Functional And Dysfunctional Christianity

N. Graham Standish

Functional And Dysfunctional Christianity:

Functional and Dysfunctional Christianity Philotheos Faros, 1998 An expansion of lectures delivered at Holy Cross in 1996 Fr Faros offers a diagnosis of the pathology of Christianity in the West and its implications for the growth health and well being of Orthodox Christians He severely critiques the Western model of the Church that has influenced Orthodoxy and through the writings of the Fathers St John Chrysostom in particular challenges the reader to an Eastern model Fr Faros taught Pastoral Theology at Holy Cross

Abused God Regina Pinto-Moura, Regina Johnson, 2008-11 This is an incredible book The reader will understand the subject of spiritual abuse among Brazilian religious leaders around the greater Boston area and how to respond to it in appropriate ways There are powerful facts behind this book It projects a powerful voice of passion and conviction This book offers critical evidence that a significant number of Brazilian leaders have become dysfunctional and abusive In this context Rev Dr Pinto Moura reports that the World Revival Church hereafter WRC is an example of a dysfunctional culture producing codependence They seem to continually strive with combined elements of unbalanced and unorthodox doctrines controversial government disciplinary problems irresponsible leadership which result in explosive turmoil division wounded and confused sheep and a derogatory reputation in their community There are scores of people who have been deeply wounded by their experience with WRC Religious addiction is identified and attacked as a part of this problem It has been enormously traumatic This book exposes this complex issue balancing facts with compassion Developing a healing approach is needed This supportive data is the result of scholarly studies and truths from the Bible It substantiates a biblical response to the challenge to bring spiritual health to the Brazilian churches in the U S This book addresses healing strategies and explores possible solutions to the demoralizing problem of spiritual abuse This book is revolutionary prophetic and apostolic The healing guidelines can be applied to any ministry and person experiencing the pain of leadership abuse Rev Dr Regina Pinto Moura is married with Apostle Jota Moura They lead the Shalom International Baptist Community She is ordained by The American Baptist Churches in Massachusetts She has her Masters in Counseling Psychology and Addiction from Cambridge College Her Doctorate is from Gordon Conwell Theological Seminary for her studies in Ministry in Complex Urban Settings

Christianity and Sociological Theory Joseph A. Scimecca, 2018-09-03 This book offers a history of sociological theory from a Christian perspective tracing the origins of sociology from the beginnings of Western science as introduced by the Scholastics of the twelfth century which when combined with their emphasis on rationality led to the Enlightenment science of man an emphasis that eventually resulted in sociology which combined empiricism and a Christian moral philosophy With chapters focusing on the Scholastics the Enlightenment the rise of sociology in France Germany and the United States and the legacy of Positivism Christianity and Sociological Theory shows how the emphasis on moral philosophy was eventually lost as sociology rejected Christian underpinnings resulting in what can only be described as an extremely limited sociology A rigorous exploration of the trajectory of the discipline from its

Christian origins this volume reveals the potential that exists for sociology in an era of postmodern thought to reclaim its promise through a re introduction of Christianity

African Traditions in the Study of Religion, Diaspora and Gendered Societies Ezra Chitando, 2016-04-01 The historiography of African religions and religions in Africa presents a remarkable shift from the study of Africa as Object to Africa as Subject thus translating the subject from obscurity into the global community of the academic study of religion This book presents a unique multidisciplinary exploration of African Traditions in the Study of Religion Diaspora and Gendered Societies The book is structured under two main sections The first provides insights into the interface between Religion and Society The second features African Diaspora together with Youth and Gender which have not yet featured prominently in studies on religion in Africa Contributors drawn from diverse African and global contexts situate current scholarly traditions of the study of African religions within the purview of academic encounter and exchanges with non African scholars and non African contexts African scholars enrich the study of religions from their respective academic and methodological orientations Jacob Kehinde Olupona stands out as a pioneer in the socio scientific interpretation of African indigenous religion and religions in Africa and the new African Diaspora This book honours his immense contribution to an emerging field of study and research

