

Fundamentalism vs. Catholicism:

Witherup, Biblical Fundamentalism (p. 47) – cont.

Fundamentalist Perspective:	Catholic Perspective:
Inerrancy of the Bible in all matters	No errors in the Bible only on matters of faith & morals
Lack of historical perspective in interpretation	Historical perspective is essential for interpretation
Frequent interpretations out of context	Need interpretations in context, esp. the context of the canon
Direct & immediate applicability of most biblical passages	Mostly indirect applicability of biblical passages

Fundamentalism A Catholic Perspective

Jerry D. Korsmeyer

Fundamentalism A Catholic Perspective:

Fundamentalism Thomas F. O'Meara, 1990 Discusses the theological and psychological foundations of fundamentalism discusses its influence on the Protestant and Catholic churches and suggests an alternative **Biblical Fundamentalism** Ronald D. Witherup, 2001 2002 Catholic Press Association Award Winner One of the most significant changes initiated by the Second Vatican Council was the direct encouragement for Catholics to rediscover the Bible Unfortunately education has lagged behind Catholic interest in exploring the Bible and its mysteries Consequently vital questions including how to read and interpret the Bible remain unanswered for many Christians In Biblical Fundamentalism Father Ronald Witherup offers Catholics a guide to the questions that arise when they desire to use the good book in their personal lives Father Witherup provides an overview of the origins history basic tenets and problems with biblical fundamentalism and its influence in contemporary culture He summarizes Catholic teaching on the Bible and points out both the strengths and the weaknesses in the fundamentalist approach to the Bible He also provides a concise but thorough response to questions that Catholics have about fundamentalism and discusses resources for further study Biblical Fundamentalism is divided into five chapters The first chapter explains the historical origins of Christian biblical fundamentalism and why it is a uniquely American phenomenon The second chapter outlines the main tenets of fundamentalist faith and how it approached the Bible The third chapter does the same for the Catholic faith The fourth chapter explores why biblical fundamentalism is attractive in our day and offers a critique of it Finally the fifth chapter imparts some practical advice about how to fashion a sensible and courteous Catholic response to fundamentalism Chapters are The Origins of Biblical Fundamentalism Bible Basics A Fundamentalist Approach to the Bible Bible Basics A Catholic Approach to the Bible Evaluating Fundamentalism and A Catholic Response to Fundamentalism Ronald D Witherup SS PhD is Provincial of the U S Province of Supicians and former academic professor of Sacred Scripture at St Patrick s Seminary in Menlo Park California He holds a doctorate in biblical studies from Union Theological Seminary in Richmond Virginia He is the author of Conversion in the New Testament a liturgist s Guide to Inclusive Language and is a contributor to The Collegeville Pastoral Dictionary of Biblical Theology

Catholicism and Fundamentalism Karl Keating, 2009-09-03 Karl Keating defends Catholicism from fundamentalist attacks and explains why fundamentalism has been so successful in converting Romanists After showing the origins of fundamentalism he examines representative anti Catholic groups and presents their arguments in their own words His rebuttals are clear detailed and charitable Special emphasis is given to the scriptural basis for Catholic doctrines and beliefs

An Introduction to Theology in Global Perspective Stephen B. Bevans, 2009 **Catholicism** Richard P. McBrien, 2013-05-28 A new study edition of the classic that has sold over 150 000 copies **The Lion and the Lamb** William M. Shea, 2004-03-04 One of the most intriguing questions in contemporary American Christianity is whether the recent warming of relations between Catholics and conservative evangelicals promises a thaw in the ice age that has lasted

since the sixteenth century American evangelical Protestants and Roman Catholics have hated and suspected one another since colonial times In the twentieth century however each community has experienced radical change and this has led to a change in the relationship between the two In this book William Shea examines the history of this troubled relationship and the signs of potential reconciliation His springboard is the recent publicity given to the 1993 document Evangelicals and Catholics Together in which several well known figures from each camp acting as individuals signed a statement affirming much more common theological and social ground than any other American Catholic evangelical group had ever done Looking back Shea surveys the long and very bitter history of published recriminations that have flown back and forth between Catholics and many kinds of Protestants since the 16th century He makes the case that Catholics and conservative Protestants reacted along parallel lines to western modernity especially naturalistic evolution and higher criticism of the Bible That deeper history leads him to the more recent history that has partially overcome the severe Catholic evangelical antagonisms Here he focuses on the rise of neo evangelicals associated with Billy Graham and the National Association of Evangelicals and on the changes with the Catholic church since Vatican II He goes on to offer systematic interpretations of recent evangelical literature on Catholics and Catholic literature on evangelicals The book ends with some historical but also theological social and personal conclusions This accessible groundbreaking and timely study will be indispensable reading for all interested in the religious landscape of America today

Records of the American Catholic Historical Society of Philadelphia ,1990 **Recovering the Riches of Anointing** National Association of Catholic Chaplains (U.S.).

