## **Forsaking The Family:**

*Forsaking the Family* Simon Parke, 2011-10 We all grow up somewhere No two families are the same but everyone experiences them in some way What everyone doesn't do however is consider the effect of these experiences on the person they become This lack of awareness can have significant consequences in their future relationships in the world *Forsaking the family* full of story and illustration starts by considering the surprising approach of Jesus to his own family in turns rude dismissive and warm His family values would hardly be applauded today The book then reflects on how we perceive understand and grow from our family experiences In his search for freedom Jesus sought always the truth even in the family and even at the expense of people's feelings He celebrated the good in family but would not collude in manipulative and negative behaviour from his nearest and dearest To what extent are we able to live in honest relationships How free can we be in relating Perhaps sometimes you have to leave the family to find it This is a book for those who want to come home

**Principles of Tantra ...** Shiva Chandra Vidyarnava Bhattacharya, 1916      New Testament Ethics Frank J. Matera, 1996-01-01 Neither Jesus nor Paul developed a formal ethical system yet each left a moral legacy that forms the core of New Testament ethics In this book Frank Matera examines the ethic found in the teachings of Jesus and Paul He explores the broad range of moral concerns found in these writings and finds an identifiable unity that underlies the ethical teachings of both      The Modern Version Incursion Ken Matto, 2018-04-10 I wrote *The Modern Version Incursion* because there is a need in the church for Christians to see plainly that the modern versions of the Bible are counterfeits God wrote one Bible not three hundred The Bible tells us plainly that God's word is forever settled in heaven as Psalm 119 89 teaches This means the word of God is established and firm in heaven The modern versions attack the cardinal doctrines of the Christian faith and especially attack the Lord Jesus Christ The modern versions are based on the second century Gnostic beliefs that were prevalent in Alexandria Egypt They disbelieved that Jesus was the Son of God and that He was not the incarnation of deity What is really unhealthy is when the pastor of a church pushes these counterfeits and convinces their congregation that they are the most accurate I sincerely desire Christians to look at their modern version and then compare it with the King James Bible and ask the question why is theirs so different We will look at 747 verses which should be more than enough to convince even the skeptic Christians will search out a neighborhood to live in check out a mutual fund or stock research a car before they buy but when it comes to Bibles they couldn't care less what they use It shows how Christian commitment is lacking and the weakness of modern Christianity attests to that fact If one uses a counterfeit they will be weak in their walk Since the 1901 ASV came out the church has become so weak it needs to be put on life support When you start making the comparisons in this book you will see that Christianity has been sold a bill of goods      **The Impossible Faith** James Patrick Holding, 2007-05 A Thesis So Explosive An Atheist Paid 5 000 for An Answer *The Impossible Faith* offers the proposition that Christianity could not have succeeded unless it had indisputable proof of the resurrection of Jesus Had there not been such

evidence Christianity would have been an impossible faith Using his seventeen years of experience in apologetics ministry the author will demonstrate the impossibility of Christianity in the eyes of the people of the first century and present an apologetic for Jesus resurrection Christians will be encouraged and emboldened by the message of The Impossible Faith realizing how firm a foundation they have in Christ Jesus Non Christians will be challenged to consider the truth of Christianity in a new light The arguments in this book are so powerful that one atheist paid over 5 000 for a response It is impossible to estimate the evangelistic impact that is possible because of The Impossible Faith James Patrick Holding is President of Tekton Apologetics Ministries one of the leading apologetics ministries on the Internet Tekton Apologetics Ministries was recommended by apologist and prominent author Lee Strobel on Hank Hanegraaff's The Bible Answerman in December 2001 Holding has written over 1700 articles for his ministry as well as articles for the Christian Research Journal and for the publications of Creation Ministries International He has also published The Mormon Defenders How Latter Day Saint Apologists Misinterpret the Bible He lives in Central Florida with his beloved wife and a very small very spoiled poodle

Kingdom Marriage Niecy, Dr Niecy, 2010-05 Happily Ever After Marriages only happen in fairy tales In Kingdom Marriage the goal is contentment which is peace and stability no matter what is going on Contentment is resting in Christ who has power over the chaos of life The level of contentment is directly proportionate to the level of commitment each spouse has to the covenant relationship of marriage Kingdom Marriage The Vow of Commitment looks into each marital vow and what they mean beyond the wedding ceremony The Family Test: A Field Guide to Obeying the Will of God for Your Life Jasmine Blair,

Intellectuals in Revolutionary China, 1921-1949 Hung-yok Ip, 2004-11-23 This book originally examines how prominent communist intellectuals in China during the revolutionary period 1921 to 1940 constructed and presented identities for themselves and how they narrated their place in the revolution Defending the Resurrection Ed James Patrick Holding, 2010-08 Did Jesus rise from the dead The question is one on which the truth of the Christian faith turns 1 Cor 15 If Jesus did not rise you may as well close down your church In this volume prominent Internet apologist James Patrick Holding and a team of Christian authors provide a series of essays defending the Resurrection as a historical event taking on criticisms from every angle from that which is scholarly to that which is plain lunacy With this book you'll be prepared to meet many of today's greatest challenges to the core event of the Christian faith Both the interested reader and especially the student of this subject should find many worthwhile discussions that are easily worth the price of the book
