## **Fortunes Bastard:**

Fortune's Bastard Robert Chalmers, 2007-12-01 A spontaneous seduction prompts a surreal chain of events in this raucous new novel This is a wry writhing tale about the forces that shape our fate Booklist After his highly popular Who's Who in Hell Robert Chalmers delivers his second novel a painfully funny story of disaster and redemption that recalls Katherine Dunn's Geek Love One morning Edward Miller tabloid newspaper editor and reactionary alpha male spontaneously seduces his temp in an office storeroom The news doesn't take long to reach his cold beautiful wife and it just happens to be their anniversary By morning his marriage is over his career in shambles and his house is on fire Clearly it's time to leave town After a brief stint in Spain as an English teacher Miller flees again when his cover is blown winding up in a Florida town populated by carnies and circus freaks and ruled with an iron fist by the Half Man a criminal and sadist with no legs Unexpectedly despite even a one-eyed albino hit man who seems to overhear every compromising conversation between Miller and the Half Man's wife the Lizard Woman Miller gradually realizes this may be where he belongs A brilliant ensemble black comedy and a touching statement on the redemptive power of love Fortune's Bastard confirms Robert Chalmers as one of Britain's freshest and wittiest new voices A novel of wonderful surprises an emotional see-saw that can be very funny very sad and very brutal This is a story about a love that shouldn't work at all but triumphs against the odds Michael Palin Monty Python alumnus

**Fortune's Bastard** Robert Chalmers, 2004 Edward Miller is a reactionary alpha male tabloid newspaper editor He wears his temper like a badge of honor would rather step over a homeless beggar than walk around him and engages in petty warfare with his staff over expense receipts He's also never been much bothered with monogamy but when one morning he spontaneously seduces his temp in an office storeroom he's definitely crossed a line in blatancy Miller has made few friends and many enemies not to mention the fact that the storeroom is a notorious trysting place and he and the temp both emerge covered in dust and airmail stickers so the news doesn't take long to reach his cold beautiful wife Conveniently it just happens to be their anniversary Imagine the celebratory dinner capped by her returning her house keys and consummating her desire to sleep with the neighbor Not a man to suffer rejection well Miller heads for a London media hangout where two employees introduce him to cocaine By morning his exploits are public a photographer captured him snorting the cocaine in public his career is over thanks to a damning interview he gave a journalist from a rival paper he's not only painted the word WANKER on the cuckolding neighbor's car but misspelled it and his house is on fire never leave a goodbye bonfire of wedding photos unattended Clearly it's time to leave town Miller has an engagement to speak to the boys at his old prep school but he can't seem to stop pouring gasoline on the fire that his life has become showing up hungover after a night partying with an old school friend and a gaggle of Spanish flight attendants and calling the headmaster by his behind the back nickname of Stiffo to the students for a start After the speech he speaks with his doctor and learns that his father in law plans to kill him Leigh the old school friend works for an English language school in Barcelona and Miller

wrangles its address out of him for he clearly can't go home. He gets the job and adapts surprisingly well to a life of an underpaid teacher despite the fact that some of his students will clearly never learn the language; there are hilarious scenes of their attempts in this section and even starts up a romance with a tough talking English girl who's one of his fellow teachers but he doesn't tell her who he really is when he has the opportunity and when she figures it out on her own she is livid and that bridge is burnt. To make matters worse his father-in-law's goons have tracked him down. Miller flees again winding up in Florida in a town populated by ex-circus freaks and presided over by the Half Man, a criminal and sadist with no legs who welcomes Miller to town by shoving a gun barrel in his mouth and breaking his teeth. But ironically it seems that despite the fleas in his trailer, the one-eyed albino hit man who seems to overhear every compromising conversation between Miller and the Half Man's beautiful wife, the Lizard Woman, and the fact that the Half Man's stranglehold on the local police mean that Miller isn't actually free to leave, it seems that Miller somehow belongs among the freaks. These misfits among them: a black dwarf, a gay clown with a penchant for altar boys, a heroin addict who is their unlicensed doctor, a biker hit man named Hollis after Grove's erstwhile publicist, and the Lizard Woman's wonderful eight-year-old daughter unwittingly teach Miller what normal life never could: how to love and how to stand up for something he truly believes in. When Miller's wife tracks him down and has him sign over the spoils of his old life to her, he gets enough money out of her to hire the albino to hit the Half Man. And though all certainly does not go smoothly with the hit, someone as vicious as the Half Man is unlikely to go quietly. Miller and the Lizard Woman are able to close that chapter and start a new life together.

