Dead Man's Rock Sir Arthur Thomas Quiller-Couch, 2020-09-28 Whatever claims this story may have upon the notice of the world they will rest on no niceties of style or aptness of illustration It is a plain tale plainly told nor as I conceive does its native horror need any ingenious embellishment There are many books that I though a man of no great erudition can remember which gain much of interest from the pertinent and appropriate comments with which the writer has seen fit to illustrate any striking situation From such books an observing man may often draw the exactest rules for the regulation of life and conduct and their authors may therefore be esteemed public benefactors Among these I Jasper Trenoweth can claim no place yet I venture to think my history will not altogether lack interest and this for two reasons It deals with the last chapter I pray Heaven it be the last in the adventures of a very remarkable gem none other in fact than the Great Ruby of Ceylon and it lifts at least in part the veil which for some years has hidden a certain mystery of the sea For the moral it must be sought by the reader himself in the following pages To make all clear I must go back half a century and begin with the strange and unaccountable Will made in the year of Grace 1837 by my grandfather Amos Trenoweth of Lantrig in the County of Cornwall The old farm house of Lantrig heritage and home of the Trenoweths as far as tradition can reach and Heaven

knows how much longer stands some few miles N W of the Lizard facing the Atlantic gales from behind a scanty veil of tamarisks on Pedn glas the northern point of a small sandy cove much haunted of old by smugglers but now left to the peaceful boats of the Polkimbra fishermen In my grandfather s time however if tales be true Ready Money Cove saw many a midnight cargo run and many a prize of cognac and lace found its way to the cellars and store room of Lantrig Nay there is a story but for its truth I will not vouch of a struggle between my grandfather s lugger the Pride of Heart and a certain Revenue cutter and of an unowned shot that found a Preventive Officer s heart But the whole tale remains to this day full of mystery nor would I mention it save that it may be held to throw some light on my grandfather s sudden disappearance no long time after Whither he went none clearly knew Folks said to fight the French but when he returned suddenly some twenty years later he said little about sea fights or indeed on any other subject nor did many care to question him for he came back a stern taciturn man apparently with no great wealth but also without seeming to want for much and at any rate indisposed to take the world into his confidence His father had died meanwhile so he quietly assumed the mastership at Lantrig nursed his failing mother tenderly until her death and then married one of the Triggs of Mullyon of whom was born my father Ezekiel Trenoweth
