Kelley USAF,2015-11-06 In theater combat crew replacement centers CCRC represented a brief but important stop for aircrews training as replacements for personnel lost in the European theater during World War II The Eighth Air Force s 496th Fighter Training Group operated a fighter CCRC at Goxhill England and illustrated the unique challenges and successes of the CCRC mission The 496th Fighter Training Group overcame maintenance shortfalls aircraft shortages and persistent morale issues to train more than 2 400 fighter pilots for combat duty in the Lockheed P 38 Lightning and North American P 51 Mustang   **American Headhunter** Kenneth Lloyd,2020-03-15 In an engaging screenplay style American Headhunter is based upon a true story the untold account of P 38 pilot Kenneth Lloyd Sr in WWII air combat in New Guinea Dutch East Indies and the Philippines The story captures the amazing transition of a young boy into a man to become one of the greatest generations The exciting story captures the boy s love for the P 38 fighter aircraft the first airplane to be developed by Clarence Kelly Johnson from the Skunk Works of Lockheed Aircraft Corporation Burbank California The young pilot also miraculously finds the love his life on a blind date on New Year s Eve 1943 You are there with this pilot in the air in the jungles cussing singing and fighting a relentless foe as well as his human insecurities and fears You will experience firsthand the true story of the fierce night air battle off the island of Mindoro Philippines December 26 1944 You will be mad sad but glad you read this story as told by the pilot s son in memory of his father   Fighters and Bombers of World War II ,   Smoky the Brave Damien Lewis,2018-12-04 The extraordinary touching true story of Smoky the smallest and arguably bravest dog of World War II In February 1944 as Japanese military advances threatened to overwhelm New Guinea a tiny four pound Yorkshire Terrier was discovered hiding in the island s thick jungles A total mystery as to her origins she was adopted by US Army Air Force Corporal William Bill Wynne an air crewman in a photo reconnaissance squadron becoming an irreplaceable lucky charm for the unit When Smoky saved Wynne s life by barking a warning of an incoming kamikaze attack he nicknamed her the angel from a foxhole Smoky s exploits continued when she jumped for the unit in a specially designed parachute and famously joined the aircrews flying daring sorties in the war torn skies But her most heroic feat was running a cable through a seventy foot pipe no wider than four inches in places to enable critical communication lines to be run across an airbase which had just been seized from the enemy saving hundreds of ground crew from being exposed to enemy bombing In recognition of her efforts Smoky was awarded eight battle stars Smoky the Brave brings to vivid life the danger and excitement of the many missions of World War II s smallest hero   Air Combat Robert F. Dorr,2007-11-06 In Air Combat veteran and military author Robert F Dorr has
