Business After God's Heart William Parker, 2024-02-21 I have found David the son of Jesse a man after My heart Acts 13 22 Business leaders face perplexing challenges to succeed in the marketplace they make difficult decisions affecting the lives of their employees and they inspire their staff to give their best They experience triumphs and defeats elation and agony real wins and real losses And while the Bible doesn't give us a manual for business leadership it does give us a window into the heart after God's heart the heart of King David He faced similar challenges as a gifted tactician strategist and ruler and he was very far from perfect As David walked through his leadership challenges and his personal failures he communicated his heart in his psalms Many business leaders today apply the principles of the ancient Chinese general Sun Tzu from The Art of War to their business In fact legions of Sun Tzu devotees are out there applying the principles of a pagan conqueror to attack the marketplace for personal gain How much better to consider the brilliance of God's conqueror King David a man after His own heart David's psalms are poetic expressions of this heart Furthermore his psalms continue to be living and active Hebrews 4:12 as they are indeed part of the living and active Word of God for business leaders today No followers of Sun Tzu would dare to make such an amazing claim Business after God's Heart challenges the heart of the business leader to follow after the heart of God as it is revealed in the psalms of David And ultimately as the leader's personal engagement in business flows from this heart it will yield the fruit of Business after God's Heart **The Hunstman's Heart** Brittany

**O God, My Heart is Ready** Arthur Whiting, 1890 *Healing for the Heart* Peggy Holt, 2012-05 Cancer fibromyalgia and rheumatoid arthritis are just a few of the chronic illnesses that plague many Americans and Christians are not exempt Living with a serious illness is not easy The challenges extend far beyond the physical realm and maintaining a strong Christian testimony is difficult Growing in godliness and pleasing God do not come naturally In the midst of such complex challenges even the most mature Christians need help They need more than just shared life stories or practical tips for facing their disease They need more than poignant illustrations to inspire them or amusing anecdotes to make them laugh While each of these aspects is helpful what sufferers need most is the encouraging truth of the Bible Only the supernatural unchanging Word of God can give genuine comfort and effective help Healing for the Heart is a devotional designed for Christians who are serious about seeking God's help in their time of illness The entries are focused on Bible truths and are designed to

provide encouragement instruction and gentle challenge Strengthen your heart on a daily basis with this biblically based and compassionately shared truth      *Hollow Heart* Luke Italiano,2022-10-01 The hollow heart of depression echoes lies It whispers You re worthless This is no big deal If anyone knew who you really are you would be alone Give up This will never end Pastor Luke Italiano has long struggled with depression s lies In these pages he shows how depression is nothing new among God s people He points to the hope they had and the hope you have He presents ways to deal with depression in a Christian manner while still being realistic about the struggle ahead *Hollow Heart* is a handbook for any Christian struggling with depression as well as a guidebook for those who love someone with depression Here is hope Depression doesn t have you You have depression Jesus has you      **The Hardened Heart and Tragic Finitude** Dan O. Via,2012-11-05 This book has two main theses First for the biblical Christian doctrine of sin the root of the human problem is hardness of heart the corruption of the core self of the seat of understanding and will On the other hand for an important strand of Greek tragedy the root of human harm doing is the nonculpable blindness and anxiety of finitude that despite the initial nonculpability lead to evil and suffering *The Hardened Heart* shows that these two different interpretations of human existence are amenable to a degree of synthesis that leads to this conclusion hardness of heart and our ordinary finitude together collude to cause sin in its fullness The second thesis of this volume is that exegetical studies disclose a deconstructive strand in certain biblical texts that represents the finite world that God created as a source of distress and harm doing in something like the tragic sense This subdominant deconstructive position challenges the dominant biblical vision in which the creation came forth from God s creative word as good without qualification      *The Wall Around Your Heart* Mary E DeMuth,2013-10-22 Family members hurt us Friends betray us Fellow Christians deceive us But Jesus provides a path through the pain the Lord s Prayer In *The Wall Around Your Heart* Mary DeMuth shows you that you can reach wholeness and healing in the aftermath of painful relationships by following the road map of the Lord s Prayer You ll walk through story after story of hurt people who are led through biblical truth into amazing life sustaining joyful growth Life is hard People can be mean and petty and awful But they can also be amazing and beautiful and sacrificial God is good He is faithful You can trust him with your relationships He ll send people to call out what is hard in your heart Mary shares And that s a gift to you Allow God to access the wall around your heart Dare to say Tear down the bricks Lord whatever it takes Pray first Ask for bravery for yourself and for others Risk engaging despite your hurt Seek the shelter of Jesus You don t have to resign yourself to your wounds You can rise above the pain You ll usher in a new life an openhearted way of relating to others that expands the kingdom of God In the process you ll draw closer to Jesus be healed and become an agent of healing to others      **A Home for the Heart** Michael R. Phillips,2012 Corrie returns home to California after two years working as a reporter back East during the Civil War and begins to plan for her future by entering into an unusual contract with her prospective husband Christopher      *Heart and Head* D. Hopkins,2002-02-08 Faith hope and love embody the black theology of liberation a movement created by a group of African

American pastors in the 1960s who felt that Christ's gospel held a special message of liberation for African Americans and for all oppressed people Beginning with an intimate introduction Hopkins writes of his mother's death when he was nine and reveals that his father's love for the poor influenced him to become a Minister and to pursue a life of service which required a compassionate intellect and an intellectual compassion Hopkins asserts that in this post Civil Rights post affirmative action era that all people regardless of race must join together in forging a new common wealth Offering a detailed perspective on a new racial gender and economic democracy in the United States Hopkins illustrates that black theology can be the key to personal and global liberation