Orthodox Christianity Carl S. Tynah, 2003 The Orthodox Church is one of the three major branches of Christianity There are over 300 million adherents throughout the world The Orthodox Church is a fellowship of independent churches which split from the Roman Church over the question of papal supremacy in 1054 The Orthodox adherents include people in Greece Georgia Russia and Serbia There are an estimated one million members in the United States This Advanced book explains the basic principles of Orthodox Christianity and describes in detail the holidays observed by the Orthodox Church In addition relevant book literature is presented in bibliographic form with easy access provided by title subject and author indexes

Economic Compulsion and Christian Ethics Albino Barrera, 2005-09-08 Markets can often be harsh in compelling people to make unpalatable economic choices any reasonable person would not take under normal conditions Thus workers laid off in mid career accept lower paid jobs that are beneath their professional experience for want of better alternatives Economic migrants leave their families and cross borders legally or illegally in search of a livelihood These are examples of economic compulsion These economic ripple effects have been virtually ignored in ethical discourse because they are generally accepted to be the very mechanisms that generate the market s much touted allocative efficiency Albino Barrera argues that Christian thought on economic security offers an effective framework within which to address the consequences of economic compulsion

Why People Matter John F. Kilner, 2017-01-03 Amid current arguments related to human life and dignity Christians must be clear about how their faith speaks to such concerns and what other outlooks have to say This book brings together noted ethicists Russell DiSilvestro David P Gushee Amy Laura Hall John F Kilner Gilbert C Meilaender Scott B Rae and Patrick T Smith to make a Christian case for human dignity It offers a robust critique of five influential alternative positions including the

emerging outlook of transhumanism showing how a Christian view supports the crucial idea that people matter in a way other views cannot *Religion and Mental Health* John F. Schumaker, 1992 Some argue that religious beliefs foster security of mind and mental stability maintaining that they offer a sense of hope meaning and purpose provide a reassuring fatalism that enables the believer to better withstand suffering and pain and give people a sense of power and control through association with an omnipotent force Others assert however that religious beliefs can undermine mental health in ways that include generating excessive levels of guilt encouraging the unhealthy repression of anger and creating anxiety and fear with threats of punishment for sinful behavior This interdisciplinary collection presents previously unpublished papers on the controversial relationship between religious behavior and mental health Schumaker has assembled a distinguished international roster of contributors sociologists and anthropologists as well as psychiatrists and psychologists of religion representing a wide range of opinions concerning the mental health implications of religious belief and practice Taken together the papers provide a comprehensive overview of theory and research in the field Included are papers on the interaction of religion and self esteem life meaning and well being sexual and marital adjustment anxiety depression suicide psychoticism rationality self actualization and various patterns of anti social behavior Religion is also considered in relation to the mental health of women the elderly and children Contributions addressing mental health in non Western religious groups add an important cross cultural dimension to the volume **The Bloomsbury Handbook of Religious Education**

in the Global South Yonah Hisbon Matemba, Bruce A. Collet, 2022-02-10 The Bloomsbury Handbook of Religious Education in the Global South presents new comparative perspectives on Religious Education RE across the Global South Including 23 chapters written by scholars from the Global North and South this is the first authoritative reference work on the subject The handbook is thematically organised into seven sections The first three sections deal with provision response to changes in contemporary society and decolonizing RE The next four sections explore young people and RE perspectives on teachers RE in higher education and finally challenges and opportunities for RE The term Global South is used here primarily to signify the deep economic divide with the Global North but the concept is also examined in historical geographical political social and cultural terms including the indelible influence of religion in all four broadly defined regions Exploring RE from local cross national as well as regional and sub regional perspectives the handbook examines RE from its diverse past present realities and envisioned future revealing not only tensions contestations injustices and inequalities of power but importantly how inclusive forms of RE can help solve these problems *Novalis, Signs of Revolution* William Arctander O'Brien, 1995

