**Forgotten Empress** David Zeni,1998      **The Tragic Story of the Empress of Ireland** Logan Marshall,2014-04-01 A century after it sank to the bottom of the St Lawrence River the ruin of the Empress of Ireland has remained one of the most devastating tragedies in maritime history Logan Marshall's vivid and detailed reportage was the first account of the disaster and has endured as a classic chronicle of what happened that fateful night On May 28 1914 the grand ocean liner the Empress of Ireland left Quebec on the St Lawrence River bound for an Atlantic crossing to Liverpool England At a few minutes before two o'clock on the morning of Friday May 29 the Empress sighted the Norwegian collier Storstad at the same time as a heavy fog bank was descending Despite warnings and evasive maneuvers the Empress was struck on the starboard side by the Storstad which penetrated its hull by twelve feet The captain and crew had less than fifteen minutes to save their passengers before the ship slipped under the waves Of the 1 475 aboard 1 078 perished in a matter of minutes It remains the worst peacetime catastrophe in Canadian history In addition to his unforgettable account of the sinking Logan Marshall also presents a gripping retelling of the Titanic disaster as well as other maritime tragedies For decades Marshall's account of the Empress of Ireland has remained the definitive version comparable to Walter Lord's chronicle of the Titanic sinking **A Night to Remember** CENTENNIAL EDITION INCLUDES PHOTOS AND A NEW AFTERWORD UPDATING THE STORY      **Into the Mist** Anne Renaud,2010-10-29 From 1906 to 1914 the Empress of Ireland one of the fastest and most elegant liners of the Edwardian era graced the waters of the Atlantic Ocean Remembered primarily for sinking in only 14 minutes in the St Lawrence River and for having a greater loss of passenger life than the Titanic the Empress's true legacy is the significant role it played in the building of Canada During the ship's many crossings between Canada and England it ferried royalty politicians scientists authors actors captains of industry and military servicemen aboard its decks but most important it carried more than 115 000 hopeful immigrants who left Europe to build new lives on Canadian soil **Into the Mist** is the story of the Empress of Ireland of the many people who walked its decks and how in the early morning of May 29 1914 it came to rest on the bottom of the St Lawrence River      **The World of Maritime and Commercial Law** Charles Mitchell,Stephen Watterson,2020-04-30 This collection of 20 essays contains recent work by legal scholars practitioners and judges all internationally renowned for their expertise in the fields of maritime and commercial law For maritime lawyers the book contains absorbing and important studies of the law governing maritime collisions carriage of goods by sea examining the meaning of actual carriage in the Hamburg Rules and the complex web of rules that governs multimodal carriage and marine insurance discussing the history of the doctrine of utmost good faith and jurisdiction clauses in cargo policies In the area of private international law there are chapters on the choice of law rules affecting the ownership of ships and on recent cases where conflict of laws issues have been decided by the Privy Council For generalist commercial lawyers there is a wealth of scholarship on the Sale of Goods Act 1979 its provisions and scope and on the rules of contractual interpretation their history

content and application in commercial settings In addition there are chapters on negotiating damages for breach of contract illegality tracing misapplied funds the application of private law rules to disputes about cryptocurrencies and developments in the law of directors duties Taken as a whole the essays in this collection stand out for their breadth of scholarship analytical power depth of understanding and penetrating insights even into the knottiest problems of maritime and commercial law They are essential reading for every maritime and commercial lawyer and a fitting tribute to a scholar who has led the way in both fields for many decades Disasters at Sea Mary B. Woods, Michael Woods, 2008-01-01 For thousands of years the perils of the sea have claimed uncountable numbers of victims Bad weather rocks and icebergs equipment failures human error and many more types of tragedies have all sent ships to watery graves While modern technology has made sea going vessels safer and rescues easier there still are terrible disasters that occur With dramatic images and eyewitness accounts plus the latest facts and figures this book gives you a close up look at disasters at sea

