Foucault And Augustine:

Foucault and Augustine J. Joyce Schuld, 2003 Using Augustine as a conversation partner this text explores the value of Michel Foucault's controversial writings for theologians ethicists philosophers and cultural theorists It demonstrates the possibilities and difficulties of applying Foucault's social criticisms within Christian contexts **The Culture of Confession from Augustine to Foucault** Chloe Taylor, 2010-05-26 This book is a genealogical study of confession Drawing on the work of Michel Foucault as well as the history of Western confessional writings from Ancient Greece to contemporary pop culture this book challenges the transhistorical and commonsense views of confession as an innate impulse resulting in the psychological liberation of the confessing subject On the contrary confessional desire is argued to be contingent and constraining and alternatives to confessional subjectivity are explored *The Culture of Confession from Augustine to Foucault* Chloe Taylor, 2010-05-26 Drawing on the work of Foucault and Western confessional writings this book challenges the transhistorical and commonsense views of confession as an innate impulse resulting in the psychological liberation of the confessing subject Instead confessional desire is argued to be contingent and constraining and alternatives to confessional subjectivity are explored **Michel Foucault and Theology** James Bernauer, 2017-03-02 Whilst Foucault's work has become a major strand of postmodern theology the wider relevance of his work for theology still remains largely unexamined Foucault both engages the Christian tradition and critically challenges its disciplinary regime Michel Foucault and Theology brings together a selection of essays by leading Foucault scholars on a variety of themes within the history thought and practice of theology Revealing the diverse ways that the work of Michel Foucault 1926-1984 has been employed to rethink theology in terms of power discourse sexuality and the politics of knowledge the authors examine power and sexuality in the church in late antiquity Castelli Clark Schuld raise questions about the relationship between theology and politics Bernauer Leezenberg Caputo consider new challenges to the nature of theological knowledge in terms of Foucault's critical project Flynn Cutrofello Beadoin Pinto and rethink theology in terms of Foucault's work on the history of sexuality Carrette Jordan Mahon This book demonstrates for the first time the influence and growing importance of Foucault's work for contemporary theology *Augustine and Kierkegaard* Kim Paffenroth, John Doody, Helene Tallon Russell, 2017-09-20 This volume is a continuation of our series exploring Saint Augustine's influence on later thought this time bringing the fifth century bishop into dialogue with 19th century philosopher theologian social critic and originator of Existentialism Soren Kierkegaard The connections contrasts and sometimes surprising similarities of their thought are uncovered and analyzed in topics such as exile and pilgrimage time and restlessness inwardness and the church as well as suffering evil and humility The implications of this analysis are profound and far reaching for theology ecclesiology and ethics *Augustine and Contemporary Social Issues* Paul L. Allen, 2022-07-27 This book focuses on applying the thought of Saint Augustine to address a number of persistent 21st century socio political issues Drawing together Augustinian ideas such as concupiscence virtue vice habit and

sin through social and textual analysis it provides fresh Augustinian perspectives on new yet somehow familiar quandaries The volume addresses the themes of fallenness politics race and desire It includes contributions from theology philosophy and political science Each chapter examines Augustine's perspective for deepening our understanding of human nature and demonstrates the contemporary relevance of his thought

Foucault and Theology Jonathan Tran, 2011-06-16 Near the end of his life Michel Foucault turned his attention to the early church Fathers He did so not for anything like a return to God but rather because he found in those sources alternatives for re-imagining the self And though Foucault never seriously entertained Christianity beyond theorizing its aesthetic style one might argue that Christian practices like confession or Eucharist share family resemblances to Foucaultian sensibilities This book will explain how to do theology in light of Foucault or more precisely to read Foucault as if God mattered Therefore it will seek to articulate practices like confession prayer and so on as techniques for the self situate the church as politics within present constellations of power disclose theological knowledges as modes of critical intervention or what Foucault called archaeology and conceptualize Christian existence in time through mnemonic practices of genealogy

Religion and Culture Michel Foucault, 2013-09-13 First Published in 1999 Postmodern theorist Michel Foucault is best known for his work on power knowledge and on the regulation of sexuality in modern society Yet throughout his life Foucault was continually concerned with Christianity other spiritual movements and religious traditions and the death of God and these themes and materials scattered are throughout his many writings Religion and Culture collects for the first time this important thinker's work on religion religious experience and society Here are classic essays such as The Battle for Chastity alongside those that have been less widely read in English or in French Selections are arranged in three groupings Madness Religion and the Avant Garde Religions Politics and the East and Christianity Sexuality and the Self Fragments of an Unpublished Volume Ranging from Foucault's earliest studies of madness to Confessions of the Flesh the unpublished fourth volume of his History of Sexuality his final thoughts on early Christianity Religion and Culture makes Foucault's work an indispensable part of contemporary religious thought while also making an important link between religious studies and cultural studies