Novalis traces the meteoric career of one of the most striking and most strikingly misunderstood figures of German Romanticism Although Friedrich von Hardenberg better known by his pseudonym Novalis published scarcely eighty pages of writings in his lifetime his considerable fame and influence continued to spread long after his death in 1801 His posthumous reputation however was largely based on the myth manufactured by opportunistic editors as Wm Arctander O'Brien reveals

in this book the first to extract Hardenberg from the distortions of history A member of the generation of the 1770s that included Hegel Hölderlin and Schelling Hardenberg was an avid follower of the French Revolution a semiotician avant la lettre and a prescient critic of religion Yet in 1802 only a year after his death the writer who had scandalized the Prussian court was marketed to a nation at war as a reactionary patriot a sweet versifier of Idealism and a morbid mystic Identifying the break between Hardenberg's own early Romanticism and the late Romanticism that falsified it Novalis shows us a writer fully engaged in revolutionary politics and examines his semiotic readings of philosophy and of the political scientific and religious institutions of the day Drawing on the full range of Novalis's writings including his poetry notebooks novels and journals O'Brien situates his semiotics between those of the eighteenth century and those of the twentieth and demonstrates the manner in which a concern for signs and language permeated all aspects of his thought The most extensive study of Hardenberg available in English Novalis makes this revolutionary theoretician visible for the first time Mining a crucial chapter in the history of semiotics and social theory it suggests fruitful sometimes problematic connections between semiotic historical deconstructive and philological practices as it presents a portrait of one of the most complex figures in literary history Indispensable for scholars of German Romanticism Novalis will also be of interest to students of comparative literature and European intellectual history

Virtue Ecclesiology John Fitzmaurice, 2017-05-15 Critiquing a paradigm of growth within the church this book contends that the church's growth ethic should be replaced by one based on virtue Drawing on the work of Sennett Fromm and Hauerwas John Fitzmaurice argues that an approach taking growth to be the overriding task of the church is found to be shallow and risks infantilising the faith it purports to proclaim MacIntyre's proposal for a recovery of a virtue based ethic is examined and interpreted theologically through the concepts of narrative theology community sacraments and sanctification the role of practices in developing virtuous character is central The nature of a virtuous organisation is explored through a lens of organisational psychodynamics this understanding informs a model of church as a community of interpretation Fitzmaurice suggests that it is in and through sacramental practices that the transitional space for these virtues to be formed is created Tracing a similar corrosion of character within secular institutions that have opted for an overriding focus on growth this book offers an alternative based on the formation of corporate as well as individual virtuous character and considers the implications of a virtue based growth ethic on theological education and ministerial formation as well as in terms of public theology and the manner of the church's engagement with society

Themes, Issues and Debates in Psychology Fourth Edition Richard Gross, 2014-07-25 Stimulate critical thinking with this thematic approach to Psychology by best selling author Richard Gross that integrates topics theories and areas of research Themes Issues and Debates in Psychology is ideal reading for all students of Psychology and is relevant to both the synoptic element of A2 and undergraduate courses This thematic approach is not usually found in traditional textbooks Aids understanding with a thematic approach that provides a historical and theoretical context for what are usually

