King,Jakob A. Klein,2025-03-04 An edited collection that explores the multifaceted experiences of Chinese culinary modernity both within and outside of mainland China from the mid 19th century to present Modern Chinese Foodways defines some of the major processes by which Chinese food and foodways have become modern with a focus on the period from the mid nineteenth to the twenty first century The editors Jia Chen Fu Michelle T King and Jakob A Klein highlight four prominent areas of change commodification of food production the scientization of expertise and the development of new food technologies the creation of new culinary identities based on gender ethnicity and nation and the circuits of migration taking place since the nineteenth century This collection argues that Chinese food and foodways are very much modern not a given in the face of the chorus of voices that insists on emphasizing its ancient roots in ways that

both recall the experiences of other cultures as well as in ways unique to China's own historical trajectory. The book combines incisive original scholarship by thirteen leading voices in the field with editorial essays on the past and future of Chinese food studies to frame the field of inquiry for the next generation of Chinese food studies scholars. Demonstrating the significance of modern Chinese foodways to the phenomenon of culinary modernity writ large, which is still largely shaped by Euro-American perspectives and priorities, *Modern Chinese Foodways* is the first book of its kind. 王明珂, 2009

*Culinary Nationalism in Asia* Michelle T. King, 2019-07-11. With culinary nationalism defined as a process in flux as opposed to the limited concept of national cuisine, the contributors of this book call for explicit critical comparisons of cases of culinary nationalism among Asian regions with the intention of recognizing patterns of modern culinary development. As a result, the formation of modern cuisine is revealed to be a process that takes place around the world in different forms and periods and not exclusive to current Eurocentric models. Key themes include the historical legacies of imperialism, colonialism, nationalism, the Cold War, and global capitalism in Asian cuisines; internal culinary boundaries between genders, ethnicities, social classes, religious groups, and perceived traditions; modernities and global contexts of Asian cuisines as both nationalist and internationalist enterprises; and Asia itself as a vibrant culinary imaginary. The book, which includes a foreword from Krishnendu Ray and an afterword from James L. Watson, sets out a fresh agenda for thinking about future food studies scholarship. **Fu Pei-meí's Chinese Cooking** Fu Pei Mei, 1989-06-01

*The Not-So-Uniform Life of Holly-Mei* Christina Matula, 2022-04-05. I can't wait for readers to explore Hong Kong with Holly Mei. I have no doubt they will love both as much as I did. Erin Entrada Kelly, 2018 Newbery Medalist and 2021 Newbery Honoree. Packed with humor and heart, this debut middle grade series follows a girl finding her place in a brand new world of private school and frenemies when her family moves to Hong Kong. Holly Mei Jones couldn't be more excited about moving to Hong Kong for her mother's job. Her new school is right on the beach and her family's apartment is beyond beautiful. Everything is going to be perfect, right? Maybe not. It feels like everywhere she turns, there are new rules to follow and expectations to meet. On top of that, the most popular girl in her grade is quickly becoming a frenemy. And without the guidance of her loving Ah Ma who stayed behind in Toronto, Holly Mei just can't seem to get it right. It will take all of Holly Mei's determination and sparkle and maybe even a tiny bit of stubbornness to get through seventh grade and turn her life in Hong Kong into the ultimate adventure. **The World**
