Functional Sentence Perspective In Written And Spoken Communication

Angela Downing, Philip Locke

Functional Sentence Perspective In Written And Spoken Communication:

Functional Sentence Perspective in Written and Spoken Communication Jan Firbas, 1992-06-25 Inspired by the ideas of the Prague School the theory of functional sentence perspective FSP is concerned with the distribution of information as determined by all meaningful elements from intonation for speech to context A central feature of FSP is communicative dynamism Jan Firbas discusses the distribution of the degrees of communicative dynamism over sentence elements which determines the orientation or perspective of the sentence He examines also the relation of theme and rheme to and implementation by syntactic components Special attention is paid to the relation between FSP and word order The second part of the book deals with spoken communication and considers the place of intonation in the interplay of FSP factors establishing the concept of prosodic prominence It tackles the relationship between the distribution of degrees of communicative dynamism as determined by the interplay of the non prosodic FSP factors and the distribution of degrees of prosodic prominence as brought about by intonation *Focus and Background in Romance Languages* Andreas Dufter, Daniel Jacob, 2009 Papers presented at a workshop Focus and background in Romance languages that convened during the 30th Romanistentag in Vienna Austria 23-27 September 2007 *Syntactic and FSP Aspects of the Existential Construction in Norwegian* Pavel Dubec, 2019-04-01 The book discusses the information structure approach as introduced by the Prague linguistic circle and elaborated in the first place by Jan Firbas one of the key persons in the field of functional sentence perspective FSP and further by Ale Svoboda Libuše Dušková or Martin Adam It explores the Norwegian existential construction from the syntactic and FSP points of view but also discusses selected FSP aspects in general The theory of functional sentence perspective has been attested to multiple languages such as Czech English German Russian French Italian or Spanish This book attempts among other things to attest its applicability to Norwegian and thus demonstrate its universal nature at least in the field of Indo European languages **From Syntax to Text: The Janus Face of Functional Sentence Perspective** Libuše Dušková, 2015-10-01 The volume presents the author's articles written in the last fifteen years dealing with the interaction between syntax functional sentence perspective information structure and text in present day English It is divided into five parts I Syntactic Constancy II Syntax FSP Interface III FSP and Semantics IV Syntax FSP Text and V Style which reveal the two facets of functional sentence perspective syntactic structures as realization forms of the carriers of FSP functions and the connection of FSP with the level of text The first and the last two parts frame the content of the volume in treating the role of functional sentence perspective at the syntactic and the textual levels At the former FSP is investigated as a potential factor of syntactic divergence between English and Czech at the latter the role of FSP is examined with respect to theme development text build up and style The points discussed in the other parts concern among others the hierarchical relationship between syntax and FSP the question of potentiality in FSP structure different realization forms of FSP structure and FSP functions general and specific questions of word order with major attention paid to the role of

semantics The Theme-Topic Interface María de los Ángeles Gómez González, 2001-03-08 The Theme Topic Interface TTI gives a useful catalogue of approaches to the concept Theme in the analysis of Natural Language The book is written with both theoretical and descriptive goals and aims to synthesize and revise current approaches to pragmatic functions In addition TTI explains that different thematic constructions in natural language reveal different discourse strategies related to point of view and speaker subjectivity which shows the mutually supportive role of form and discourse function vis vis each other The book's value is enhanced by the use of natural language corpora the Lancaster IBM Spoken English Corpus LIBMSEC and by running multivariate statistical tests taking into account both segmental and suprasegmental features The bibliography lists more than 600 publications providing ample material for further research into an integrated theory of language and its use The indexes provide easy access to most authors mentioned and to the major concepts covered The Syntax of Sentence and Text Světlava Mejrková, František Ptáček, 1994-10-13 This is a collection of papers inspired by the work of František Daneš and is published in honour of his 75th birthday Daneš's international contribution to the development of Prague School functionalism the theory of functional sentence perspective discourse studies and semantics is reflected in the 27 papers collected in four thematic sections of this volume Functional Perspectives on Grammar and Discourse Christopher Butler, Raquel Hidalgo Downing, Julia Lavid, 2007 This book a tribute to Angela Downing consists of twenty papers taking a broadly functional perspective on language with topics ranging from the general grammar as an evolutionary product text comprehension integrative linguistics to particular aspects of the grammars of languages Bulgarian English Icelandic Spanish Swedish The more specific papers are sequenced according to Halliday's division into ideational textual and interpersonal aspects of the grammar and cover a wide range of areas including aspect argument structure noun phrase nominal group structure and nominalisations pronominal clitics theme in relation to writing skills discourse structures and markers the role of attention in conversation the functions of topic phatic communion subjectification formulaic language and modality A recurrent theme in the volume is the use of corpus materials in order to base functional descriptions on authentic productions Overall the volume constitutes a panoramic but nevertheless detailed view of some important current trends in functional linguistics *The Handbook of Linguistics* Mark Aronoff, Janie Rees-Miller, 2017-03-08 The first edition of this Handbook is built on surveys by well known figures from around the world and around the intellectual world reflecting several different theoretical predilections balancing coverage of enduring questions and important recent work Those strengths are now enhanced by adding new chapters and thoroughly revising almost all other chapters partly to reflect ways in which the field has changed in the intervening twenty years in some places radically The result is a magnificent volume that can be used for many purposes David W Lightfoot Georgetown University The Handbook of Linguistics Second Edition is a stupendous achievement Aronoff and Rees Miller have provided overviews of 29 subfields of linguistics each written by one of the leading researchers in that subfield and each impressively crafted in both style and content I know of no finer resource

