Napoleon's Shadow Wife James Conroyd Martin,2025-04-13 First Place Winner Chanticleer Int'l Book Awards Goethe Category Embark on a voyage through unconditional love power and betrayal How could an emperor like Napoleon Bonaparte be so captivated by the twenty year old Polish Countess Marie Walewska admittedly a rare beauty but of minor nobility that their affair would last through both his marriages And if it wasn't romance that first drew Marie to Napoleon what was it At just eight years old Marie finds her life forever changed by the death of her father killed in battle against the Russians This tragedy sparks a deep lifelong patriotism in her as Poland is fragmented and divided among Russia Prussia and Austria A fan of Napoleon since her school days Marie eagerly seizes the opportunity to meet him when he passes through the former Poland his intention to secure military support for his campaign to conquer Russia She seeks only to express Poland's gratitude and hope he would restore the nation's independence She never imagined a romantic entanglement But Napoleon taken with her patriotism youth and beauty soon sets his sights on her and begins a campaign to win her heart Though Marie resists powerful forces pressure her just as they had in her marriage to give in to the emperor's desires Expect to be immersed in Marie's world where love and loyalty collide amidst a galaxy of powerful aristocrats politicians and military leaders You'll journey from Marie's manor house on the plains of Poland to cosmopolitan Warsaw through grand palaces in Austria France and Italy before sailing to the Island of Elba where destiny awaits     *Outrageous Fortune* Joe Cleary,2007 Did Ireland produce a more radical and ambitious literature in the straitened circumstances of the first half of the twentieth century than it has managed to do since it began to modernize and become more affluent from the 1960s onwards Has Irish modernism ceded place to a prevailing naturalism that seems gritty and tough minded but that is aesthetically conservative

and politically self thwarted Does the fixation with de Valera s Ireland in recent narrative represent a necessary settling of accounts with a dark abusive history or is it indicative of a worrying inability on the part of Irish artists and intellectuals to respond to the very different predicaments of the post Cold War world These are some of the questions addressed in *Outrageous Fortune* Scanning literature theatre film and music Joe Cleary probes the connections between capital culture and criticism in modern Ireland He includes readings of James Joyce and the Irish modernists the naturalists Patrick Kavanagh John McGahern and Edna O'Brien and comments too on what he terms the neo naturalism of Marina Carr Patrick McCabe and Martin McDonagh He concludes with a provocative analysis of the cultural achievement of the Pogues

**The Occult Novels of Dion Fortune** Georgia van Raalte, 2025-01-28 This monograph explores the work of Dion Fortune one of the most prolific British occult authors of the interwar period and her claim that her books had an initiatory quality She held that reading her books and meditating on their contents could produce a lasting change in consciousness which in turn could lead to lasting changes in an individual s life This book aims to rehabilitate a figure largely forgotten by both the fields of

Literature and of Esotericism and proposes a framework for analysing initiatory fiction and the experience of fictional initiation The study presents a new avenue for research and theoretical perspective on literary texts from the Occult Revival as well as on famed modernist texts and more contemporary occult fiction Fortune, Fame, and Desire Sharon Hartman Strom,2016-09-19 In the middle decades of the nineteenth century a widening set of opportunities in the public sphere opened up for ambitious men and women in the loosely structured stratum of the middle class Much of the attention to the marketplace between 1820 and 1910 has described entrepreneurship and the beginnings of a more sophisticated economy but not much has been paid to the commodification of the self This book sets out to explore the promotion of the self in the rapidly growing economy and political flux of the nineteenth century Its geography extends through New England New York the new states of the Midwest and the great cities of the Mid Atlantic with an occasional trip to New Orleans San Francisco and Los Angeles The approach is biographical using representative middle class figures to illuminate cultural and social history Aided by more cheaply produced print and the clamor of the American public for entertainment both high and low brow the figures described in this book strove for fame sometimes achieved good fortune and acted out desires for sexual pleasure political success and achieving the ideal in society In doing so they questioned and rearranged the ideas of the early Republic Poised between the dying class structure of the late eighteenth century and the rise of a more hierarchical one in the early twentieth they took advantage of a society in flux to make their mark on American culture **FRANCES HODGSON BURNETT Ultimate Collection: 40+ Children's Books, Novels & Short Stories (Illustrated)** Frances Hodgson Burnett,2023-11-19 **FRANCES HODGSON BURNETT Ultimate Collection 40 Children s Books Novels Short Stories Illustrated** is a comprehensive collection showcasing the diverse talent of Frances Hodgson Burnett Known for her enchanting storytelling and vivid imagination Burnett s works take readers on mesmerizing adventures filled with rich characters and beautiful settings From timeless classics like *The Secret Garden* to lesser known gems this collection offers a satisfying blend of children s books novels and short stories that will captivate readers of all ages Burnett s literary style is characterized by its charming prose heartfelt themes and deep understanding of human emotions making her a beloved author in the world of literature Frances Hodgson Burnett a prolific writer known for her multifaceted storytelling drew inspiration from her own experiences and observations to create compelling narratives that resonate with readers Her ability to infuse magic and wonder into her stories has solidified her place as a prominent figure in children s literature Through her works Burnett transports audiences to whimsical worlds where imagination knows no bounds For readers seeking a delightful escape into the realms of imagination and heartwarming storytelling **FRANCES HODGSON BURNETT Ultimate Collection** is a must read With a diverse range of works accompanied by charming illustrations this collection serves as a tribute to Burnett s enduring legacy as a master storyteller Whether you re revisiting childhood favorites or diving into her lesser known works this collection offers something special for every reader **The Greatest Works of Frances Hodgson**