International Symposium, Kevin Tripp, 2002 Recovering the Riches of Anointing A Study of the Sacrament of the Sick is a collection of the papers presented at the international symposium sponsored by the National Association of Catholic Chaplains in May 2001 as part of a long term exploration of topics of theological and pastoral concern in the pastoral care of the sick Book jacket **American Pope** Sean Swain Martin, 2021-10-15 As arguably the most influential voice in American Catholicism the vision that Scott Hahn offers in his works read by millions of Catholics throughout the world is one of the most formative in American Catholicism His numerous books and public speaking engagements are shaping the American Catholic Church in a uniquely powerful manner This work demonstrates that the Catholic vision that Hahn claims to be providing his audience is in fact always quite different from the one he actually presents What he coins as Catholic faithfulness is instead a straightforward and damning Catholic fundamentalism As this vision is delivered to millions of the faithful who look to Hahn as a trustworthy guide to an authentic life of Catholic faith American Pope acts as a critical analysis of his work Bad Girls and Boys Go to Hell (or not) Gloria Neufeld Redekop, 2012-07-26 To question the idea of hell as a default destination is to question the entire fundamentalist evangelical worldview This book does just that Fundamentalist evangelicalism holds that the Bible is an infallible authority and that all are born in sin Sinners go to hell but Jesus taking their place died to save them from hell How did this belief come to be What were the effects on people brought up with a

belief in the reality of hell What has been the process of people leaving the fundamentalist evangelical movement In *Bad Girls and Boys Go To Hell* or not Gloria Neufeld Redekop takes us on her own personal journey as she engages a movement in which she was raised conducting a careful study of the history of fundamentalist evangelicalism the attachment to a literal factual interpretation of the Bible and an analysis of the experience of those who have left the movement *Dictionary of Mission* Karl Muller, Theo Sundermeier, Stephen B. Bevans, Richard H. Bliese, 2006-01-30 Conceived and developed by two of Europe's most eminent missiologists in the country where the scientific and sustained study of mission first took shape the *Dictionary of Mission* represents the finest of the chorus of voices that comprise contemporary missiology The choice of topics and the authors to address them reflects what Christian mission has become a genuinely worldwide and ecumenical phenomenon That there would be entries on regional theological developments is indicative of how the world church is developing A host of other topics here explored show too how the landscape of mission is changing Taken as a whole then the *Dictionary of Mission* is a road map through this exciting and challenging terrain from the Foreword *Faith, Religion & Theology* Brennan Hill, Paul F. Knitter, William Madges, 1997 This thoroughly updated text offers students and adults an overarching perspective The Faith section focuses on the nature of human faith and Christian faith The Religion section examines the personal and social value of religion religious belief and behavior and offers an overview of major world religions The Theology section includes an analysis of the theology faith relationship Suggested readings and study questions excellent end notes and index add to the value of this edition **European Anti-Catholicism in a Comparative and Transnational Perspective** Yvonne Maria Werner, Jonas Harvard, 2013-08-01 Tales about treacherous Jesuits and scheming popes are an important and pervasive part of European culture They belong to a set of ideas images and practices that when grouped under the label anti Catholicism represent a phenomenon that can be traced back to the Reformation Anti Catholic movements and sentiments crossed boundaries between European countries contributing to the early modern consolidation of national identities In the nineteenth century secularist movements adopted and transformed confessional criticism in a new internationalist dimension that was articulated across the whole Western world A variety of liberal conservative secular Protestant and other forces gave shape to this counter image taking on the function of a pattern from which one's own ideals and beliefs could be chiselled out The contributions to this volume show how different national contexts affected the proliferation of anti Catholic messages over the course of four centuries of European history and demonstrate that anti Catholicism constituted a powerful European cross cultural phenomenon **Social and Religious Concerns of East Africa** G. J. Wanjohi, G. Wakuraya Wanjohi, 2005 **Religious Inventions** Maxwell John Charlesworth, 1997-06-28 This book argues for the diversity of religions and the human element in the development of religion Righteous Religion Kathleen Ritter, Craig O'Neill, 2014-05-22 Why are so many individuals discouraged at spiritual dead ends even when they are active participants in their churches *Righteous Religion* exposes the authoritarian misuse of Christian teaching that often leaves its

