**Forty Hadith Qudsi** IDP Research Division, 2018-04-26 The Forty Hadeeth Qudsi known as Sacred Hadeeth in English is widely regarded as the most popular anthology and the best introduction to the study of the Prophet's sayings. The Ahadeeth summarize the teachings of Islam concentrating on the following areas: affirmation of the doctrine of Tawheed and understanding Allah SWT in all His attributes; the significance of the five pillars of Islam; attainment of virtue; self-sacrifice for the cause of Allah; and preparation for the Day of Judgement. The Hadeeth Qudsi have a particularly important status because their meaning is entirely from Allah while the wording is that of the Prophet Muhammad himself. Among the many definitions given by the early scholars of Islam is that of As Sayyid Ash Shareef Al Jurjani, died 816 A.H. in his lexicon *At Tarifat* where he says: A Sacred Hadeeth is as to the meaning from Allah the Almighty, as to the wording it is from the Messenger of Allah. It is that which Allah the Almighty has communicated to His Prophet through Revelation or in a dream and he has communicated it in his own words. So these are the sayings of the Prophet divinely communicated to him. The present collection has been compiled from all the available books of Hadeeth. The forty chosen here are well authenticated and present many of the doctrinal, devotional and ethical elements of Islam. The present collection has been compiled from all the available books of Hadith. The forty chosen are all well authenticated and present many of the doctrinal, devotional and ethical elements of Islam. A scholarly introduction deals fully with the subject and shows the way in which Sacred Hadith differ from the Holy Qur'an and Prophetic Hadith. The selections and translations have been made by two scholars whose previous translation of an Nawaw's Forty Hadith gained wide approval for its accuracy and readability. The present book a companion volume to an Nawaw's Forty Hadith has been printed in similar format with the original Arabic text given alongside the English translation.
