Fugitive Blue:

Fugitive Blue Dani Shapiro,1997-09-01 Fugitive Blue Claire Thomas,2008-08-01 Usually you can tell when something has fallen apart You can see it deteriorating into awkward little pieces and you know no matter what it s a broken thing But occasionally it s not so obvious Occasionally you find yourself clinging to a fragment that you ve mistaken for a whole A beautiful beguiling and multi layered novel Fugitive Blue tells the story of a young art conservator and her work on an unusual panel painting in striking ultramarine As she restores the fragile artwork she begins to speculate on its provenance its controversial creation in Renaissance Venice and reappearance three hundred years later during a young nobleman s Grand Tour of Europe passing through nineteenth century Paris before its eventual arrival in Australia as one of the scarce possessions of a post war Greek migrant family Threaded through the painting s progress is the story of the young conservator s own life in contemporary Melbourne her developing passion for her work and the demise of her relationship with an actor named Mark I spent so much of my time restoring things trying to reclaim their original beauty All day I looked at deteriorating objects with their parts exposed like a person with her heart on the outside I could touch these paintings make a decision and watch them transform Done But then there was us Captivating and intriguing Fugitive Blue is a fluidly elegant novel that gets to the essence of love s fragility *Synthetic Organic Chemicals* ,1988 The Wall Paintings of the West House at Mycenae Iphiyenia Tournavitou,2017-08-31 The wall paintings from the West House at Mycenae are discussed in relation to their context within the building Their iconography and stylistic details are explored in relation to other Aegean Bronze Age wall paintings The fragments are fully cataloged and illustrated with drawings and photos **Report** ,1931

African Canadians in Union Blue Richard M. Reid,2014-05-13 When Lincoln issued the Emancipation Proclamation he also authorized the army to recruit black soldiers Nearly 200 000 men answered the call Several thousand came from Canada What compelled these men to leave the relative comfort and safety of home to fight in a foreign war In African Canadians in Union Blue Richard Reid sets out in search of an answer and discovers a group of men whose courage and contributions open a window on the changing nature of the Civil War and the ties that held black communities together even as the borders around them shifted and were torn asunder **Blue and Gray** ,1894 Mekeel's Weekly Stamp News I. A. Mekeel,Charles Esterly Severn,Stephen B. Hopkins,1917 The Thin Blue Lie Greg Dillon,2022-02-08 When Greg Dillon is assigned to a federal fugitive task force in Connecticut he inadvertently uncovers a pattern of misconduct and falsified affidavits After reporting his concerns to the politically connected but incompetent chief state s attorney the whistleblower finds himself a target of reprisal Investigated transferred demoted and threatened Dillon hires an attorney and with the assistance of legendary whistleblower Frank Serpico takes on both the state of Connecticut and the Department of Justice in federal court resulting in an explosive verdict and a significant court ruling 10 percent of the author s profits will be donated to Shepherds

Keos XI Lyvia Morgan, 2020-01-01 The iconography of Late Bronze Age wall paintings is presented in their social context within the Cycladic island of Kea and the wider Aegean world Town land and seascapes illustrate the community of this harbor This book is lavishly illustrated with many color drawings visualizations and photographs One Drop in a Sea of Blue John B. Lundstrom, 2012 The story of the Liberators of the Ninth Minnesota the state's hard luck Civil War regiment from defying orders and saving a slave family through bitter defeat and imprisonment to the ultimate victory and their lives in postwar America *The Long Lives of Medieval Art and Architecture* Jennifer M. Feltman, Sarah Thompson, 2019-03-08 Traditional histories of medieval art and architecture often privilege the moment of a work's creation yet surviving works designated as medieval have long and expansive lives Many have extended prehistories emerging from their sites and contexts of creation and most have undergone a variety of interventions including adaptations and restorations since coming into being The lives of these works have been further extended through historiography museum exhibitions and digital media Inspired by the literary category of biography and the methods of *longue durée* historians the introduction and seventeen chapters of this volume provide an extended meditation on the longevity of medieval works of art and the aspect of time as a factor in shaping our interpretations of them While the metaphor of lives invokes associations with the origin of the discipline of art history focus is shifted away from temporal constraints of a single human lifespan or generation to consider the continued lives of medieval works even into our present moment Chapters on works from the modern countries of Italy France England Spain and Germany are drawn together here by the thematic threads of essence and continuity transformation memory and oblivion and restoration Together they tell an object oriented history of art and architecture that is necessarily entangled with numerous individuals and institutions *The Royal Inca Tunic* Andrew James Hamilton, 2024-05-14 The hidden life of the greatest surviving work of Inca art The most celebrated Andean artwork in the world is a five hundred year old Inca tunic made famous through theories about the meanings of its intricate designs including attempts to read them as a long lost writing system But very little is really known about it The Royal Inca Tunic reconstructs the history of this enigmatic object presenting significant new findings about its manufacture and symbolism in Inca visual culture Andrew James Hamilton draws on meticulous physical examinations of the garment conducted over a decade wide ranging studies of colonial Peruvian manuscripts and groundbreaking research into the tunic's provenance He methodically builds a case for the textile having been woven by two women who belonged to the very highest echelon of Inca artists for the last emperor of the Inca Empire on the eve of the Spanish invasion in 1532 Hamilton reveals for the first time that this imperial vestment remains unfinished and has suffered massive dye fading that transforms its appearance today and he proposes a bold new conception of what this radiant masterpiece originally looked like Featuring stunning photography of the tunic and Hamilton's own beautiful illustrations *The Royal Inca Tunic* demonstrates why this object holds an important place in the canon of art history as a deft creation by Indigenous women artists a reminder of the horrors of colonialism and