**Elizabeth I, Fortune's Bastard** Richard Rex, 2003. Many biographies of Elizabeth merely perpetuate the flattery she enjoyed from her courtiers as if her dramatic repertoire was limited to the role of Gloriana. This biography also reflects more critical voices such as those of the Irish, the Catholics, and those who lived on the wrong side of the North-South divide. *Fortune Hunters* Cilka Zagar, 2012-12-05. *Fortune Hunters* is the second book in the series *Lovers and Ratters on the Opal Fields*. Lightning Ridge, the world's opal capital, has miners from over seventy countries; they brought with them political and religious beliefs, traditions, and memories. Gradually they blended into a unique society with a new culture, a new character, new morals, and ideals. Prospectors came to Lightning Ridge in search of the elusive rainbow gem that would make them instantly rich, loved, and respected. They found it hard to fit into the mainstream, but the mainstream remains a yardstick by which they measure their worth and their imperfect lives. Ratters are gem thieves who masquerade as prospectors; wait until a miner hits opal and then loot his mine. Ratting is the worst crime possible in the eyes of the Lightning Ridge opal mining community. Illegitimate Power Alison Findlay, 2024-07-30. In Renaissance Drama, the bastard is an extraordinarily powerful and disruptive figure. We have only to think of Caliban or of Edmund to realise the challenge presented by the illegitimate child. Drawing on a wide range of play texts, Alison Findlay shows how illegitimacy is encoded and threatened to deconstruct some of the basic tenets of patriarchal rule. She considers bastards as indicators and instigators of crises in early modern England, reading them in

relation to witch craft spiritual insecurities and social unrest in family and State The characters discussed range from demi devils unnatural villains and clowns to outstanding heroic or virtuous types who challenge officially sanctioned ideas of illegitimacy The final chapter of the book considers bastards in performance their relationship with theatre spaces and audiences Illegitimate voices Findlay argues can bring about the death of the author father and open the text as a piece of theatre challenging accepted notions of authority

**Shakespeare's Poems, 1640** William Shakespeare, 1885 **Berryman's Shakespeare** John Berryman, 2000-12-30 Edited by John Haffenden. With a Preface by Robert Giroux. John Berryman, one of America's most talented modern poets, was winner of the Pulitzer Prize for *77 Dream Songs* and the National Book Award for *His Toy His Dream His Rest*. He gained a reputation as an innovator whose bold literary adventures were tempered by exacting discipline. Berryman was also an active, prolific and perceptive critic whose own experience as a major poet served to his advantage. Berryman was a protégé of Mark Van Doren, the great Shakespearean scholar, and the Bard's work remained one of his most abiding passions; he would devote a lifetime to writing about it. His voluminous writings on the subject have now been collected and edited by John Haffenden.

**The Fortune Men** Nadifa Mohamed, 2021-12-14 BOOKER PRIZE FINALIST. Based on a true event, this novel is a blues song cut straight from the heart about the unjust death of an innocent Black man caught up in a corrupt system. Walter Mosley, best-selling author of *Devil in a Blue Dress*, set in Cardiff, Wales, in 1952. Mahmood Mattan, a young Somali sailor, is accused of a crime he did not commit: the brutal killing of Violet Volacki, a shopkeeper from Tiger Bay. At first Mahmood believes he can ignore the fingers pointing his way; he may be a gambler and a petty thief, but he is no murderer. He is a father of three, secure in his innocence and his belief in British justice. But as the trial draws closer, his prospect for freedom dwindles. Now Mahmood must stage a terrifying fight for his life, with all the chips stacked against him: a shoddy investigation, an inhumane legal system, and most evidently, pervasive and deep-rooted racism at every step. Under the shadow of the hangman's noose, Mahmood begins to realize that even the truth may not be enough to save him. A haunting tale of miscarried justice, this book offers a chilling look at the dark corners of our humanity. *The Bastard's World* V.B.

Kildaire, 2019-08-31. There is nothing Matthias Deverell, illegitimate son of a marquis, wants more than to remove the murmurs of treason that haunt his father's name. But when Nick meets Matthias, he is enthralled by the dark and dangerous bastard who could have stepped out of one of his novels.
