**E. P. Meijering**

## **Functions Of Faith And Reason In The Theology Of St Hilary Of Poitiers:**

*The Functions of Faith and Reason in the Theology of Saint Hilary of Poitiers* Joseph Eugene Emmenegger, 1947      **The Functions of Faith and Reason in the Theology of Saint Hilary of Poitiers** Joseph Eugene Emmenegger, 1948      **The Functions of Faith and Reason in the Theology of Saint Hilary of Poitiers ... A Dissertation, Etc** Joseph Eugene EMMENEGGER, 1947      Hilary of Poitiers on the Trinity Carl Beckwith, 2008-10-02 Hilary of Poitiers c300 368 Bishop and Theologian was instrumental in shaping the development of pro Nicene theology in the West Carl Beckwith engages the extensive scholarship on the fourth century Trinitarian debates and brings new light on the structure and chronology of Hilary's monumental *De Trinitate* There is a broad scholarly consensus that Hilary combined two separate theological works a treatise on faith *De Fide* and a treatise against the Arians *Adversus Arianos* to create *De Trinitate* In spite of this the question of when and why Hilary performed this task has largely remained unanswered Beckwith addresses this puzzle situating Hilary's *De Trinitate* in its historical and theological context and offering a close reading of his text He demonstrates that Hilary made significant revisions to the early books of his treatise revisions that he attempted to conceal from his readers in order to give the impression of a unified work on the Trinity Beckwith argues that *De Fide* was written in 356 following Hilary's condemnation at the synod of Béziers and prior to receiving a decision on his exile from the Emperor When Hilary arrived in exile he wrote a second work *Adversus Arianos* Following the synod of Sirmium in 357 and his collaboration with Basil of Ancyra in early 358 Hilary recast his efforts and began to write *De Trinitate* He decided to incorporate his two earlier works *De Fide* and *Adversus Arianos* into this project Toward that end he returned to his earlier works and drastically revised their content by adding new prefaces and new theological and exegetical material to reflect his mature pro Nicene theology Beckwith provides a compelling case for the nature of these radical revisions crucial textual alterations that have never before been acknowledged in the scholarship on *De Trinitate*      The Trinitarian Theology of Hilary of Poitiers Mark Weedman, 2007-11-30 When Hilary of Poitiers was exiled from his native Poitiers in Gaul to Cappadocia his entire theological sensibility changed The Latin bishop schooled in the tradition of Tertullian and Novatian became a full throated participant in the Trinitarian controversies of his time This book offers a new reading of Hilary's Trinitarian theology that takes into account the historical context of Hilary's thought It first examines this context and the course of Hilary's engagement with his Homoian opponents It then turns to the key themes of Hilary's theology as he worked them out in that context The result is a work that not only helps clarify Hilary's theology but that offers new insight into the Trinitarian controversies as a whole      **Hilary of Poitiers on the Trinity: De Trinitate 1, 1-19, 2, 3 E. P.** Meijering, 2023-08-14      **Hilary of Poitiers' Role in the Arian Struggle** C.F.A. Borchardt, 2013-03-09 Every struggle brings great men into prominence because the slumbering powers inert in them are aroused to action The truth of this statement is proved in the Arian struggle and among the many great men the figures of Athanasius in the East and Hilary the

bishop of Poitiers in the West I rise above their contemporaries One German scholar called them the two pillars of the Church in the East and the West Of the two Hilary is less known yet well known by the epithet which the historian K Hase gave to him namely *durch Thaten Leiden und Schriften der Athanasius des Abendlandes* 3 Scholars agree that in words and deeds he did not play such an important part in the history of the Church as Athanasius although he did occupy an important place among the secondary figures in the Arian dispute but in depth of earnestness and massive strength of intellect he is a match in powers of orderly arrangement decidedly for Athanasius himself and superior 4 Smulders maintains that in the formation of doctrine his place 5 is certainly near to that of Athanasius and Basil Another scholar holds 6 the view that as a thinker he surpassed the Alexandrian Harnack thought that he was bei aller Abhängigkeit von Athanasius ein eigentümlicher Denker der den alexandrinischen Bischof als Theologe übertroffen hat

