The Battle  
of the Hook,  
Korea, 1953  
A.J. Barker

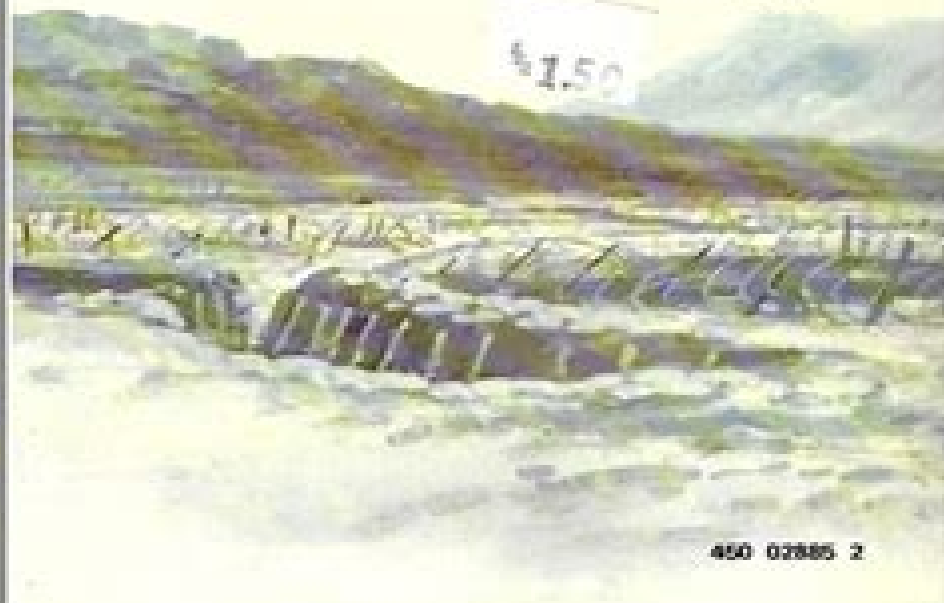

## The Battle of the Hook, Korea, 1953

For nearly fifteen days, in appalling conditions, the Commonwealth Division fought against the overwhelming odds of the Chinese Army. Repulsing wave after wave of ferocious and frenzied Communist attack, the British held out with such determination, skill, and bravery that the Chinese finally had to admit defeat.

*Fortune Favours the Brave* is a brilliantly documented and vivid account of the history surrounding the Battle of the Hook. It was perhaps the most important battle of the Korean War, and was certainly the best example of infantry warfare and classical set-piece strategy since the First World War. It was also probably the last.

*Fortune Favours the Brave* Arthur J. Barker, 1976      **Fortune Favours the Brave** A. J. Barker, 2001 Details two costly battles fought along a Korean ridge known as the Hook in 1952 and 1953 Both involved British infantry battalions of 29 Commonwealth Brigade the Black Watch Regiment and the Duke of Wellington's Regiment      *Fortune Favours the Brave-the Battle of the Hook Korea, 1953* A. J. Barker, 1974 All too little remembered today the Korean War was bitterly fought out under atrocious conditions of weather and terrain Greatly outnumbered by their Communist Chinese and North Korean enemy the United Nations forces fought with extraordinary resolve and gallantry The Hook the name given to a prominent ridge on the Peninsula saw more blood spilt than any other feature in this prolonged and grisly war Not surprisingly it became known as the bloody Hood The two costliest battles are described in detail in *Fortune Favours The Brave* a classic account of the war Both involved British infantry battalions of 29 Commonwealth Brigade In November 1952 The Black Watch saw off a major Chinese attack against all odds In May 1953 it was the turn of 1st Battalion The Duke of Wellington's Regiment to face what must have seemed an overwhelming onslaught Along a 1 000 yard front the greatest concentration of artillery fire since the Great War was brought to bear on Chinese human wave attacks In the morning the Dukes still held the ground despite heavy casualties This feat of arms achieved by battalion made up mainly of young National Servicemen from Yorkshire ranks among the finest in the long and glorious history of the British Army      **Fortune Favours the Brave** A. J. Barker, 1976      *Fortune Favours the Brave* A. J. Barker, 2021-11-30 The Hook a prominent ridge on the Korean Peninsula saw more blood spilt than any other feature in that grisly and intense war So much so that it was known as the bloody Hook The two costliest battles are told in detail in this military classic      *Fortune Favours the Brave* A.J. Edwards, 2010-06-10 The Korean War has often been regarded as a forgotten war although that is certainly unfair It was if anything a rather crucial war within

