University of Florida Accounting Series ,1980 **University of Florida Accounting Series** University of Florida. Dept. of Accounting, University of Florida. School of Accounting, 1979 Accounting Theory Harry I. Wolk, James L. Dodd, John J. Rozycki, 2016-06-04 This updated Ninth Edition of Accounting Theory Conceptual Issues in a Political and Economic Environment continues to be one of the most relevant and comprehensive texts on accounting theory Authors Harry I Wolk James L Dodd John J Rozycki provide a critical overview of accounting as a whole as well as touch on the financial issues in economic and political contexts providing readers with an applied understanding of how current United States accounting standards were derived and where we might be headed in the future Readers will find learning tools such as questions cases problems and writing assignments to solidify their understanding of accounting theory and gain new insights into this evolving field Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1973 **Management Laureates** Arthur G. Bedeian, 2018-04-17 First published in 1998 This volume compiles the autobiographies of the management discipline s most distinguished laureates Prior to this publication the available management literature provided little insight into the personal and intellectual lives the frustrations as well as the triumphs of the individuals in the management discipline Although such understanding could be conveyed in many forms perhaps the most intimate and fascinating of these for gaining behind the scenes insights is the autobiography Thus the autobiographies in this volume as in the five companion volumes offer the reader not only a glimpse of the subjective determinants and personal experiences of the management discipline s most distinguished laureates but also a deeper understanding of what management is and what it is becoming The various accounts reflect a diversity of approaches interests and experiences **Essays in Accounting Theory in Honour of Joel S. Demski** Rick Antle, Pierre Jinghong Liang, Froystein Gjesdal, 2007-02-15 Essays on Accounting Theory in Honour of Joel S Demski is a collection of previously unpublished essays on accounting theory The contributors are students collaborators colleagues and friends of Professor Joel S Demski Most of the contributors share Professor Demski s view of accounting as the production and consumption of a very special and powerful economic good called information Like Professor Demski they also prefer an economic analytic approach to accounting theory However some contributors have chosen other perspectives on the field of accounting The book also contains an extensive review of Professor Demski s own contributions to the theory of accounting over the past four decades written by Jerry Feltham professor emeritus at the University of British Columbia The integration of Accounting and the Economics of information worked out by Joel Demski and those he inspired has revolutionized accounting thought Accounting Series University of Florida.