members ignored chastised or belittled This new book offers hope for anyone who has struggled with disillusionment in the face of an unbending religious system After unmasking a bewildering network of illusions that operate beneath the surface of Fundamentalism and dogmatic Catholicism the authors help readers find their own voices of truth This is a candid book that analyzes the grip of Fundamentalism and Catholicism on their respective followers despite financial and sexual scandals misuse of power and influence apparent hypocrisy and selective self righteousness of these two religious systems Using real life stories of ordinary people in ordinary churches Righteous Religion demonstrates that the efforts involved in maintaining illusions are incompatible with claiming a personal spiritual voice The authors discuss the relationship between the breakdown of erroneous notions and the growth that will involve readers in finding their own voice From the stories presented readers will see the journey progress from questioning previously unquestioned assumptions reclaiming the best out of their religious traditions and then transcending that which is no longer viable by grieving over illusions learning to live with paradox and transforming illusions into a new valid and spiritually personal religious truth As readers begin the journey of finding their own spiritual voice their experiences will be validated by the prose and stories in Righteous Religion Those outside of Fundamentalism and Catholicism can begin to understand the practices of these religious groups through the authors clear explanation of the dynamics and inner workings of creed bound Fundamentalism and Catholicism This book has appeal to anyone whether from within or outside religious tradition who has questioned the grip of Fundamentalism and Catholicism on individuals

God-creature-revelation Jerry D. Korsmeyer, 1995 Educated Western Christians seek to understand the scientific basis of evolution as well as to justify why a God worth worshiping can be responsible yet not indictable for evil The author creates an innovative theological framework that addresses these concerns and provides part of a structure for fundamental theology which is based on the neoclassical metaphysics of Charles Hartshorne and the speculative cosmology of Alfred North Whitehead His model of the divine has three basic principles God is love God is the creator and this creativity is an integral part of divine essence From this model he develops a fundamental theology which focuses on the nature of divinity the interaction between human and the divine and divine revelation He attributes much of his own concept of revelation to Whitehead's model in which revelation is indicative of a successful communion between human and divine This revelation is achieved through symbolic mediation and it is as much inter personal reconciliation as it is a universal resonance of the creative essence between heaven and earth This framework shows initial agreement with Christian traditions it is highly coherent universal in scope and most importantly it has rich potential for future Christian understanding

Coherent Christianity Louis Roy, 2018-01-08 Throughout this book Louis Roy illustrates his conviction that Christianity consists in the most profound experience to which human beings are invited by God This experience involves meaning and truth hope and love suffering and joy solidarity and critique It is a space of freedom where diverse persons seek the light and make their decisions interacting with the intellectual and affective resources of their culture Faith is understood

as a personal and communal adventure a sequence of real life experiences The book proposes an articulate and coherent vision of the Christian faith It surveys the complementary dimensions of Christian experience It points to various paths traveled by different people It offers an actualization for our time that is a road map that is at the same time flexible and in keeping with truth It engages in a dialogue with psychology and with non Christian views for example on meditation and on reincarnation The book is addressed to a large audience of educated readers who are likely to be very interested in its biblical philosophical psychological sociological interreligious and pastoral components Its originality consists in bringing together the interactions between several disciplines in a practical way **Being Right** Mary Jo Weaver,R. Scott Appleby,1995 Being Right is a significant book and a good read for anyone seriously interested in contemporary American religion Nova Religio It will be very useful to historians challenging to theologians and indispensable to anyone trying to make sense of the bewildering variety of Catholic presence in the contemporary United States American Catholic Studies Newsletter Being Right maps the mental universe of this internally diverse group and offers basic insight into how they see things The Reader s Review Editors Mary Jo Weaver and R Scott Appleby and their collaborators immerse us in a roiling sea of contested assertion and testimony First Things An in depth look at these groups both as they see themselves and as they appear to trained scholars David J O Brien College of Holy Cross Compliments must be given to Weaver and Appleby who were able to recruit a distinguished yet impassioned group of essayists for this work Journal of Church and State Whether they focus their criticism on pro choice rhetoric and artificial birth control or the removal of religious symbols from public squares the Catholics profiled in this book agree that the contemporary church is in crisis **U.S. Catholic Historian**,1999

Fundamentalism A Catholic Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Fundamentalism A Catholic Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Fundamentalism A Catholic Perspective has opened up a world of possibilities. Downloading Fundamentalism A Catholic Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Fundamentalism A Catholic Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Fundamentalism A Catholic Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Fundamentalism A Catholic Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Fundamentalism A Catholic Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Fundamentalism A Catholic Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
