

# FOUCAULT *and* FEMINISM

LOIS McNAY

# Foucault And Feminism

**Lisa Disch, Mary Hawkesworth**

## **Foucault And Feminism:**

**Foucault and Feminism** Lois McNay, 2013-05-29 This book offers a systematic attempt to explore the point of convergence between feminist theory and the work of Michel Foucault

**Up Against Foucault** Caroline Ramazanoglu, 2002-11 Questions of sexuality and power were central to Foucault's writing yet Foucault largely ignored feminism This book considers the implications of his work for feminism and of feminism for his work

**Disciplining Foucault** Jana Sawicki, 2020-10-07 In this book the author attempts to integrate previous work on Foucault with feminist theory She expands discussion of feminism and sexual liberation charts the impact of Foucault on humanistic studies and picks up an aspect of the mothering theme the question of new reproductive technologies

**Feminism, Foucault, and Embodied Subjectivity** Margaret A. McLaren, 2002-10-10 Addressing central questions in the debate about Foucault's usefulness for politics including his rejection of universal norms his conception of power and power knowledge his seemingly contradictory position on subjectivity and his resistance to using identity as a political category McLaren argues that Foucault employs a conception of embodied subjectivity that is well suited for feminism She applies Foucault's notion of practices of the self to contemporary feminist practices such as consciousness raising and autobiography and concludes that the connection between self transformation and social transformation that Foucault theorizes as the connection between subjectivity and institutional and social norms is crucial for contemporary feminist theory and politics

**Feminist Interpretations of Michel Foucault** Susan J. Hekman, 1996 The exciting possibilities of a Foucauldian approach to issues of the subject and identity especially as they relate to sex and the body are detailed in several of the essays collected here Despite the possibilities however Foucault's approach has raised serious questions about an equally crucial area of feminist thought politics Some feminist critics of Foucault have argued that his deconstruction of the concept woman also deconstructs the possibility of a feminist politics Several essays explore the implications of this deconstruction for feminist politics and suggest that a Foucauldian feminist politics is not viable Overall this collection illustrates the range of interest Foucault's thought has generated among feminist thinkers and both the advantages and liabilities of his approach for the development of feminist theory and politics

**Foucault, Feminism, and Power** Nina L. Molinaro, 1991 This study focuses on Esther Tusquets's published work four novels and a collection of short stories and elaborates a potential aesthetics of power as it is manifested in and through narrative The five analytical chapters are framed by an introduction and a conclusion that suggest theoretical issues and approaches

**Feminism and the Final Foucault** Dianna Taylor, Karen Vintges, 2004 Feminism and the Final Foucault is the first systematic offering of contemporary international feminist perspectives on the later work of philosopher Michel Foucault Rather than simply debating the merits or limitations of Foucault's later work the essays in this collection examine women's historical self practices conceive of feminism as a shared ethos and consider the political significance of this conceptualization in order to elucidate experiment with and put into

practice the conceptual tools that Foucault offers for feminist ethics and politics The volume illustrates the ways in which Foucault's later thinking on ethics as care of the self can reintroduce a number of issues and themes that feminists jettisoned in the wake of postmodernism including consciousness raising feminist therapy the subject woman identity politics and feminist agency Taken as a whole the diversity of feminist viewpoints presented provide important new insights into the final Foucault and thus serve as a productive intervention in current Foucault scholarship *Feminism and Foucault* Irene Diamond, Lee Quinby, 1988-06-23 Although Michel Foucault's ideas on sexuality ideology and power have established him as one of this century's most influential thinkers the implications of his work for feminists continue to be the subject of heated debate This book fosters an unprecedented dialogue between Foucault and the fertile ground of contemporary feminism and explores the many ways these disparate approaches to cultural analysis converge and interact The Power of Feminist Theory Amy Allen, 2018-03-05 Power is clearly a crucial concept for feminist theory Insofar as feminists are interested in analyzing power it is because they have an interest in understanding critiquing and ultimately challenging the multiple array of unjust power relations affecting women in contemporary Western societies including sexism racism heterosexism and class oppression In *The Power of Feminist Theory* Amy Allen diagnoses the inadequacies of previous feminist conceptions of power and draws on the work of a diverse group of theorists of power including Michel Foucault Judith Butler and Hannah Arendt in order to construct a new feminist conception of power The conception of power developed in this book enables readers to theorize domination resistance and solidarity and perhaps more importantly to do so in a way that illuminates the interrelatedness of these three modalities of power **Foucault, Feminism, and Sex Crimes** Chloë Taylor, 2018-10-08 This book brings together Foucault's writings on crime and delinquency on the one hand and sexuality on the other to argue for an anti carceral feminist Foucauldian approach to sex crimes The author expands on Foucault's writings through intersectional explorations of the critical race decolonial critical disability queer and critical trans studies literatures on the prison that have emerged since the publication of *Discipline and Punish* and *The History of Sexuality* Drawing on Foucault's insights from his genealogical period the book argues that those labeled as sex offenders will today be constructed to re-offend twice over once in virtue of the delinquency with which they are inculcated through criminological discourses and in the criminal punishment system and second in virtue of the manners in which their sexual offense is taken up as an identity through psychological and sexological discourses The book includes a discussion of non retributive responses to crime including preventative redistributive restorative and transformative justice It concludes with two appendixes the original 19th century medico legal report on Charles Joux and its English translation by the author Foucault's *Feminism and Sex Crimes* will be of interest to feminist philosophers Continental philosophers Women's and Gender Studies scholars social and political theorists as well as social scientists and social justice activists **Interrogating Incest** Vikki Bell, 2002-09-11 Winner of British Sociological Association Philip Abrams Memorial Prize 1993 Examines the taboo of incest from historical

