**The Forgotten Spurgeon** Iain Hamish Murray, 1978

**Making Evangelical History** Andrew Atherstone, David Ceri Jones, 2019-04-08 This volume makes a significant contribution to the history of ecclesiastical histories with a fresh analysis of historians of evangelicalism from the eighteenth century to the present It explores the ways in which their scholarly methods and theological agendas shaped their writings Each chapter presents a case study in evangelical historiography Some of the historians and biographers examined here were ministers and missionaries while others were university scholars They are drawn from Anglican Baptist Congregationalist Methodist Presbyterian Fundamentalist and Pentecostal denominations Their histories cover not only transatlantic evangelicalism but also the spread of the movement across China Africa and indeed the whole globe Some wrote for a popular Christian readership emphasising edification and evangelical hagiography others have produced weighty monographs for the academy These case studies shed light on the way the discipline has developed and also the heated controversies over whether one approach to evangelical history is more legitimate than the rest As a result this book will be of considerable interest to historians of religion

**Reformed Evangelicalism and the Search for a Usable Past** Ian Hugh Clary, 2020-09-07 The question of how theology shapes a Christian historian's reading of the past has been debated thoroughly in various academic periodicals Should historians recognise the role of providence in their accounts of past events Should they sympathise with their subject's theology Can objectivity be lost due to theological bias And last but not least is there a compromise of faith if one writes natural instead of supernatural history Such questions are important for understanding the historian's profession Arnold Dallimore who trained and specialised in pastoral ministry in Canada wrote an influential biography of the revivalist George Whitefield as well as others on Charles and Susanna Wesley Edward Irving and Charles Spurgeon How did his Reformed theological perspective impact his historiography How does his work fit into larger historiographical debates concerning the nature of Christian history While other books look at Christian historiography using abstract and methodological approaches this book examines the subject precisely by looking at the life and work of an individual historian It does so by placing Dallimore in the context of being a minister in twentieth century Canada as well as his role in the development of Reformed Theology in the Anglosphere It also examines the quality of his various biographies focusing on key issues such as the nature of religious revival the problem of Christianity and slavery and the question of charismatic religious experience His study concludes by examining the relationship between the discipline and profession of church history and asking what is required for one to be considered a church historian

Waggoner,E. Ray Clendenen,2008-06-01 What impact is the Calvinist non Calvinist debate having on the Southern Baptist Convention today

This book holds a theological conversation between followers of Christ about issues on which they often disagree And while such controversial points of doctrine cannot be ignored neither should they put up impenetrable walls between groups that are committed to the same essential Christian beliefs Calvinism A Southern Baptist Dialogue brings together new presentations from noted Southern Baptists including Daniel Akin Tom Ascol David Dockery Charles Lawless and Ed Stetzer that address misperceptions stereotypes and caricatures of the debate over Reformed theology Each strives to speak the truth in love and humility while seeking clarity in the presentation of the Gospel improving the health of our churches and seeking the kingdom of Christ above all Endorsements What do we have to agree on The doctrines of what it means for us to be lost and of how we are saved could not be more important This book explores how much we can disagree over these things and still work together If you care about both evangelistic cooperation and doctrinal integrity this book is a book for you Mark Dever pastor Capitol Hill Baptist Church and president of 9Marks org *The Power of Integrity* John MacArthur,1997-04-30 We live in a society that has largely abandoned moral standards and Christian principles Unkept campaign promises false advertising exaggerated tax exemptions employee theft compromise has become a way of life Such moral concession has even invaded the church Faced with an opportunity to proclaim Christ to unbelievers we feel intimidated and keep silent Or we water down God s Word on ethical issues at work or in our community to avoid rejection Too often we prefer hypocrisy to integrity But God longs for His people to be different to maintain a commitment to His standards no matter what the cost Is consistent obedience to God integrity attainable in this world of sin and self By the grace and power of God yes One of the nation s most respected pastors points the way to persevering character in Christ Drawing from scriptural examples of godly men who modeled integrity during severe testing MacArthur makes a compelling case for the impact a man or woman of integrity can have in our world A helpful study guide for individuals or groups is included **The Upper Room Dictionary of Christian Spiritual Formation** Keith Beasley-Topliffe,2017-02-01 This reference book compiled with the help of more than 50 scholars from many denominations provides a basic guide to Christian spiritual formation through more than 470 entries It covers such subjects as great spiritual teachers of the past and present important topics in Christian spirituality and ways to pray and lead groups in prayer and spiritual growth Containing enough information to get you started but not so many details as to overwhelm the entries in this dictionary answer such questions as What is spiritual formation What is grace How does it help me grow What is centering prayer How do I do it Who is Hildegard of Bingen What did she write How can I grow in forgiveness What are Fowler s stages of faith What are other ways of talking about stages of spiritual growth This dictionary also includes a chart that compares various Christian spiritual traditions plus a list of significant spiritual classics by title and author **Amazing Grace (Second Edition)** Timothy George,2011-01-05 The doctrine of God s grace has sparked some heated controversies in the history of the Christian church What are dispensations of grace Is grace really irresistible In *Amazing Grace* noted theologian Timothy George looks at some