**Hilary of Poitiers** George M. Newlands, 2008-07-17 Hilary of Poitiers is perhaps the most neglected of the great Patristic theologians In particular there has been little detailed analysis of the biblical interpretation that provides the central strand of his theological mind His work on St Matthew is almost the first extant commentary in the Latin West It is analyzed here with a survey for the first time of the growth of the commentary as a literary form The relation between exegesis and theological method in his later work on the Trinity and the Psalms shows the development of his techniques and their theological consequences The concluding sections provide a critical evaluation of the role of Patristic material in contemporary theology with reference to the still intractable problem of the precise uses of the Bible in theology

Hilary of Poitiers' Preface to his *Opus Historicum* P. Smulders S.J., 2015-12-22 What precisely does Hilary's so called *Opus Historicum* aim at His Preface provides the clue An introduction to the present edition sketches the mutilated work's discovery tabulates its contents and discusses problems of dating and authenticity The English translation which faces the Latin text adopts some alternative readings The Preface is elucidated in itself and by reference to the earlier *In Matthaeum* Central issues are hope and love confessors and martyrs imperial favours and threats the bishop and his inner freedom The circumspect treatment of both the reader and the subject reveals conscientization of the bishops as the aim of the *Opus Historicum* One of the book's excurses deals with the edict of Arles and Milan and concludes that the nameless creed quoted by Hilary might preserve the lost edict's doctrinal preliminaries

**Arianism: Historical and Theological Reassessments** Robert C. Gregg, 2006-10-19 Recent research has exposed difficulties in those interpretations of Arianism upon which we have long relied old certainties have given way to new lines of inquiry And yet a fresh picture of this historic controversy adequate to the complexity of Arianism or the several forms and expressions of Arianism and to the complexity of the era in which it emerged is being sketched line by line This collection of papers reflects in some measure the state of the question what is Arianism The pursuit of a fuller and more precise answer entails the several kinds of work contained in this book's sections close re-examination of sources the drawing of sharper distinctions between types of Arians and phases of Arianism even while continuities are sought careful

reassessment of how Arianism is to be described as philosophy and religion and scrutiny of significant aspects of the strife between Arians and Nicenes from the Foreword      *Development of Christian Doctrine* Jaroslav Pelikan, 1969-01-11 The problem of change has assumed great prominence in much of the current ferment in theology and many of the issues in question can best be interpreted as relating to the validity and limits of doctrinal development The questions cannot be faced constructively however until the development of doctrine has been clearly charted a historical as well as a theological assignment In this unique introductory survey more modest in scope but more scholarly in method than Cardinal Newman's great programmatic essay of 1845 Mr Pelikan presents three case histories of the particular doctrines that have crucial points of division among Christians His cogent analyses of Cyprian on Original Sin Athanasius on the Virgin Mary and Hilary on the Holy Spirit demonstrate the interaction between the sacramental life of the Church and the intellectual work of the theologian that consistently marked the development of doctrine by the early Fathers Thus they clarify some central aspects of the continuing theological and ecumenical debates Mr Pelikan Titus Street Professor of Ecclesiastical History at Yale University is the author of many books and articles including a forthcoming full scale history of the development of doctrine

