Forty Acres And A Goat:

Forty Acres and a Goat Will D. Campbell, 1986 *Forty Acres and a Goat* Will D. Campbell, 1986 Describing himself as a steeple dropout and a bootleg preacher who also works as a freelance civil rights activist Will D Campbell has earned a notable place among America's favorite storytellers Detailing his harrowing exploits during the racially charged 1960s as a liberal white man of God this memoir brilliantly describes Campbell's attempt to live a spiritual life in a time of mistrust racial intolerance and violence Despite such a dire backdrop Campbell serves as a guide through the events with his patented humor and poignancy In one instance he notes that black Muslims protected the grand dragon of the KKK in an upstate New York prison demonstrating the contradictions and strange circumstances that bring people together **Will Campbell** Merrill M. Hawkins, 1997 These endeavors involved an expanded interest beyond civil rights for African Americans in an effort to have a comprehensive approach to all human suffering This broadened awareness included concern for the poor whites of the South as well as other victims including such different groups as prisoners and women as discriminated minorities **BOOK JACKET** Campbell is also known for his writings both fiction and non fiction **BOOK JACKET** *Crashing the Idols* Will D. Campbell, Richard C. Goode, 2010-04-01 If prophets are called to unveil and expose the illegitimacy of those principalities masquerading as the right and purportedly using their powers for the good then Will D Campbell is one of the foremost prophets in American religious history Like Clarence Jordan and Dorothy Day Campbell incarnates the radical iconoclastic vocation of standing in contraposition to society naming and smashing the racial economic and political idols that seduce and delude Despite an action packed life Campbell is no activist seeking to control events and guarantee history's right outcomes Rather Campbell has committed his life to the proposition that Christ has already set things right Irrespective of who one is or what one has done each human being is reconciled to God and one another now and forever History's most scandalous message is therefore Be reconciled because once that imperative is taken seriously social constructs like race ethnicity gender and nationality are at best irrelevant and at worst idolatrous Proclaiming that far too many disciples miss the genius of Christianity's good news the kerygma of reconciliation this Ivy League educated preacher boldly and joyfully affirms society's so called least one cultivating community with everyone from civil rights leaders and Ku Klux Klan militants to the American literati and exiled convicts Except for maybe the self righteous none is excluded from the beloved community For the first time in nearly fifty years Campbell's provocative *Race and Renewal of the Church* is here made available Gayraud Wilmore called Campbell's foundational work an unsettling reading experience but one that articulates an unwavering confidence in the victory which God can bring out of the weakness of the church **Writings on Reconciliation and Resistance** Will D. Campbell, 2010-01-01 If prophets are called to unveil and expose the illegitimacy of those principalities masquerading as the right and purportedly using their powers for the good then Will D Campbell is one of the foremost prophets in American religious history Like Clarence Jordan and Dorothy Day Campbell incarnates the radical

iconoclastic vocation of standing in contraposition to society naming and smashing the racial economic and political idols that seduce and delude In this anthology Campbell diagnoses a problem afflicting much of the church today Zealous to make a difference in the world by acquiring the power of legislation and enforcement Christians employ society's political science rather than the scandalous politics of Jesus Although well intentioned Christians are Campbell laments mistakenly up to our steeples in politics Campbell's prescription is for disciples simply to incarnate the reconciliation that Christ has achieved Rather than crafting savvy strategies and public policies Do nothing Campbell counsels Be reconciled Yet his encouragement to do nothing is no endorsement of passivity or apolitical withdrawal Rather Campbell calls for disciples to give their lives in irrepressible resistance against all principalities and powers that would impede or deny our reconciliation in Christ an unrelenting prophetic challenge leveled especially at institutional churches as well as Christian colleges and universities In sermons difficult to access journal articles and archival manuscripts Campbell then develops what reconciliation looks like Being the church for example means identifying with and advocating for society's least one including violent offenders disenfranchised minorities and even militant bigots In fact in Campbell's o