treated as standalone topics Encourages a broader more integrated approach to essay writing Motivates critical thinking to stretch and challenge students in areas such as behaviour culture consciousness parapsychology and religion **Hearing Visions and Seeing Voices** Gerrit Glas,Moshe Halevi Spero,Peter J. Verhagen,Herman M. van Praag,2007-09-09 The chapters in this book are based on papers that were presented at the international conference Psychological Aspects of Biblical Concepts and Persons 4-6 March 2002 in Amsterdam The conference was organized by the Dutch Foundation for Psychiatry and Religion in Dutch Stichting Psychiatrie en Religie a small but active and lively organization which organizes conferences and post graduate education for mental health professionals and which offers a platform for interdisciplinary research and discussion in the field of mental health and religion The organizers of the conference Gerrit Glas Herman M van Praag and Peter J Verhagen are members of the board of the Foundation All three are psychiatrists two of them are also professionally occupied in another discipline theology Verhagen and philosophy Glas The primary aim of the conference was to create a space for scientific dialogue between two disciplines with a troubled and complex relationship psychiatry and theology The exchange of opinions and viewpoints between specifically these two fields has dried up in the course of the past century and has virtually been absent from around 1960 till at least the early nineties of the previous century I need to clarify that we were quite specific in isolating theology and psychiatry instead of focusing on theology and psychology or biblical studies and psychology or theology and psychoanalysis Psychology and psychoanalysis do not seem to have lost all contact with theology at least not to such an extent as have psychiatry and theology **Human Behaviour** Jill Ford,2015-06-19 Originally published in 1983 this clear sighted study built an understanding of what human behaviour meant at the time an understanding which can still be of practical use for those who work with people in their everyday lives today The various influences on the individual are carefully examined with theoretical approaches from different standpoints considered in relation to one another from the development of the personality and behaviour patterns to the effect of family and social life culminating in the picture of a whole responsive person Relationships are seen to be important and this is reflected in the selection of material Ford argues that it is the social worker's role to offer guidance relating to the nature and quality of an individual's interaction with society and that this can be done more effectively if there is a practical understanding of how this interaction evolves Examples of social work practice are given throughout to show how such understandings may be used **Goodbye Religion** Ryan T. Cragun,Jesse M. Smith,2024-10-08 Examines why so many are leaving religion and what that means for American society One of the largest changes in American culture over the last fifty years has been the increase in people exiting religion Goodbye Religion explores why there has been such an upswing among those who identify as nonreligious and what the societal implications are of this move towards less religiosity Utilizing nationally representative data and more than a hundred in depth interviews with people who leave their religion behind Ryan T Cragun and Jesse M Smith examine the variety of social psychological and environmental conditions behind the exiting process as well as what people do with

the time they used to devote to religious observance They show that for most people who leave abandoning religion is not a crisis and does not generally disrupt their health charitable giving or volunteering Drawing on the data Cragun and Smith argue that the fears among some that massive religious exit will result in a decline in family values or less civic engagement are unfounded and that those who become nonreligious remain engaged in society and continue to strive to make the world a better place At a time where more and more individuals are questioning the implications of our increasingly secular society Goodbye Religion offers an engaging and fascinating analysis into what religious exiting and secularization broadly means for American society

The Blessed Life Dr. Ted Kersh, 2015-09-30 Interested in building an unshakeable life marriage family and church p What if it were possible to walk through the inevitable difficulties of life with contentment trust and a solid witness to the world What if there were practical ways to construct relationships homes and churches that stand strong through life's storms Interested in living this kind of blessed life Well it's possible and the path to get there is clear the Sermon on the Mount From the first blessed in Matthew 5 through 111 invaluable verses Jesus graciously outlined this God anchored life The Blessed Life is your guided tour through Jesus Sermon You'll gain the blessings of spiritual poverty full satisfaction in God alone and calm contentment through any tribulation the passion to be salt that influences this world and light that reflects Jesus the true Light the disciplines of spiritual maturity service prayer forgiveness and trust the courage to rise above worry and to inspect our own logs the tools to identify false teaching Looking for courage or hope in troubled times The Blessed Life inspires seasoned believers and new Christ followers to build a durable life on Christ the Solid Rock This book is a fresh look at one of the most beloved texts of Scripture While sound in exegesis and interpretation the strength of this book lies in its fresh application to life in the twenty first century Some books add to knowledge this book adds value to your life and journey with Christ ANTHONY L JORDAN Baptist General Convention of Oklahoma

Sociology: A Systematic Introduction Harry M. Johnson, 1966-07-12 Harry M Johnson's *Sociology A Systematic Introduction* stands as a landmark in sociological education blending scholarly rigor with accessibility Echoing Donald Fleming's ideal of a textbook that channels consensus without stifling innovation Johnson's book offers a coherent yet flexible account of core sociological principles It is both a manual for students and a treatise that contributes meaningfully to the discipline Rather than impose a rigid framework Johnson draws upon a working consensus in sociology often associated with structural functionalism while avoiding theoretical dogmatism He integrates a wide range of empirical evidence from diverse sources including anthropology political science and economics without ever losing focus on sociological relevance This is not a superficial or oversimplified text Instead Johnson invites readers to think critically offering a balanced blend of theoretical insight and empirical depth He presents complex topics like ideology authority and bureaucracy with clarity and substance The annotated bibliographies at the end of each chapter further enrich the text guiding students toward deeper inquiry While demanding intellectual effort the book rewards it with understanding not rote memorization Johnson's lucid and graceful

writing elevates the student's learning experience making the book an enduring educational resource. It is a textbook that teaches and inspires by example preparing students for advanced study and independent sociological thought.