Witness to Dispossession Tom Beaudoin, 2008 Tom Beaudoin's first book Virtual Faith celebrated the spiritual quest of Generation X and established his reputation as one of the most astute critics of contemporary faith and culture In this collection of essays he reflects on the task and purpose of theology in a post modern age Beaudoin sketches a view of the theologian as a witness to dispossession This dispossession involves the letting go of status and power but also the comfortable certainties of the past Book jacket

Augustine's Problem Jeff Nicoll,2016-06-03 Augustine s Problem provides a new approach to St Augustine s life and doctrine hypothesizing that his problem was not sexual addiction but sexual impotence For Augustine the problem with sex was not the seductive nature of women but the unpredictability of desire which can induce an unwanted erection or fail to provide

one when even the mind would choose to have sex He extends his personal incapacity to a general impotence of the will we can never without grace choose any good Just as the impotent man cannot work on his impotence we cannot work on our salvation only God can make a difference and predestines a tiny elect The disobedience of the Garden is transferred to the disobedience of the male member guaranteeing that the sin of Eden is transferred in conception as original sin The most controversial elements of Augustine's theology are all linked to the theme of impotence as expressed in his writings from the Confessions to the anti Pelagian works written at the end of his life Augustine and Frontiers of Pluralism Boleslaw Z. Kabala, Thomas P. Harmon, Ashleen Menchaca-Bagnulo, 2025-05-14 This book focuses on St Augustine as a worthwhile resource for thinking through the challenges and prospects of pluralism The contributors speak to several dimensions of this organizing concept understanding of which is advanced by engagement with Augustine The volume brings together scholars from different disciplines faith traditions and political commitments all of whom have deemed it worthwhile to return to Augustine to learn about a signature theme of common life in the twenty first century The chapters address a variety of topics including civic engagement feminism Black religious thought domination liberalism and time In an age of pluralism the hope is to access the insights of the thinker who struggled with a plurality of desires motivations and political theological imaginations and to benefit from his thoughts The book will be of particular interest to scholars of theology philosophy and political science

Augustine's Manichaean Dilemma, Volume 1 Jason David BeDuhn, 2012-01-31 Augustine of Hippo is history's best known Christian convert The very concept of conversio owes its dissemination to Augustine's Confessions and yet as Jason BeDuhn notes conversion in Augustine is not the sudden dramatic and complete transformation of self we likely remember it to be Rather in the Confessions Augustine depicts conversion as a lifelong process a series of self discoveries and self departures The tale of Augustine is one of conversion apostasy and conversion again In this first volume of Augustine's Manichaean Dilemma BeDuhn reconstructs Augustine's decade long adherence to Manichaeism apostasy from it and subsequent conversion to Nicene Christianity Based on his own testimony and contemporaneous sources from and about Manichaeism the book situates many features of Augustine's young adulthood within his commitment to the sect while pointing out ways he failed to understand or put into practice key parts of the Manichaean system It explores Augustine's dissatisfaction with the practice oriented faith promoted by the Manichaean leader Faustus and the circumstances of heightened intolerance anti Manichaean legislation and pressures for social conformity surrounding his apostasy Seeking a historically circumscribed account of Augustine's subsequent conversion to Nicene Christianity BeDuhn challenges entrenched conceptions of conversion derived in part from Augustine's later idealized account of his own spiritual development He closely examines Augustine's evolving self presentation in the year before and following his baptism and argues that the new identity to which he committed himself bore few of the hallmarks of the orthodoxy with which he is historically identified Both a historical study of the specific case of Augustine and a theoretical reconsideration of the

conditions under which conversion occurs this book explores the role religion has in providing the materials and tools through which self formation and reformation occurs **The Cambridge Companion to Foucault** Gary

Gutting,2005-07-18 For Michel Foucault philosophy was a way of questioning the allegedly necessary truths that underpin the practices and institutions of modern society He carried this out in a series of deeply original and strikingly controversial studies on the origins of modern medical and social scientific disciplines These studies have raised fundamental questions about the nature of human knowledge and its relation to power structures and have become major topics of discussion throughout the humanities and social sciences The essays in this volume provide a comprehensive overview of Foucault s major themes and texts from his early work on madness through his history of sexuality Special attention is also paid to thinkers and movements from Kant through current feminist theory that are particularly important for understanding his work and its impact This revised edition contains five new essays and revisions of many others and the extensive bibliography has been updated **Seducing Augustine** Virginia Burrus,Mark D. Jordan,Karmen MacKendrick,2010 Augustine s

