**Company, 1890-1913** Stetson J. Robinson,2022-09-06 This edition includes the letters exchanged between Charles S Peirce  
and the Open Court Publishing Company between 1890 and 1913 Open Court published more of Peirce s philosophical  
writings than any other publisher during his lifetime and played a critical role in what little recognition and financial income  
he received during these difficult yet philosophically rich years This correspondence is the basis for much of what is known  
surrounding Peirce s publications in *The Monist* and *The Open Court* two of the publisher s most popular forums for  
philosophical scientific and religious thought and is therefore referenced heavily in Peirce editions dealing partly or wholly  
with his later work including *The Essential Peirce* series and *Writings of Charles S Peirce* The edition provides for the first  
time a complete text of this oft cited correspondence with textual apparatus contextual annotation and careful replications of  
existential graphs and other complex illustrations By so doing this edition sheds critical light not only on Peirce and Open  
Court but also on the context relationships and concepts that influenced the development of Progressive Era intellectual  
history and philosophy