*Jovellanos and His English Sources* John H. R. Polt, 1964 This is a print on demand edition of an important hard to find publication      **Ruled Reading and Biblical Criticism** Matthew T. Bell, 2019-11-04 In *Ruled Reading and Biblical Criticism* Matthew T Bell contends that the gulf in interpretive priorities between ancient and modern readers has been exaggerated and that careful study of early Christian reading practices suggests that it is both possible and productive to recontextualize early Christian ruled reading for a postmodern setting Modern prejudice holds that ancient Christian interpretation was relatively unconcerned with history and concomitantly determined to foist extrascriptural doctrinal commitments onto scripture silencing those layers of scripture's meaning that modern criticism has been most concerned with uncovering In this book Bell argues that when the ethos and theology of reading in the early Church are taken into account premodern interpretive priorities turn out to be less implausible than the modern world has believed them to be Through close reading of ancient Christian texts Bell outlines an ontology of scripture wherein the relationship between early Christianity's Rule of Faith on one hand and its scriptures on the other was expressly constructed as a hermeneutical spiral the slant of which was designed to attend to and be edified by textually mediated conundrums and intellectual provocations Viewed along that spiral the Church's Rule was as scriptural as the Church's catalog of scriptures was ruled This book will be welcomed by academics who study early Christianity and scripture as well as scholars interested in reconsidering Christian hermeneutical questions for a postmodern age      *The Triune God* Edmund J. Fortman, 1999-02-23 A primary condition for fresh thinking on the Trinity is an accurate objective account of past and present thought wrote one reviewer when *The Triune God* first appeared in 1972 This is what Fortman has presented sensitively accurately and compactly The author sets out to trace the historical development of Trinitarian doctrine from its written beginnings to its contemporary status Thus he treats the biblical witness

the Council of Nicea Augustine the Middle Ages and the development of this doctrine from the fifteenth century to the present in the Protestant Orthodox and Catholic traditions      **History of Christian Philosophy in the Middle Ages**

Etienne Gilson, 2019-02-18 A comprehensive analysis of philosophical thought from the second century to the fifteenth century from the Greek apologists through Nicholas of Cusa This work is Gilson s magnum opus Journal of the History of Ideas      **Finding the Monk Within** Edward C. Sellner, 2008 Finding the Monk Within is written with the conviction that

lying deep within every person and underlying much of contemporary western and eastern cultures is an ancient memory a vital archetypal energy related to monasticism and its spirituality This book recovers that monastic memory the living presence of the past for those who desire to name and incorporate monastic values values of solitude and silence faith and compassion friendship and mentoring contemplation and leadership itself The author examines the social and religious dimensions in the fourth century that gave rise to monasticism then looks at Christian leaders from late antiquity to the medieval period associated with monasticism in both East and West who have much to teach about monastic values and their relevance for today among them Antony the first monk Augustine and Jerome John Cassian Brigit of Kildare and early Celtic monasticism Gregory the Great Benedict and Scholastica and finally Bernard of Clairvaux By studying the history of monasticism and its great heroes we come to realize that for the Christian much of what we call monastic is purely and simply what being a follower of Christ is all about and that being a monk whether inside monastic enclosures or outside in the world is simply becoming the sort of person everyone ought to be a person who unites action and contemplation in the care of souls writes the author By becoming familiar with the stories and thought of these inspirational figures readers will be inspired to incorporate monastic perspectives and values into their own lives      **The Image of God in Man** Walter J.

Burghardt, 1957      *Marriage According to St. Ambrose* William Joseph Dooley, 1948

### Functions Of Faith And Reason In The Theology Of St Hilary Of Poitiers Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Functions Of Faith And Reason In The Theology Of St Hilary Of Poitiers PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Functions Of Faith And Reason In The Theology Of St Hilary Of Poitiers PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Functions Of Faith And Reason In The Theology Of St Hilary Of Poitiers free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Functions Of Faith And Reason In The Theology Of St Hilary Of Poitiers Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Functions Of Faith And Reason In The Theology Of St Hilary Of Poitiers is one of the best book in our library for free trial. We provide copy of Functions Of Faith And Reason In The Theology Of St Hilary Of Poitiers in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Functions Of Faith And Reason In The Theology Of St Hilary Of Poitiers. Where to

download Functions Of Faith And Reason In The Theology Of St Hilary Of Poitiers online for free? Are you looking for Functions Of Faith And Reason In The Theology Of St Hilary Of Poitiers PDF? This is definitely going to save you time and cash in something you should think about.