and sociological perspectives Raises important questions on the criminalization of incest Feminist Experiences Johanna Oksala,2016-01-31 Feminist Experiences develops and defends a distinctive understanding of feminist philosophy as social critique Feminist philosophy is essentially a political endeavor Johanna Oksala argues aiming to expose analyze and ultimately change gendered power relations However such an understanding of feminist philosophy raises a host of theoretical problems and paradoxes Oksala investigates the philosophical challenges and outlines the ontological presuppositions and methodological innovations the project requires Drawing on conceptual tools from the thought of Michel Foucault but also from the tradition of phenomenology she explores the role of experience in feminist philosophy and its relationship to language and linguistic meaning Oksala concludes by sketching a feminist ontology of the present through a critical investigation of neoliberalism and the challenges it presents to feminist theory and politics **Feminism and Foucault** Irene Diamond,1988 **Woman's Relationship with Herself** Helen O'Grady,2005-02-25 Employing Foucault's notion of panoptical power Helen O Grady explores the relationship women have with themselves and explores the link between debilitating practices of self surveillance and the broader mechanisms of social control *Feminist Interpretations of Michel Foucault* Susan Hekman,2010-11-01 Despite the possibilities however Foucault's approach has raised serious questions about an equally crucial area of feminist thought politics Some feminist critics of Foucault have argued that his deconstruction of the concept woman also deconstructs the possibility of a feminist politics Several essays explore the implications of this deconstruction for feminist politics and suggest that a Foucauldian feminist politics is not viable *The Politics of Our Selves* Amy Allen,2008 Introduction the politics of our selves Foucault subjectivity and the Enlightenment a critical reappraisal The impurity of practical reason power and autonomy in Foucault Dependency subordination and recognition Butler on subjection Empowering the lifeworld autonomy and power in Habermas Contextualizing critical theory Engendering critical theory **The Oxford Handbook of Feminist Theory** Lisa Disch,Mary Hawkesworth,2018-02-01 The Oxford Handbook of Feminist Theory provides a rich overview of the analytical frameworks and theoretical concepts that feminist theorists have developed to explicate the known world Featuring leading feminist theorists from diverse regions of the globe this collection delves into fifty subject areas demonstrating the complexity of feminist challenges to established knowledge while also engaging areas of contestation within feminist theory **Foucault and Neoliberalism** Daniel Zamora,Michael C. Behrent,2016-01-06 Michel Foucault's death in 1984 coincided with the fading away of the hopes for social transformation that characterized the postwar period In the decades following his death neoliberalism has triumphed and attacks on social rights have become increasingly bold If Foucault was not a direct witness of these years his work on neoliberalism is nonetheless prescient the question of liberalism occupies an important place in his last works Since his death Foucault's conceptual apparatus has acquired a central even dominant position for a substantial segment of the world's intellectual left However as the contributions to this volume demonstrate Foucault's attitude towards neoliberalism was at

least equivocal Far from leading an intellectual struggle against free market orthodoxy Foucault seems in many ways to endorse it How is one to understand his radical critique of the welfare state understood as an instrument of biopower Or his support for the pandering anti Marxism of the so called new philosophers Is it possible that Foucault was seduced by neoliberalism This question is not merely of biographical interest it forces us to confront more generally the mutations of the left since May 1968 the disillusionment of the years that followed and the profound transformations in the French intellectual field over the past thirty years To understand the 1980s and the neoliberal triumph is to explore the most ambiguous corners of the intellectual left through one of its most important figures      *Self-Transformations* Cressida J. Heyes, 2007-08-16 The subject of normalization and its relationship with sex gender is a major one in feminist theory and Heyes book takes a theoretical approach to Foucault s work in this area      *Identities and Freedom* Allison Weir, 2013-03-21 How can we think about identities in the wake of feminist critiques of identity and identity politics In *Identities and Freedom* Allison Weir rethinks conceptions of individual and collective identities in relation to freedom Drawing on Taylor and Foucault Butler Zerilli Mahmood Mohanty Young and others Weir develops a complex and nuanced account of identities that takes seriously the ways in which identity categories are bound up with power relations with processes of subjection and exclusion yet argues that identities are also sources of important values and of freedom for they are shaped and sustained by relations of interdependence and solidarity Moving out of the paradox of identity and freedom requires understanding identities as effects of multiple contesting relations of power and relations of interdependence This is a terrific book one that stakes out an original and distinctive position in some well worn debates and that brings together diverse bodies of theory in an insightful and productive way It is a real gem It offers substantial new insights into how feminist theorists can go on in the wake of the relentless critique of the notion of identity The book will make a significant contribution to ongoing debates in feminist theory over the vexed question of identity a question that is absolutely central to feminist theory and has been so for at least the last twenty years Amy Allen Department of Philosophy Dartmouth College This book makes great contributions to the feminist literature by reconceptualizing IDENTITY in terms of connectedness and FREEDOM in terms of practices of belonging Through a fascinating and innovative synthesis of Michel Foucault and Charles Taylor Weir s communitarian approach develops new arguments for the need to cultivate resistant identities and resistant communities This impressive book is full of original ideas masterfully articulated in critical engagements with leading feminist scholars such as Saba Mahmood Cynthia Willett Iris Young and Linda Zerilli This provocative book is a must read for anyone interested in contemporary discussions of freedom resistance identity and community Jos Medina Department of Philosophy Vanderbilt University

### **Foucault And Feminism Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Foucault And Feminism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Foucault And Feminism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Foucault And Feminism free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Foucault And Feminism. In conclusion, the internet offers numerous

platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Foucault And Feminism any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Foucault And Feminism Books

**What is a Foucault And Feminism PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Foucault And Feminism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Foucault And Feminism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Foucault And Feminism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Foucault And Feminism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or

may not be legal depending on the circumstances and local laws.