the ambit of the Cold War started by North Korea in 1950 and although the bulk of the fighting was over by 1954 peace has never been concluded and the two sides still face off over the demilitarized zone On the other side of the zone is South Korea which has since become a very prosperous and democratic country while North Korea has achieved relatively little So that war is certainly not forgotten by the Koreans And given the large number of deaths and casualties it is still remembered by many in the United States and other allies as well as China and the Soviet Union This Historical Dictionary of the Korean War now in its second edition does much to jolt our memory and inform us about the war This is done first in a lengthy chronology tracking the war but also the path to war and what happened after The introduction covers the war as a whole trying to make sense of it The dictionary section provides all of the necessary details on significant persons places and events battles and other engagements military units and material as well as the political economic and social background There are also maps and a list of acronyms This is really the ideal source for information in addition to which it also has an extensive bibliography

*A Revolutionary War* Elwood L. White, United States Air Force Academy. Library, 1992      The Korean War Paul Edwards, 2003-01-09 This historical dictionary of the Korean War is designed to provide brief but helpful information about all aspects of the war including units involved the United Nations political and military actions significant sites and operations and weapons use      Korean War Almanac Paul M. Edwards, 2006 Presents a comprehensive reference to American involvement in the Korean War including a chronology of major events biographical sketches related articles and a collection of maps      **Fight, Dig and Live** George L. Cooper, 2012-02-29 The Korean War which began with an unprovoked attack by North Korea in 1950 went on for three long years Over 100 000 soldiers of the United Nations forces including those of the Republic of Korea were killed and three times that number wounded United Kingdom casualties amounted to some 300 Officers and 4 000 Other Ranks The Royal Engineers deployed a Field Squadron to Korea in the Autumn of 1950 and this was expanded to a Regiment the following year Involved in fierce fighting the Sappers suffered grievous casualties including 42 killed and several hundred wounded Their gallantry was rewarded by numerous gallantry awards including two DSOs thirteen MCs one by the author eight MMs and the most distinguished of all a Distinguished Conduct Medal second only to the Victoria Cross It was a vicious war whose intensity never slackened and in the last two months alone the Communist artillery fired over 700 000 rounds against 4 7 million fired back by the United Nations The Royal Engineers were involved at all levels from patrols and minefields to defense works and providing support to all manner of operations such as transportation bridging and the important provision of postal services so vital for morale Inevitably though the focus in that of a war like Korea is often on sapper participation in the forward area where they were often involved in close quarter fighting with the enemy Sappers certainly lived up to the title of this book *Fight Dig and Live*      Canada and the Korean War Andrew Burtch, Tim Cook, 2024-05-01 Korea was the first hot war of the Cold War It was also Canada's most significant military engagement of the twentieth century following the two world wars Canada and the Korean War gathers leading

scholars to explore the key themes and battles of a seminal yet understudied conflict Canada had little stake and less interest in Korea before 1950 but the risk the conflict posed to the fragile postwar order was deemed too great for the country to stand on the sidelines Alongside their allies more than 30 000 Canadian service personnel fought a determined and skilled enemy The armistice that ended the war left Korea devastated and divided and it remains a dangerous hotspot today This timely collection synthesizes Canadian and international perspectives on a conflict that shaped not only the Canadian armed forces but also the evolving Canada Korea relationship In the process Canada and the Korean War sheds light on how the war has been framed and reframed in public memory      **Combined Operations in Peace and War** John Hixson, B. *In from the Cold* John Blaxland, Michael Kelly, Liam Brewin Higgins, 2020-03-05 Open hostilities in the Korean War ended on the 27th of July 1953 The armistice that was signed at that time remains the poignant symbol of an incomplete conclusion of a war that retains a distinct possibility of resuming at short notice So what did Australia contribute to the Korean War

from June 1950 to July 1953 What were the Australians doing there How significant was the contribution and what difference did it make What has that meant for Australia since then and what might that mean for Australia into the future Australians served at sea on land and in the air alongside their United Nations partners during the war They fought with distinction from bitterly cold mountain tops to the frozen decks of aircraft carriers and in dogfights overhead This book includes the perspectives of leading academics practitioners and veterans contributing fresh ideas on the conduct and legacy of the Korean War International perspectives from allies and adversaries provide contrasting counterpoints that help create a more nuanced understanding of Australia's relatively small but nonetheless important contribution of forces in the Korean War The book finishes with some reflections on implications that the Korean War still carries for Australia and the world to this day
