Portador de remedios milagrosos en la Antigüedad protagonista de gabinetes de curiosidades y también de modernos estampados de camisetas símbolo de pureza en el cristianismo y más tarde del movimiento queer el unicornio ha provocado un irresistible encantamiento a lo largo de nuestra historia El unicornio Historia de una fascinación es un apasionante viaje por la extensa y polifacética historia de una de las criaturas más cautivadoras y misteriosas de la mitología En este recorrido entretenido y erudito a la vez Bernd Roling y Julia Weitbrecht exploran las atribuciones y símbolos que ha encarnado la figura del unicornio en distintos ámbitos y culturas su origen como mito y la influencia que ha ejercido en el imaginario de diversas civilizaciones Desde su aparición en narraciones de la India del siglo V a C pasando por las leyendas de griegos y romanos en la Antigüedad clásica su apropiación por parte del cristianismo en el Medioevo o su traslado al reino del mito en el siglo XVII el unicornio llega a nuestros días como símbolo del movimiento queer y se convierte en protagonista de la cultura pop y del mundo audiovisual infantil Un relato imprescindible que entrelaza datos y curiosidades de la historia natural y la medicina la religión el arte y la literatura en torno a este ser fascinante cuyo halo de magia y misterio ha hecho patente el anhelo y la búsqueda de significado inherentes al ser humano en cualquier época o geografía El unicornio es un ensayo que revisita con erudición y prosa gil la trayectoria de una de las criaturas más prodigiosas de la mitología universal Jos M a Robles El Mundo The Archive of Hispanic Literature on Tape Library of Congress. Latin American, Portuguese, and Spanish Division,Francisco Aguilera,1974 Ever since 1945 when Gabriela Mistral was awarded the Nobel Prize for Literature the Hispanic Foundation in the Library of Congress had been looking forward to an opportunity to record her voice for posterity She graciously accepted the invitation despite her policy of not reading her poetry in public The Library's recording of the Chilean poet is the only one extant The materials accumulated since 1943 were acknowledged to be unique and of the highest quality In 1958 the Library evolved a program for a well integrated collection of noteworthy Hispanic literature either verse or prose on tape With the aid of a generous grant from the Rockefeller Foundation a pilot project was undertaken in the same year September to December inclusive The salient feature of the project was that the Library commissioned the curator of the Archive Francisco Aguilera to visit Peru Chile Argentina and Uruguay and obtain recordings on magnetic tape expressly for the Library of Congress During September and November 1960 Panama Guatemala and Mexico were visited and in April June 1961 collecting continued in Ecuador Colombia and Venezuela **Revista de literatura** ,2014 **Psicoanalizar** Leclair Serge,2023-04-03 Psicoanalizar ser a una empresa fácil al igual que irrisoria si sólo se tratara de enseñar al paciente lo que ya sabe la existencia de los complejos de Edipo y de castración pretendiendo a la vez descubrir con lo que a tierna edad dese el amor de su padre o de su madre y que teme el castigo La singularidad del deseo que el psicoanálisis busca se inscribe en la universalidad de esas estructuras pero falta descubrirla para cada persona Para

ello es necesario precisar cómo puede concebirse la fijación de un rasgo la constelación original no sólo lo encuentra su referencia en la anecdota del recuerdo olvidado o en las particularidades del relato familiar sino sobre todo en una cifra en una fórmula una letra modelos de la organización fantasmática Para ilustrar su teoría Leclair toma dos casos uno de Freud y otro de él mismo en los que el análisis gira alrededor de una palabra de una letra o de unas siglas que dan la pauta para la prosecución del análisis Por lo tanto psicoanalizar es antes que nada ordenar la palabra y asir el cuerpo de la letra