of these debated questions Grounded in Scripture his insights continually draw the reader back to the fundamental truth of God's free and sovereign favor to ill-deserving sinners Originally written to address the Calvinism controversy brewing within the Southern Baptist Convention SBC this study was used in thousands of churches and study groups throughout the SBC and beyond Now this popular primer on the basic themes of Reformed theology has been updated and expanded Though written from George's Southern Baptist perspective the book's irenic tone appeals to a wide audience and shows how sound Reformed theology has taken root within several Reformation traditions

### *Understanding 5fold Ministry*

Stefan Sos, 2006-09

**Overwhelmed by Grace** Brian Anderson, 2008-10 Every Christian has been saved by God's grace but many believers have never grasped the glory of that grace Can God's grace be resisted Will it cause the believer to endure in faith How is it related to divine election Did Christ in His death have a particular group of people in mind Brian Anderson in *Overwhelmed By Grace* meets a widespread need for the doctrines of grace to be clearly simply and Biblically explained for all believers By the time you are done reading this book you may also be overwhelmed by grace Here is a well-reasoned readable Biblical explanation of the doctrines of grace Many Christians find these truths difficult to wrestle with and unfortunately there is a dearth of material that explains them well Too many who attempt the task get bogged down in philosophical and historical arguments before they ever deal clearly with the Biblical data Brian Anderson avoids that pitfall and focuses his energies instead on simply giving a clear and understandable presentation of what Scripture teaches I am very grateful for his wonderful straightforward and above all Biblical treatment of these crucial doctrines John F MacArthur Jr Pastor Grace Community Church Sun Valley California President Masters College and Masters Seminary Brian Anderson has written a solid readable engaging and very clear book for those who want to understand the nature of God's grace in the

salvation of the lost I warmly recommend it Dr John H Armstrong Founder and President Act 3 Brian Anderson served from 1990 to 2000 as the teaching pastor of a Bible church in Milpitas California Since that time he has been planting and overseeing house churches in Sonora California

**Edwards on the Christian Life** Dane Ortlund, 2014-08-31 Jonathan Edwards is widely hailed as the greatest theologian in American history In *Edwards on the Christian Life* Dane Ortlund invites us to explore the great eighteenth century pastor's central passion God's resplendent beauty Whether reflecting on the nature of love the preeminence of Scripture or the glory of the natural world the concept of beauty stood at the heart of Edwards's theology and permeated his portrait of the Christian life Clear and engaging this accessible volume will inspire you to embrace Edwards's magnificent vision of what it means to be a Christian enjoying and reflecting of the beauty of God in all things Part of the Theologians on the Christian Life series

Baptist Theology James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal

*High Calvinists in Action* Ian J. Shaw, 2003-02-06 This valuable contribution to the debate about the relation of religion to the modern city fills an important gap in the historiography of early nineteenth century religious life Although there is some evidence that strict doctrine led to a more restricted response to urban problems extensive local and personal variations mean that simple generalizations should be avoided Ian J Shaw argues against earlier prejudiced views and shows that high Calvinists played a vigorous and successful part in the response of early nineteenth century churches to the process of urbanization The study includes six substantial case studies of ministers and their churches in Manchester and London Four high Calvinist ministers are considered with two studies of ministers holding to an evangelical Calvinist doctrine also included to provide instructive contrasts Detailed social analysis of

the congregations is based upon extensive use of manuscript and printed sources sermons and local and denominational press

**A Rebel Saint** Philip Hill, 2022-05-26 Baptist Noel 1798 1873 has been described by the American Evangelical Anglican historian Grayson Carter as a towering figure in nineteenth century Evangelicalism but he has been written out of its story because he was a saintly rebel who counted a good conscience more valuable than a good standing This ultimately led him to abandon his glittering Anglican career and aristocratic family to become a Baptist minister A Rebel Saint is a comprehensive study of Noel s life work and thought correcting the neglect of his remarkable Anglican and Baptist ministries and his many years of prominence in Evangelical life Philip Hill ably illustrates his influence on issues including the Irvingite controversy the opposition to the Tractarian movement and Evangelical ecumenism and explains his centrality in the establishment of the Evangelical Alliance and the London City Mission Scholars of Evangelical history will greatly value this account of a pivotal figure while all will be inspired by his story of sacrifice of fame and fortune for the sake of obeying religious conscience
