Forty Years Of Parish Life And Work:

The Hellhound of Wall Street Michael Perino, 2010-10-14 A gripping account of the underdog Senate lawyer who unmasked the financial wrongdoing that led to the Crash of 1929 and forever changed the relationship between Washington and Wall Street In *The Hellhound of Wall Street* Michael Perino recounts in riveting detail the 1933 hearings that put Wall Street on trial for the Great Crash Never before in American history had so many financial titans been called to account before the public and they had come within a few weeks of emerging unscathed By the time Ferdinand Pecora a Sicilian immigrant and former New York prosecutor took over as chief counsel the investigation had dragged on ineffectively for nearly a year and was universally written off as dead *The Hellhound of Wall Street* provides a minute by minute account of the ten dramatic days when Pecora turned the hearings around cross examining the officers of National City Bank today s Citigroup particularly its chairman Charles Mitchell one of the best known bankers of his day Mitchell strode into the hearing room in obvious disdain for the proceedings but he left utterly disgraced Pecora s rigorous questioning revealed that City Bank was guilty of shocking financial abuses from selling worthless bonds to manipulating its stock price Most offensive of all was the excessive compensation and bonuses awarded to its executives for peddling shoddy securities to the American public Pecora became an unlikely hero to a beleaguered nation The man whom the press called the hellhound of Wall Street was the son of a struggling factory worker Precocious and determined he became one of New York s few Italian American lawyers at a time when Italians were frequently stereotyped as anarchic criminals The image of an immigrant lawyer challenging a blue blooded Wall Street tycoon was just one more sign that a fundamental shift was taking place in America By creating the sensational headlines needed to galvanize public opinion for reform the Pecora hearings spurred Congress to take unprecedented steps to rein in the freewheeling banking industry and led directly to the New Deal s landmark economic reforms A gripping courtroom drama with remarkable contemporary relevance *The Hellhound of Wall Street* brings to life a crucial turning point in American financial history

ChurchMoney Michael White, Tom Corcoran, 2019-09-13 There is a secret formula to help convince parishioners to give financially to your church It s pretty simple Just ask them And when you do make sure it s not about the money In *ChurchMoney* Rev Michael White and Tom Corcoran award winning authors of the bestselling book *Rebuilt* will help you learn the basic skills you need to discover that true success in raising funds comes from the incredibly freeing approach that connects giving to discipleship The two share stories of success and failure during their twenty years leading the Church of the Nativity in Timonium Maryland They tell you what they learned to meet the real financial challenges of their mission And they offer the practical wisdom and inspiration you need to tackle the thorny matter of raising money in your Catholic parish

So if giving isn't about the money what is it about Giving is about loving God and serving him loving others and helping them fall in love with their Savior transforming the world little by little through love and the eternal impact we can and need to make with money White and Corcoran contend that giving actually glorifies God and attracts others to the Church Over and over again in scripture they point out you'll find the same simple point Giving gladly serves as a key ingredient to the Church's growth from its very beginning White and Corcoran share the lessons facts habits and great ideas they've implemented from some of the most successful and vibrant churches in the United States ChurchMoney offers a proven plan for raising money in parishes It's readily adaptable firmly rooted in the reality of leading a Catholic parish based on the Bible and finessed with the best advice of communication professionals You will read stories of embarrassing failure and exhilarating success in tripling a budget and running three extraordinarily successful capital campaigns over a ten year period including a recent campaign leading to the construction of 16 million sanctuary built debt free White and Corcoran have increased staff fourfold and significantly raised salaries and increased staff benefits while expanding mission outreach both locally and internationally
