA declared that the future is feminine and that football was the fastest growing sport for women globally The result of several years of original research the book traces the continuities in women's participation since the beginnings of the game and highlights the significant moments that have influenced current practice The text provides insight into the communities and individual experiences of players fans investors administrators and coaches examination of the attitudes and role of national and international associations analysis of the development of the professional game comparisons with women's football in mainland Europe the USA and Africa A Game for Rough Girls is the
