Famous American Fortunes and the Men who Have Made Them Laura Carter Holloway, 1884 *Fortune's Fool* Terry Alford, 2015-03-17 With a single shot from a pistol small enough to conceal in his hand John Wilkes Booth catapulted into history on the night of April 14 1865 The assassination of President Abraham Lincoln stunned a nation that was just emerging from the chaos and calamity of the Civil War and the president s untimely death altered the trajectory of postwar history But to those who knew Booth the event was even more shocking for no one could have imagined that this fantastically gifted actor and well liked man could commit such an atrocity In *Fortune's Fool* Terry Alford provides the first comprehensive look at the life of an enigmatic figure whose life has been overshadowed by his final infamous act Tracing Booth s story from his uncertain childhood in Maryland characterized by a difficult relationship with his famous actor father to his successful acting career on stages across the country Alford offers a nuanced picture of Booth as a public figure performer and deeply troubled man Despite the fame and success that attended Booth s career he was billed at one point as the youngest star in the world he found himself consumed by the Confederate cause and the desire to help the South win its independence Alford reveals the tormented path that led Booth to conclude as the Confederacy collapsed in April 1865 that the only way to revive the South and punish the North for the war would be to murder Lincoln whatever the cost to himself or others The textured and compelling narrative gives new depth to the familiar events at Ford s Theatre and the aftermath that

followed culminating in Booth's capture and death at the hands of Union soldiers 150 years ago Based on original research into government archives historical libraries and family records Fortune's Fool offers the definitive portrait of John Wilkes Booth

In the Godfather Garden Richard Linnett, 2013-04-01 In the Godfather Garden is the true story of the life of Richie the Boot Boiardo one of the most powerful and feared men in the New Jersey underworld The Boot cut his teeth battling the Jewish gang lord Abner Longy Zwillman on the streets of Newark during Prohibition and endured to

become one of the East Coast's top mobsters his reign lasting six decades To the press and the police this secretive Don insisted he was nothing more than a simple man who enjoyed putting about in his beloved vegetable garden on his Livingston New Jersey estate In reality the Boot was a confidante and kingmaker of politicians a friend of such celebrities as Joe DiMaggio and George Raft an acquaintance of Joseph Valachi who informed on the Boot in 1963 and a sworn enemy of J Edgar Hoover The Boot prospered for more than half a century remaining an active boss until the day he died at the age of ninety three Although he operated in the shadow of bigger Mafia names across the Hudson River think Charles Lucky Luciano and Louis Lepke Buchalter a cofounder of the Mafia killer squad Murder Inc with Jacob Gurrah Shapiro the Boot was equally as brutal and efficient In fact there was a mysterious place in the gloomy woods behind his lovely garden a furnace where many thought the Boot took certain people who were never seen again Richard Linnett provides an intimate look inside the Boot's once powerful Mafia crew based on the recollections of a grandson of the Boot himself and complemented by never before published family photos Chronicled here are the Prohibition gang wars in New Jersey as well as the murder of Dutch Schultz a Mafia conspiracy to assassinate Newark mayor Kenneth Gibson and the mob connections to several prominent state politicians Although the Boot never saw the 1972 release of *The Godfather* he appreciated the similarities between the character of Vito Corleone and himself so much so that he hung a sign in his beloved vegetable garden that read *The Godfather Garden* There's no doubt he would have relished David Chase's admission that his muse in creating the HBO series *The Sopranos* was none other than Newark's erstwhile Boiardo crew

The Poet's Time Warren L. Chernaik, 1983-02-10 This book unites the disciplines of literature and history in an attempt to set the writings of Andrew Marvell in their seventeenth century context of revolutionary upheaval and counter revolution Marvell is seen as a representative figure illustrating the problems the intellectual inevitably faces when he enters the political arena Dr Chernaik traces the evolution of Marvell's writings from

impartiality to political engagement under the pressure of events He shows in the earlier part of the book how both An Horatian Ode and Upon Appleton House two of the greatest political poems in the English language written during the unsettled period of the Commonwealth are complex works of historical analysis which present the problem of the choices facing men at a given historical moment However after the collapse of Puritan hopes at the Restoration Marvell moves towards a literature of commitment Throughout his writings Chernaik argues Marvell is both a Puritan and a wit a fastidious ironist and a moralist like his friend Milton *Performing Early Modern Trauma from Shakespeare to Milton* Thomas Page Anderson,2006 An examination of political and cultural acts of commemoration this study addresses the connection of representation of violence in literary works to historical traumas such as royal death secularization and regicide Incorporating contemporary theories of trauma Thomas Anderson here analyzes works by Shakespeare Marlowe Webster Marvell and Milton By interrogating the difficulty in representing historical crises in poetry drama and political prose Anderson demonstrates how early modern English identity is the fragile product of an ambivalent desire to flee history
