Libros españoles en venta ,1988 El Libro español ,1982 **Reading Rio de Janeiro** Zephyr Frank,2016-01-06

Reading Rio de Janeiro blazes a new trail for understanding the cultural history of 19th century Brazil To bring the social fabric of Rio de Janeiro alive Zephyr Frank flips the historian s usual interest in literature as a source of evidence and instead uses the historical context to understand literature By focusing on the theme of social integration through the novels of Jos de Alencar Machado de Assis and Aluisio Azevedo the author draws the reader s attention to the way characters are caught between conflicting moral imperatives as they encounter the newly mobile capitalist urban society so different from the slave based plantations of the past Some characters grow and triumph in this setting others are defeated by it Though literature infuses this social history of 19th century Rio it is replete with maps graphs non fiction sources and statistical data and analysis that are the historian s stock in trade By connecting a literary understanding of the social problems with the quantitative data traditional historical methods provide Frank creates a richer and deeper understanding of society in 19th century Rio **Host Bibliographic Record for Boundwith Item Barcode 30112044669122 and Others** ,2013
