In the Name of Purpose Tamara Hartzell,2007-01-23

Theology at the Eucharistic Table Jeremy Driscoll,2003 Dom Jeremy Driscoll offers a fresh approach both to theology and to the eucharistic celebration itself He sets forth and develops here a method for the tasks of academic theology inspired by the eucharistic rite There are studies of the foundational role of the liturgy for conceiving the identity of fundamental theology a proposal for developing a curriculum on the basis of the shape of the eucharistic rite historical studies on the relationship between liturgy and doctrine and suggestions for

catechesis preaching and eucharistic adoration Dom Jeremy writes for virtually all of my life as a monk and a theologian and already from the time when I was a student have found ongoing inspiration for my work in the regular celebration of the eucharist To come back to it again and again no matter from what particular theme I may have been studying was to enter a context in which whatever I had learned was secured and deepened at a new level a context in which I could enter the adoration that helped me express my love for what I was learning To celebrate eucharist often confirmed what I had learned not directly but by means of signs symbols ritual action and a different kind of language Jeremy Driscoll was born in Moscow Idaho USA and has been a Benedictine monk of Mount Angel Abbey in Oregon since 1973 Author of three books and fifteen scholarly articles on Evagrius Ponticus and related aspects of Egyptian monasticism he has also written widely on liturgical questions He teaches at Mount Angel Seminary and at the Pontifical Atheneum of Saint Anselmo in Rome

Securing Life Robert P. Vande Kappelle, 2016-06-02 *Securing Life* represents a novel yet timely approach to reading and understanding the Bible While reverence for the Bible and respect for its authority remain high in our society biblical illiteracy misinterpretation and selective reading place us at risk The Bible seems to have a conserving effect on conservative readers a moderating effect on moderate readers and a liberating effect on liberal readers Do biblical texts contain conserving and liberating messages simultaneously Should biblical texts be limited to specific meaning and perspective acceptable by all or do they contain multiple levels of meaning While this book addresses these questions it does not approach the Bible as an answer book but rather as a collection of books multifaceted in nature its enduring purpose being to provide us with perspective for living faithfully and fully through the stages and seasons of our lives in harmony with God nature others and self Rather than starting chronologically with creation followed by accounts of the patriarchs the exodus the conquest and the monarchy this book follows a compositional approach used by the Yahwist an unknown author in Judea who composed Israel's first religious epic Like the Yahwist this book moves backward from Covenant through Community to Creation but because it includes the New Testament it moves forward to New Covenant through New Community to New Creation A chapter is devoted to each topic These motifs are preceded by five preparatory chapters three dealing with introductory matters one with biblical theology the doctrine of God and one with biblical anthropology the doctrines of sin and salvation Utilizing the contributions of three disciplines biblical introduction biblical theology and biblical interpretation Dr Vande Kappelle demonstrates that the Bible like religion in general has both a conserving and liberating effect providing perspective for formation and for transformation

40 Days of Transformation Frank Anderson, 2018-03-12 Transformation will happen to all of us at some point in our lives Transformation comes from the decisions one makes One can decide to transform or be forced to transform depending on the situation I grew up seeing myself one way I had my own mind and my own way and did not consider or think differently When looking in the mirror the person I saw was not who God created me to be When He opened my eyes I began to transform into who He created me to be I realized after giving my life to Jesus that I had to seek after Him to