Confessions is a text that seduces But how often do its readers respond in kind Here three scholars who share a longstanding fascination with sexuality and Christian discourse attempt to do just that Where prior interpreters have been inclined either to defend or to criticize Augustine s views Virginia Burrus Mark Jordan and Karmen MacKendrick set out both to seduce and to be seduced by his text Often ambivalent but always passionately engaged their readings of the Confessions center on four sets of intertwined themes secrecy and confession asceticism and eroticism constraint and freedom and time and eternity Rather than expose Augustine s sexual history they explore how the Confessions conjoins the erotic with the hidden the imaginary and the fictional Rather than bemoan the repressiveness of his text they uncover the complex relationship between seductive flesh and persuasive words that pervades all of its books Rather than struggle to escape the control of the author they embrace the painful pleasure of willed submission that lies at the erotic heart not only of the Confessions but also of Augustine s broader understanding of sin and salvation Rather than mourn the fateful otherworldliness of his theological vision they plumb the bottomless depths of beauty that Augustine discovers within creation thereby extending desire precisely by refusing satisfaction In unfolding their readings the authors draw upon other works in Augustine s corpus while building on prior Augustinian scholarship in their own overlapping fields of history theology and philosophy They also press well beyond the conventional boundaries of scholarly disciplines conversing with such wide ranging theorists of eroticism as Barthes Baudrillard Klossowski Foucault and Harpham In the end they offer not only a fresh interpretation of Augustine s famous work but also a multivocal literary philosophical meditation on the seductive elusiveness of desire bodies language and God *The Romance of Innocent Sexuality* Geoffrey Rees,2011-01-01 From the polling place to the pulpit *The Romance of Innocent Sexuality* investigates the passions that are enacted in debates about same sex marriage In a critique that is at once humorous and unrelenting Geoffrey Rees argues that sexual desire is fundamentally a desire to make sense of oneself as

a whole person Through a constructive engagement with the writings of Saint Augustine on original sin Rees turns on its head the conventional wisdom regarding the goodness of sexual relationship arguing that sin not innocence is the starting point in pursuing justice in sexual ethics To that end Rees boldly reclaims the wisdom of the most disreputable teachings of the Augustinian tradition that original sin is a literal inheritance of all humanity of the singular disobedience of Adam and Eve in Eden and the inherent sinfulness of all human sexuality This work also engages theological readings of nineteenth century fiction and literary readings of contemporary theological writings In so doing Rees shows that debates about same sex marriage are so compelling because the participants are all telling a common story in which they seek to establish the innocence of their own preferred forms of self understanding as defined against some other persons sinful selves In contrast to this Rees argues for the acceptance of responsibility for the sinful exclusions that make possible finding the meaning of embodied personal identity through marriage between any two persons

The Sex Lives of Saints Virginia Burrus, 2010-08-03

Has a repressive morality been the primary contribution of Christianity to the history of sexuality The ascetic concerns that pervade ancient Christian texts would seem to support such a common assumption Focusing on hagiographical literature Virginia Burrus pursues a fresh path of interpretation arguing that the early accounts of the lives of saints are not antierotic but rather convey a sublimely transgressive countereroticism that resists the marital procreative ethic of sexuality found in other strands of Christian tradition Without reducing the erotics of ancient hagiography to a single formula *The Sex Lives of Saints* frames the broad historical theological and theoretical issues at stake in such a revisionist interpretation of ascetic eroticism with particular reference to the work of Michel Foucault and Georges Bataille David Halperin and Geoffrey Harpham Leo Bersani and Jean Baudrillard Burrus subsequently proceeds through close performative readings of the earliest *Lives of Saints* mostly dating to the late fourth and early fifth centuries Jerome's *Lives of Paul Malchus Hilarion* and Paula Gregory of Nyssa's *Life of Macrina* Augustine's portrait of Monica Sulpicius Severus's *Life of Martin* and the slightly later *Lives of so called harlot saints* Queer's and postcolonial theories are among the contemporary discourses that prove intriguingly resonant with an ancient art of saintly loving that remains in Burrus's reading promisingly mobile diverse and open ended
