Found Yet Lost:

Found But Still Lost Chinedu Nnadi, 2025-07-01 He had everything except the truth Drake Whitmore was the perfect success story rescued from an orphanage adopted by one of the wealthiest families in the state and groomed to inherit an empire To the world he was a man who had it all But behind his polished exterior lay a silent torment one question that had never stopped echoing Why was I abandoned For decades Drake buried the pain choosing ambition over intimacy control over connection Trust was a luxury he couldn't afford Then one stormy evening an elderly woman appeared at his office door frail soaked to the bone clutching a photo that shattered his carefully guarded world Drake she whispered I'm your mother With that single sentence everything unraveled Her story was filled with desperation secrets and a past darker than he imagined But is she truly who she claims to be Or just another stranger with something to gain As Drake digs deeper long buried truths resurface truths that could destroy everything he's built Found But Still Lost is a gripping tale of identity betrayal and redemption Because sometimes the greatest mystery isn't who you are it's who you were forced to forget
