Forty Deuce A Play:

Forty-deuce Alan Bowne,1983-01-01 Forty-deuce Alan Bowne,1983 **Contemporary Gay American Poets and Playwrights** Emmanuel S. Nelson,2003-06-30 Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne Timothy Liu and Robert O Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes an overview of the author s critical reception and primary and secondary bibliographies The Circuit Rowan Ricardo Phillips,2025-06-25 Winner of the 2019 PEN ESPN Award for Literary Sports Writing The Circuit is the best sports book I ve read in years maybe ever Rich Cohen author of The Chicago Cubs and Monsters As sports writing goes The Circuit is unusual in the very best way Rowan Ricardo Phillips writes with such fluidity and packs the book with bursts of brilliance This is a compulsively readable guide to one truly Homeric year of professional tennis John Green author of The Fault in Our Stars An energetic lyrical genre defying account of the 2017 tennis season In The Circuit A Tennis Odyssey the award winning poet and Paris Review sports columnist Rowan Ricardo Phillips chronicles 2017 as seen through the unique prism of its pivotal revelatory and historic tennis season The annual tennis schedule is a rarity in professional sports in that it encapsulates the calendar year And like the year it s divided into four seasons each marked by a final tournament the Grand Slams Phillips charts the year from winter s Australian Open where Roger Federer and Rafael Nadal renewed their rivalry in a match for the ages to fall s U S Open Along the way Phillips paints a new vibrant portrait of tennis one that captures not only the emotions nerves and ruthless tactics of the point by point game but also the quicksilver movement of victory and defeat on the tour placing that sense of upheaval within a broader cultural and social context Tennis has long been thought of as an escapist spectacle a bucolic separate bauble of life The Circuit will convince you that you don t leave the world behind as you watch tennis you bring it with you **Gay and Lesbian American Plays** Ken Furtado,Nancy Hellner,1993 Documenting the explosion of contemporary gay and lesbian theater this bibliography provides a single reference for American gay and lesbian plays playwrights and companies containing listings for more than 700 plays whose primary characters or themes are gay or lesbian In addition to authors titles and synopses the entries include information about acts characters settings and music

Appendices provide data on how the plays can be obtained a list of theaters that produce works with gay lesbian themes names and addresses of playwrights and agents a list of related references and a matrix for the quick location of plays that meet certain criteria Indispensable for repertory companies producers directors actors and scholars **Sex and Isolation** Bruce Benderson,2007-10-02 Winner of France s 2004 Prix de Flore for his memoir The Romanian Story of an Obsession Bruce Benderson has gained international respect for his controversial opinions and original take on contemporary society In this collection of essays Benderson directs his exceptional powers of observation toward some of the most debated as well as some of the most neglected issues of our day In Sex and Isolation readers will encounter eccentric street people Latin American literary geniuses a French cabaret owner a transvestite performer and many other unusual characters they ll visit subcultures rarely described in writing and be treated to Benderson s iconoclastic opinions about culture in former and contemporary urban society Whether proposing new theories about the relationship between art entertainment and sex analyzing the rise of the Internet and the disappearance of public space or considering how religion and sexual identity interact each essay demonstrates sharp wit surprising insight and some startling intellectual positions This is the first American volume of Benderson s collected essays featuring both new work and some of his best known writings including his famous essay Toward the New Degeneracy Outstanding University Press Book selection Foreword Magazine Love Game Elizabeth Wilson,2016-05-06 A journey through the history culture and mystique of tennis from an original and provocative mind The Wall Street Journal If you ve watched Rafael Nadal spin a forehand at 4000 rpm Maria Sharapova arabesque out of a serve Serena Williams utterly destroy a short ball or Roger Federer touch a volley into an impossibly angled winner you know how exciting tennis can be This book reveals the long history and unique culture behind the sport With a penchant for tennis s inherent drama historian Elizabeth Wilson finds its core a psychological face off between flamboyant personalities navigating the ebbs and flows of fortune in the confines of a 78 x 36 foot box whether of clay grass or DecoTurf Walking the finely kempt lawns of Victorian England she shows how tennis s early role as a social pastime that included both men and women and thus lots of sexual tension set it apart from most other sports and their dominant masculine appeal Even today when power and endurance are more important than ever tennis still demands that the body behave gracefully and with finesse In this way Wilson shows tennis has retained the vibrant spectacle of human drama and beauty that have always made it special not just to sports fans but to popular culture Telling the stories of all the greats from the Renshaw brothers to Novak Djokovic and of all the advances from wooden racquets to network television schedules Wilson offers a tennis book like no other keeping the court square in our sights as history is illuminated around it A sporting history unlike any I ve read one that in its sophistication and thoughtfulness shows up the hollowness of most other accounts Observer For the Gay Stage Drewey Wayne Gunn,2017-06-02 Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London s West End This comprehensive guide goes well beyond these earlier studies by

introducing productions from Off Broadway from regional theaters in the U S and U K and from Ireland Canada Australia New Zealand and South Africa Also included are Puerto Rican Indian and Filipino plays written in English as well as translations from other languages Well over half of the works discussed here appear for the first time in such a study
