Transcendent Formation Adrian L. Van Kaam, 2003-01-01

Transcendent Formation Adrian L. Van Kaam, 1995

The human hunger for transcendence permeates every page of this exploration of the human condition. A systematic look at the present state of spiritual anthropology, it calls for a truly wholistic understanding of character and personality development. Dr. van Kaam makes it clear that what makes us distinctively human is our transcendence dynamic and he describes how our spiritual lives unfold.

Understanding Our Story Rebecca Letterman, Susan Muto, 2017-02-28. Understanding Our Story presents a concise introduction to the original transformative thinking of Adrian van Kaam. CSSp PhD 1920 2007. While many books are available on spiritual formation and Christian disciplines, no other author of our time has offered such a holistic and comprehensive explanation of Christian formation and its relationship to the human spirituality of all persons. Understanding our Story culls the most seminal ideas and vocabulary from van Kaam's eleven volumes on formation science, formation anthropology, and formation theology, and provides examples of his theoretical/practical research drawn from everyday life, Scripture, Christian writers, and van Kaam's life story itself. In doing so, it makes his extensive work available to scholars in the field of spiritual formation and gives all readers the opportunity to utilize his insightful thinking to more fully understand the myriad ways in which God reforms and transforms lives into the image of Christ. In the pluritraditional world in which we live, where so many faith and formation traditions demand our attention, van Kaam's formative spirituality provides a means of respectful dialogue with formationally relevant truths from others and of wise appraisal of ideas that are and are not conducive to and compatible with the Christian revelation.