for anyone who would wish to be better informed on recent developments in linguistics Frederick J Newmeyer University of Washington University of British Columbia and Simon Fraser University Linguists their students colleagues family and friends anyone interested in the latest findings from a wide array of linguistic subfields will welcome this second updated and expanded edition of The Handbook of Linguistics Leading scholars provide highly accessible yet substantive introductions to their fields it s an even more valuable resource than its predecessor Sally McConnell Ginnet Cornell University No handbook or text offers a more comprehensive contemporary overview of the field of linguistics in the twenty first century New and thoroughly updated chapters by prominent scholars on each topic and subfield make this a unique landmark publication Walt Wolfram North Carolina State University This second edition of The Handbook of Linguistics provides an updated and timely overview of the field of linguistics The editor s broad definition of the field ensures that the book may be read by those seeking a comprehensive introduction to the subject but with little or no prior knowledge of the area Building on the popular first edition The Handbook of Linguistics Second Edition features new and revised content reflecting advances within the discipline New chapters expand the already broad coverage of the Handbook to address and take account of key changes within the field in the intervening years It explores psycholinguistics linguistic anthropology and ethnolinguistics sociolinguistic theory language variation and second language pedagogy With contributions from a global team of leading linguists this comprehensive and accessible volume is the ideal resource for those engaged in study and work within the dynamic field of linguistics

Language and Function Josef Hladký, 2003-04-17 The present volume originally prepared to celebrate Jan Firbas 80th birthday unfortunately is presented only belatedly to commemorate one of the most outstanding personalities of functional and structural linguistics Its contributors have been inspired by the richness and penetrating invention of Firbas contained in his analysis of functional sentence perspective and of many other aspects of sentence and discourse

The Routledge Handbook of Language and Persuasion Jeanne Fahnestock, Randy Allen Harris, 2022-09-30 This handbook provides a wide ranging authoritative and cutting edge overview of language and persuasion Featuring a range of international contributors the handbook outlines the basic materials of linguistic persuasion sound words syntax and discourse and the rhetorical basics that they enable such as appeals argument schemes arrangement strategies and accommodation devices After a comprehensive introduction that brings together the elements of linguistics and the vectors of rhetoric the handbook is divided into six parts Part I covers the basic rhetorical appeals to character the emotions argument schemes and types of issues that constitute persuasion Part II covers the enduring effects of persuasive language from humor to polarization while a special group of chapters in Part III examines figures of speech and their rhetorical uses In Part IV contributors focus on different fields and genres of argument as entry points for research into conventions of arguing Part V examines the evolutionary and developmental roots of persuasive language and Part VI highlights new computational methods of language analysis This handbook is essential reading for those researching and studying

persuasive language in the fields of linguistics rhetoric argumentation communication discourse studies political science psychology digital studies mass media and journalism

Second Language Acquisition and Linguistic Variation Robert Bayley, Dennis R. Preston, 1996-10-04 This volume corrects the relative neglect in Second Language Acquisition studies of the quantitative study of language variation and provides insights into such issues as language transfer acquisition through exposure language universals learner's age and so forth These studies bolster the idea that a full account of SLA development and hence a theory of SLA must be built on not only detailed accounts of interlanguage data but also on a wide appeal to factors which govern the psycholinguistic bases of SLA An important addition to the volume is a comprehensive guide to both the DOS and Macintosh versions of the VARBRUL statistical program used by variationists

The Conventuality of Figurative Language Sandra Handl, 2011 Originally presented as the author's thesis doctoral Universit at M unchen 2008

