Secret Sharers in Italian Comedy Jackson I. with regard to the secret becomes a formal ingredient in the production The play more cynical than carnivalesque opens onto vistas of disruption and deception rather than closing on a note of renewed social harmony Cope s close and original readings of both classic and lesser known plays by Machiavelli Ruzante Cecchi Grazzini Fagiuoli Maggi and others follow this peculiarly Italian anti Plautine paradigm through variations across three centuries to its masterful and complex culmination in Carlo Goldoni s villeggiatura trilogy Establishing a new comedic canon that demands a revision of Italian dramatic history and the history of European dramatic theory Secret Sharers in Italian Comedy makes an important contribution to Italian studies and will also attract readers among theater scholars in English comparative literature and drama Fortune's Whisper Pasquale De Marco,2025-07-10 Embark on a captivating journey into the realm of fortune telling with this comprehensive guide Discover the secrets of fate and explore the diverse methods used to unveil the mysteries of the future From ancient practices like crystal gazing and rune casting to modern techniques such as tarot card reading and dream interpretation this book delves into the rich history and cultural significance of divination Uncover the fascinating stories behind renowned fortune tellers and explore the profound impact they have had on shaping the course of history Understand the psychology behind seeking guidance from the unseen and delve into the ethical considerations that arise from this practice Learn how to harness your intuition and inner wisdom unlocking your potential for self discovery and empowerment With its captivating writing style and in depth exploration of fortune telling methods this book offers a unique perspective on the human condition It provides valuable insights into our innate desire to understand our place in the universe and make sense of life s unpredictable nature Whether you are a seasoned practitioner or simply curious about the world of divination this book promises an enlightening and thought provoking journey Discover the secrets of fortune telling and unlock the limitless possibilities that lie within Explore the diverse methods used to unveil the mysteries of fate from ancient practices to modern techniques Delve into the rich history and cultural significance of divination and uncover the fascinating stories behind renowned fortune tellers Understand the psychology behind seeking guidance from the unseen and navigate the ethical considerations that arise from this practice Harness your intuition and inner wisdom unlocking your potential for self discovery and empowerment With its comprehensive coverage of fortune telling methods historical context and ethical considerations this book is an invaluable resource for anyone seeking to explore the world of divination Whether you are a seasoned practitioner or simply curious about the unknown this book promises an enlightening and thought provoking journey If you like this book write a review **FORTUNE'S SECRET CHILD** Shawna Delacorte,2012-12-17 On a sultry midnight eve Dr Shane Fortune came face to face with his past For his intruder was the woman he d once loved but foolishly let go Now Cynthia McCree and her son were his reluctant houseguests Her reasons for being under his roof were no secret But Shane knew that Cynthia was harboring a secret One that had to do with her son who bore an uncanny resemblance to him Confederates from Canada Ralph Lindeman,2023-10-02 Unable to achieve sustained military success in the Civil War