Forgive Us Mae Elise Cannon, Lisa Sharon Harper, Troy Jackson, Soong-Chan Rah, 2014-09-23 Many people have become angry and frustrated with organized religion and evangelical Christianity in particular. Too often the church has proven to be a source of pain rather than a place of hope. *Forgive Us* acknowledges the legitimacy of much of the anger toward the church. In truth, Christianity in America has significant brokenness in its history that demands recognition and repentance. Only by this path can the church move forward with its message of forgiveness, reconciliation, and peace. *Forgive Us* is thus a call to confession. From Psalm 51 to the teachings of Jesus to the prayers of Nehemiah, confession is the proper biblical response when God's people have injured others and turned their backs on God's ways. In the book of Nehemiah, the author confesses not only his own sins but also the sins of his ancestors. The history of the American church demands a Nehemiah-style confession both for our deeds and the deeds of those who came before us. In each chapter of *Forgive Us*, two pastors who are also academically trained historians provide accurate and compelling histories of some of the American church's greatest shortcomings. Theologian Soong Chan Rah and justice leader Lisa Sharon Harper then share theological reflections along with appropriate words of confession and repentance. Passionate and purposeful, *Forgive Us* will challenge evangelical readers and issue a heart-felt request to the surrounding culture for forgiveness and a new beginning.

Ministry Proverbs N. Graham Standish, 2016-08-01 Wisdom through easy-to-grasp phrases. Biblical and cultural proverbs have been cherished throughout the ages. One reason for their enduring influence is that they reveal deeper wisdom through easy-to-grasp phrases. They form our lives by offering wisdom we can hold onto and use in life's most complex situations. In the increasingly complex world of modern ministry, it has become harder for pastors and church leaders to act wisely when the models for ministry keep changing. *Ministry Proverbs* is a collection of 60 proverbs that the Rev. Dr. Graham Standish has developed over the years to guide his own ministry. These are proverbs such as "We are only responsible for our efforts; God is responsible for the results. So be responsible for your part and let God be responsible for God's part." Wisdom comes in learning to tell the difference. Each proverb is followed by 4-6 paragraphs of reflection that take the reader deeper into the ramifications and applications of the proverb. The reflections are intended to help readers to apply the proverbs in their own ministries and to remember them so that when they face a difficult or uncertain situation, they can tap into the wisdom.

Doing Member Care Well Kelly O'Donnell, Kelly S. O'Donnell, 2002 This book explores how member care is being practiced around the world to equip sending organizations as they intentionally support their mission aid personnel. The information provided includes personal accounts, guidelines, case studies, worksheets, and practical advice from all over the globe. This book delivers what it promises. Here are 50 chapters from the widest selection of writers in the member care field to date: Brent Lindquist, President, Link Care Center. This book was published in partnership with the World Evangelical Alliance.

Unveiling the Magic of Words: A Overview of "**Functional And Dysfunctional Christianity**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Functional And Dysfunctional Christianity Introduction

In the digital age, access to information has become easier than ever before. The ability to download Functional And Dysfunctional Christianity has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Functional And Dysfunctional Christianity has opened up a world of possibilities. Downloading Functional And Dysfunctional Christianity provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Functional And Dysfunctional Christianity has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Functional And Dysfunctional Christianity. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Functional And Dysfunctional Christianity. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Functional And Dysfunctional Christianity, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Functional And Dysfunctional Christianity has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Functional And Dysfunctional Christianity Books

1. Where can I buy Functional And Dysfunctional Christianity books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Functional And Dysfunctional Christianity book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