Discourse Analysis in Translation Studies Jeremy Munday, Meifang Zhang, 2017-07-18 Discourse analytic approaches are central to translator training and translation analysis but have been somewhat overlooked in recent translation studies This volume sets out to rectify this marginalization It considers the evolution of the use of discourse analysis in translation studies presents current research from ten leading figures in the field and provides pointers for the future Topics range from close textual analysis of cohesion thematic structure and the interpersonal function to the effects of global English and the discourses of cyberspace The inherent link between discourse and the construction of power is evident in many contributions that analyse institutional power and the linguistic resources which mark translator interpreter positioning An array of scenarios and languages are covered including Arabic Chinese English German Korean and Spanish Originally published as a special issue of *Target* 27 3 2015

The Literary-Linguistic Analysis of the Bible, 2024-09-16 This collection of essays explores the rich intellectual heritage of Russian Formalism and the Prague School of Linguistics to illuminate their influence on the field of biblical studies and apply their constructive and creative potential for advancing linguistic theory discourse analysis and literary interpretation of the texts of the Old and New Testaments in their original languages

Constituent Order in the Languages of Europe Anna Siewierska, 2010-12-14

Advances in Discourse Approaches Marta Dynel, 2009-03-26 Taboo words Quentin Tarantino's films humorous dialogues from *Sex and the City* witty advertising slogans the Bible Barack Obama's speeches or legal discourse are only a few of the topics addressed in the volume The study of discourse is a diversified and fast developing field of language research embracing methodological proposals discourse analyses comparative research translation studies and teaching perspectives Within each of the approaches theoretical frameworks and postulates abound The list of research topics is inexhaustible especially that each year brings new real life material subject to analysis and issues to elaborate Each chapter is devoted to a different topic and deploys a separate theoretical framework The diversity of research data methodologies and theoretical viewpoints guarantees the volume's being a representative sample of multifarious developments in discourse approaches The book

should thus be an interesting resource for enterprising researchers and students of linguistics *Inversion in Modern English* Heidrun Dorgeloh, 1997-03-06 The book offers a comprehensive study of the different forms of subject verb and subject auxiliary inversion in Modern English declarative sentences It treats inversion as a speaker based decision for reordering within a fairly rigid word order system and identifies the meaning of the construction in terms of point of view and speaker subjectivity This semantic claim is tested against the occurrence as well as the absence of the different forms of inversion in natural discourse The analysis of the pragmatics and discourse function of inversion is based on the LOB and the Brown corpus and takes into account various textual relations British and American English written mode style text type genre The results suggest a strong affinity with the greater or lesser subjectivity of a text the construction is a marker of interpersonal meaning Provided the context is one of relative unexpectedness it additionally becomes a discourse marker which points to the limited value of quantitative corpus data in functional syntax **Proceedings / Anglistentag 1995 Greifswald** Jürgen Klein, Vanderbeke Dirk, 2016-11-21 No detailed description available for Proceedings Anglistentag 1995 Greifswald *English Grammar* Angela Downing, Philip Locke, 2006 Presenting a course on English grammar this book includes many entries and examples of language in use It is useful reading for non native speakers of English Prague Linguistic Circle Papers Eva Hajicová, Tomas Hoskovec, 1999 This volume is the third one of the revived series of Travaux which was the well known international book series of the classical Prague Linguistic Circle published in the years 1929 39 The tradition of the Circle still attracts attention in broad circles of European and American linguistics

Adopting the Tune of Phrase: An Psychological Symphony within **Functional Sentence Perspective In Written And Spoken Communication**

In a world used by displays and the ceaseless chatter of instantaneous conversation, the melodic elegance and emotional symphony developed by the prepared term often disappear into the back ground, eclipsed by the constant noise and disruptions that permeate our lives. Nevertheless, situated within the pages of **Functional Sentence Perspective In Written And Spoken Communication** an enchanting fictional treasure overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, that interesting masterpiece conducts viewers on a psychological trip, well unraveling the hidden songs and profound impact resonating within each carefully crafted phrase. Within the depths with this moving evaluation, we will discover the book is main harmonies, analyze its enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Functional Sentence Perspective In Written And Spoken Communication Introduction

In today's digital age, the availability of Functional Sentence Perspective In Written And Spoken Communication books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Functional Sentence Perspective In Written And Spoken Communication books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Functional Sentence Perspective In Written And Spoken Communication books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Functional Sentence Perspective In Written And Spoken Communication versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Functional Sentence Perspective In Written And Spoken Communication books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Functional Sentence Perspective In Written And Spoken Communication books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides

Functional Sentence Perspective In Written And Spoken Communication

over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Functional Sentence Perspective In Written And Spoken Communication books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Functional Sentence Perspective In Written And Spoken Communication books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Functional Sentence Perspective In Written And Spoken Communication books and manuals for download and embark on your journey of knowledge?

FAQs About Functional Sentence Perspective In Written And Spoken Communication Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Functional Sentence Perspective In
