Light for the Journey Robert T. Gamba,2012-10 2ND PETER 1 19 And so we have the prophetic word confi rmed which you do well to take heed as a light that shines in a dark place There is a Light at the end of the tunnel However there is also a Light through the tunnel that can shine in the hearts of our understanding which will guide us safely through the darkness of ignorance to a place of peace security and confidence Although some may promise many things in the name of science and technology there is only one light ray of hope for eternity Even as medical research strives to prolong life it is a short lived hope For as the sand in the hourglass pours through the narrow opening so our earthly lives pour through the opening of time because our time here is measured Whether we face this fact or not these bodies are destined to die However our spirits do not but will live in the light of mercy or in the darkness of error for eternity Our days here are short and our time to leave could be nearer than we think so we should listen to the words of eternal truth We can easily listen to all the other voices of those that stumble in the blindness of doubt or we can follow the true Light of
