## **Forty Days To Jerusalem:**

Forty Days to Jerusalem Dean E. Simmons, 2005-02-01 Forty Days To Jerusalem Come journey with me as I follow the footsteps of Jesus during His final days on this side of Heaven Share with me as we explore each historical encounter reflecting on the significance of each as it relates to his purpose breaking down barriers The Christ of the 40 Days A. B. Simpson, 2014-02-04 The heartbreaking events of Good Friday did not signal the end of Jesus Christ's ministry to His disciples far from it His resurrection on Easter morning was the beginning of a unique and significant time in His ministry on earth For the next forty days until His glorious ascension to heaven Jesus appeared many times to His followers During this remarkable period He taught them about the kingdom of God and explained the requirements of discipleship His own divine nature and the power they would soon receive to expand the kingdom of God into all the world Mark 16:15 Today we can experience that same power to accomplish God's work Those forty days were a link between heaven and earth that is a pattern for us As we walk with the resurrected Christ we discover how to reproduce His life in our own experience and we gain a new sense of His glorious reality and continual presence with us day by day Just before His ascension Jesus promised to be with us all the days even to the end of the age Relive those forty days with Christ following the risen Lord to a higher place of spiritual life and victory *The Holy Week and the Forty Days*, 1879 **Forty Days of Grace** Laurin Wenig, 1996 Using the dual theme of hearing the word of God and working toward a change of heart Wenig develops a crescendo as he works through the readings of the days and weeks of Lent to the passion and Easter 40 Days and 40 Nights Ilene Segalove, 2009-03-17 Doing something for 40 days can make or break a habit Throughout history 40 days has been known as a sacred period of time and is often referred to in the Bible and ancient scriptures as the length of time required for enacting change This interactive journal helps readers dedicate a manageable but inspired time and space for conscious growth