**Beneath Dark Waters** Eve Lazarus, 2025-04-29 The poignant and very human drama of a 1914 maritime disaster that claimed the lives of more passengers than the Titanic On May 28 1914 the RMS Empress of Ireland began her 192nd trip across the Atlantic from Quebec City Canada en route to Liverpool England carrying 1 056 passengers and a crew of 423 In the early hours of May 29 fog descended on the St Lawrence River and the ocean liner was rammed by the Storstad a Norwegian coal ship In the fourteen minutes it took for the Empress of Ireland to sink there was time to launch only four of the forty lifeboats and rather than women and children first it was everyone for themselves Over a thousand people died that night claiming the lives of more passengers than either the Titanic or the Lusitania and the tragedy stands as the worst maritime disaster during peacetime in Canadian history Investigative journalist and author Eve Lazarus draws on a trove of historical documents including small town newspaper reports the Wreck Commissioner's Inquiry and first hand accounts passed down through personal letters and family lore to tell the story of the wreck and its aftermath through the eyes of the survivors Through these records as well as interviews with experts and descendants of the passengers Lazarus recounts the story from both a Canadian and a Norwegian perspective and investigates why many of the accounts regurgitated in newspapers and books for over a hundred years are wrong The result is an absorbing and utterly stirring narrative that uncovers tales of heroism and sacrifice human endurance and modern day shipwreck hunters Beneath Dark Waters is an epic chronicle that restores the Empress of Ireland largely forgotten in the shadow of the Titanic disaster as well as its survivors and victims to their rightful place in maritime history With black and white photos This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines WCAG AA It is screen reader friendly and is accessible to persons with disabilities A book with many images which is defined with accessible structural markup This book contains various accessibility features such as alternative text for images table of contents page list landmark reading order and semantic structure Lost at Sea Michael Goss, 2010-01-28 A mother pleads with her son not to sail on a

certain steamer because she has dreamt three times in a row that the vessel will never reach its destination Modern day observers watch in awe as a ghost ship blazing from bow to stern dutifully reenacts a two hundred year old tragedy that the observers fathers and grandfathers also watched reenacted with the same sense of awe A crewman walks past a solitary figure seated in the ship s restaurant only to turn a moment later and find the restaurant empty A red glow appears in the darkness ahead of a modern warship and the faint outline of an old galleon her sails in tatters is seen approaching against the wind only to vanish a moment later before the startled eyes of observers Such strange events have been seen for centuries and continue to be reported even today by witnesses who are for the most part sober and responsible human beings In Lost at Sea folklore specialist Michael Goss and George Behe an expert on maritime disasters explore what lies behind these amazing narratives and enduring legends

**The Fateful Voyage of the Empress of Ireland** Cheryl Roberts Gale,2024-10-07 We all conceal some secrets that we dare not share with anyone But for Captain Henry Kendall who has borne a particularly heavy burden of secrecy for decades the thought of carrying them with him into the afterlife still unspoken is just too much And so on his deathbed he confides his untold story to the kind young nurse taking care of him hoping to perhaps find some redemption at last For the rest of that nurse s life the captain s story remains a mystery never forgotten nor confirmed Or at least not until forty two years later when she happens upon an article about a 97 year old English murder committed by the infamous London Cellar Murderer confirming at least a part of the captain s story as well as the murderer s connection to the tragic sinking of the Empress of Ireland the curse believed to have caused it and most intriguingly to Captain Henry Kendall himself Inspired by actual historical events and challenged by scientific evidence gathered in the interim *The Fateful Voyage of the Empress of Ireland A Tale of Betrayal Redemption and the Wrath of a Curse* will grab readers right from the start with its story of love betrayal and tragic consequences on land and at sea As readers dive into this fascinating account they are welcome to form or rethink their own beliefs about what really happened on that fateful voyage as well as the events that perhaps birthed the very curse that sank the mighty ocean liner to the bottom of the St Lawrence River on May 28 1914

*Notes from Oxford, 1910-1911* Margaret R. O'Leary, MD,2014-12-31 Over the span of forty years Professor Raphael Dorman O Leary passionately imparted to his students his love of writing and English literature at the University of Kansas When he died after a short illness in 1936 his personal effects were passed to several relatives until Dennis O Leary and his wife Margaret discovered his papers while restoring a family house Amid Professor O Leary s papers were two slim and battered booklets containing the colorful journal that he kept during his sabbatical in Oxford England from 1910 to 1911 The journal paints a vibrant picture of O Leary s academic social political and religious encounters in Oxford England as he and his family attempted to adjust to an alien world Professor O Leary portrays with humor and pathos his myriad encounters with professors politicians Rhodes scholars shopkeepers nurses street urchins and mummers while vividly describing the dreary climate tea and dinner parties football games the marketplace

**Sketches 6** Mike Filey, 2000-09-01 Stories of Old Toronto never lose favour with the city's nostalgia buffs and as long as Mike Filey continues to provide us with his The Way We Were columns no one's appetite will have to go unsatisfied When Mike's Toronto Sunday Sun columns were first brought together in Toronto Sketches demand was so high that it prompted a second collection then a third and a fourth and a fifth Now for 2000 Mike has once again brought together some of the best of his Toronto Sunday Sun columns for Toronto Sketches 6 the latest installment in the wildly popular series This time around Mike takes us to a performance at the Royal Alexandra Theatre by Al Jolson the opening of Sunnybrook Hospital a game between the baseball Leafs and the Havana Sugar Kings with Fidel Castro throwing out the first pitch and many more famous notorious and entertaining episodes in the history of this great city **Shipwrecks in 100 Objects** Simon

