The Familiar Astrologer; an Easy Guide to Fate, Destiny and Foreknowledge; as Well as to the Secret ... Properties of Nature. By Raphael ,1831 *The Libertine's Friend* Giovanni Vitiello,2011-07-15 Delving into three hundred years of Chinese literature from the mid sixteenth century to the mid nineteenth *The Libertine's Friend* uncovers the complex and fascinating history of male homosexual and homosocial relations in the late imperial era Drawing particularly on overlooked works of pornographic fiction Giovanni Vitiello offers a frank exploration of the importance of same sex love and eroticism to the evolution of masculinity in China Vitiello's story unfolds chronologically beginning with the earliest sources on homoeroticism in pre imperial China and concluding with a look at developments in the twentieth century Along the way he identifies a number of recurring characters for example the libertine scholar the chivalric hero and the lustful monk and sheds light on a set of key issues including the social and legal boundaries that regulated sex between men the rise of male prostitution and the aesthetics of male beauty Drawing on this trove of material Vitiello presents a historical outline of changing notions of male homosexuality in China revealing the integral part that same sex desire has played in its culture

'Dearest Brother' Maurice Lee Jr,2010-12-13 This book provides the first detailed account of the course of Scottish politics in the reign of Charles II It focuses on the years from 1667 to 1673 when for the only time in the Restoration era Scottish political leaders were able to make policy for Scotland with minimal interference from London and with Scottish interests chiefly in mind The key players were the secretary of state John Maitland who was earl of Lauderdale and resident at court and his chief agent in Edinburgh John Hay earl of Tweeddale his first cousin who became his dearest brother when Tweeddale's son married Lauderdale's daughter A third indispensable member of the group was Sir Robert Moray their cousin by marriage King Charles's fellow chemist and close friend Together the three inaugurated a programme of reform which had some initial success but in the end foundered on political and personal disagreements Maurice Lee makes effective use of the unpublished correspondence of the three among themselves and with others in telling the melancholy tale of the regime of this triumvirate for the first time Was It Right to Forgive? Amelia E. Barr,2020-07-31 Reproduction of the original *Was It Right to Forgive* by Amelia E Barr **The Familiar Astrologer: and Easy Guide to Fate, Destiny, and Foreknowledge** Raphael,1841 The familiar astrologer, by Raphael Robert Cross Smith,1832 *Literary and Biographical Magazine, and British Review* ,1793 **The American Dream** Cal Jillson,2016-11-18 Life liberty and the pursuit of happiness these words have long represented the promise of America a shimmering vision of a fruitful country open to all who come learn work save invest and play by the rules In 2004 Cal Jillson took stock of this vision and showed how the nation's politicians deployed the American Dream both in campaigns and governance to hold the American people to

their program Full of startling ideas that make sense NPR's senior correspondent Juan Williams remarked Jillson's book offered the fullest exploration yet of the origins and evolution of the ideal that serves as the foundation of our national ethos and collective self image Nonetheless in the dozen years since Pursuing the American Dream was published the American Dream has fared poorly The decline of social mobility and the rise of income inequality to say nothing of the extraordinary social political and economic developments of the Bush and Obama presidencies have convinced many that the American Dream is no more This is the concern that Jillson addresses in his new book The American Dream In History Politics and Fiction which juxtaposes the claims of political social and economic elite against the view of American life consistently offered in our national literature Our great novelists from Nathaniel Hawthorne and Herman Melville to John Updike Philip Roth Toni Morrison and beyond highlight the limits and challenges of life the difficulty if not impossibility of the dream especially for racial ethnic and religious minorities as well as women His book takes us through the changing meaning and reality of the American Dream from the seventeenth century to the present day revealing a distinct sustained separation between literary and political elite The American Dream Jillson suggests took shape early in our national experience and defined the nation throughout its growth and development yet it has always been challenged even rejected in our most celebrated literature This is no different in our day when what we believe about the American Dream reveals as much about its limits as its possibilities