Wills, 2022-10-07 The history of shipwrecks involves many shocking episodes from men who saw shipmates eaten by sharks to castaways who ate each other Learn about the cowardly captain who deserted his passengers on a sinking ship the obstinate ship designer who took 480 men to their deaths and the first mate who wrecked his own ship for insurance money Historian and genealogist Dr Simon Wills is maritime adviser to BBC's Who Do You Think You Are program In this fascinating book he uses objects associated with real incidents as touchstones for every tale Our ancestors believed that sea monsters destroyed ships but better established causes include storms war pirates human incompetence fire and ice The pages of this book are packed full of tales of dramatic rescues and miraculous survivals and as well as the stories of the innovations that have improved safety at sea Meet the man shipwrecked three times within an hour a coastguard still diving overboard to save lives at 79 and the lifeboat inventor who endured someone else taking credit for his work Ships can have character too refusing to sink despite overwhelming odds or even returning to haunt us as ghost ships The dangerous life afloat stimulated pioneers to create the lifeboat service offshore lighthouses and lifejackets Vessels lost at sea also inspired rewards for bravery and artists and writers such as J M W Turner William Wordsworth and Yann Martel the author of Life of Pi Featuring famous wrecks such as Mary Rose and Titanic this book introduces other less well known but equally remarkable events from our nautical heritage some of which seem almost too extraordinary to be true [Key to Blue Workbook](#) Susan Wise

**Nation** David Laurence Jones, 2020-11-03 A riveting visually engaging collection of vignettes highlighting the rich heritage of the Canadian Pacific Railway Since its founding in 1881 Canadian Pacific has made an indelible mark on the lives of Canadians Most commonly associated with its iconic railway at its height CP also ran hotels steamships and an airline and had myriad involvements in immigration irrigation resource development war contributions and international trade It has been said that no other single corporation has shaped Canadian national identity as much as CP Railway Nation Tales of the World s Greatest Travel System is a compilation of more than fifty thrilling and historically significant stories based on colourful anecdotes and archival sources dating back to the company s golden era From the construction of the ground breaking Spiral Tunnels on what was previously the most dangerous and accident prone stretch of railway track in the

Rockies to the CPR manufactured Valentine tanks that helped the Soviet Union fight off the Nazis in World War II to the long and frustrating struggle of CP stewardesses fighting against sexist employment policies this lively and nuanced portrait of an iconic company is illustrated with fascinating archival photography and will be an essential addition to any Canadian history buff's library

Sinkable Daniel Stone, 2022-08-16 From the national bestselling author of *The Food Explorer* a fascinating and rollicking plunge into the story of the world's most famous shipwreck the RMS Titanic On a frigid April night in 1912 the world's largest and soon most famous ocean liner struck an iceberg and slipped beneath the waves She had scarcely disappeared before her new journey began a seemingly limitless odyssey through the world's fixation with her every tragic detail Plans to find and raise the Titanic began almost immediately Yet seven decades passed before it was found Why And of some three million shipwrecks that litter the ocean floor why is the world still so fascinated with this one In *Sinkable* Daniel Stone spins a fascinating tale of history science and obsession uncovering the untold story of the Titanic not as a ship but as a shipwreck He explores generations of eccentrics like American Charles Smith whose 1914 recovery plan using a synchronized armada of ships bearing electromagnets was complex convincing and utterly impossible Jack Grimm a Texas oil magnate who fruitlessly dropped a fortune to find the wreck after failing to find Noah's Ark and the British Doug Woolley a former pantyhose factory worker who has claimed since the 1960s to be the true owner of the Titanic wreckage Along the way *Sinkable* takes readers through the two miles of ocean water in which the Titanic sank showing how the ship broke apart and why and delves into the odd history of our understanding of such depths Author Daniel Stone studies the landscape of the seabed which in the Titanic's day was thought to be as smooth and featureless as a bathtub He interviews scientists to understand the decades of rust and decomposition that are slowly but surely consuming the ship It is expected to disappear entirely within a few decades He even journeys over the Atlantic during a global pandemic to track down the elusive Doug Woolley And Stone turns inward looking at his own dark obsession with both the Titanic and shipwrecks in general and why he spends hours watching ships sink on YouTube Brimming with humor curiosity and wit *Sinkable* follows in the tradition of Susan Orlean and Bill Bryson offering up a page turning work of personal journalism and an immensely entertaining romp through the deep sea and the nature of obsession
