## **Fugitive Days:**

Fugitive Days Bill Ayers, 2002-06-27 Bill Ayers was born into privilege and is today a highly respected educator In the late 1960s he was a young pacifist who helped to found one of the most radical political organizations in U S history the Weather Underground In a new era of antiwar activism and suppression of protest his story *Fugitive Days* is more poignant and relevant than ever *Outlaws of America* Dan Berger, 2006 The fiery true story of America s most famous radical fugitives urgently and passionately told

**Terrorist Attacks on American Soil** J. Michael Martinez, 2023-06-14 Understanding the context of terrorism requires a trek through history in this case the history of terrorist activity in the United States since the Civil War Because the topic is large and complex *Terrorists Attacks on American Soil* From the Civil War to the Present does not claim to be an exhaustive history of terrorism or the definitive account of how and why terrorists do what they do Instead this book takes a representative sampling of the most horrific terrorist attacks on U S soil in an effort to understand the context in which they occurred and the lessons that can be learned from these events

**The Weatherwomen** Mona Rocha, 2020-02-14 Assertive tough and idealistic the Weatherwomen members of the Weather Underground Organization WUO from the late 1960s were determined to stamp out sexism and social injustice They asserted that militancy was necessary in the pursuit of a socialist revolution that would produce gender racial and class equality This book excavates their long buried history and reclaims the voices of the Weatherwomen The Weatherwomen s militant feminism had many facets It criticized the role of women in the home was concerned with the subordination of women to men attacked the gender pay gap and supported female bodily integrity The Weatherwomen also refined their own feminist ideology into an intersectional one that would incorporate multiple identity perspectives beyond the white American middle class perspective In shaping a feminist vision for the WUO the Weatherwomen dealt with sexism within their own organization and were dismissed by some feminist groups of the time as inauthentic This work strives to recognize the WUO s militant feminist efforts and the agency autonomy and empowerment of its female members by concentrating on their actions and writings

**Killing Strangers** T. K. Wilson, 2020-09-02 A bewildering feature of so much contemporary political violence is its stunning impersonality Every major city centre becomes a potential shooting gallery and every metro system a potential bomb alley Victims just happen as the saying goes to be in the wrong place at the wrong time We accept this contemporary reality at least to some degree But we rarely ask where has it come from historically *Killing Strangers* tackles this question head on It examines how such violence became unchained from inter personal relationships It traces the rise of such impersonal violence by examining violence in conjunction with changing social and political realities In particular it traces both push and pull the ability of modern states to force the violence of their challengers into niche forms and the disturbing new opportunities that technological changes offer to cause mayhem in fresh and original ways *Killing Strangers* therefore aims to highlight the very strangeness of contemporary experience when it is viewed against a long term perspective

Atrocities regularly capture media attention and just as quickly fade from public view That is both tragic and utterly predictable Deep down we expect no different And that is why such atrocities must be repeated if our attention is to be engaged Deep down we expect that too So Killing Strangers deliberately asks the very simplest of questions How on earth did we get here

**Wounds of the Heart** Joseph Keely,2021-02-22 This is for my children and my children s children so that they may know that their father grandfather served his country along with 2 909 918 other men and women in uniform in Vietnam Most of these men and woman remained loyal to their oath as military personnel and served with honor and distinction I want them to know that our efforts and sacrifices were undermined at every turn of the event by the American people the American press and self centered politicians through lies propaganda and treason on a scale so large it was unstoppable And finally forced the government to abandon its troops on the field of battle to fend for ourselves That they may also see the real truth surrounding the Vietnam War and the war that has raged within me these past fifty plus years These words were engendered by a comment I heard on television It angered me enough to conduct a personal investigation to see if the nine lines written above were just a figment of my imagination or what I felt to be true in my heart This investigation has culminated with mixed feelings It saddens me that what I felt in my heart is true however I am elated that my investigation serves as a vindication of all the Vietnam veterans both men and women who remained loyal to their oath as soldiers sailors airmen and marines I am elated that there is finally a book that countermands the lies and propaganda that have carried on from the 60s to this very day and that it shows the Vietnam veterans as the loyal and honorable men and women they have proven themselves to be

**The Case Against Barack Obama** David Freddoso,2008-08-04 The Case Against Barack Obama by National Review s David Freddoso blasts Obama for failing to take on the Chicago machine for listening to radical advisors and for backing doctrinaire liberal causes from teachers unions to abortion rights It does not however compare him to Paris Hilton or dwell at length on his religion or race making the substance of The Case Against Barack Obama sound unfamiliar amid a campaign cacophony of hyperbolic web ads alleged race cards and viral smears Freddoso says John McCain s campaign and Republicans at large are making the wrong case against the Illinois senator You don t beat him by comparing him to Paris Hilton as McCain s latest advertising campaign did the more important thing is really to look at who he is Is he really a great reformer Or just another liberal

**Focus On: 100 Most Popular American Autobiographers** Wikipedia contributors, *Public Enemy* Bill Ayers,2013-10-08 In this sequel to Fugitive Days Ayers charts his life after the Weather Underground when he becomes the GOP s flaunted domestic terrorist a public enemy Labeled a domestic terrorist by the McCain

campaign in 2008 and used by the radical right in an attempt to castigate Obama for pallin around with terrorists Bill Ayers is in fact a dedicated teacher father and social justice advocate with a sharp memory and even sharper wit Public Enemy tells his story from the moment he and his wife Bernardine Dohrn emerged from years on the run and rebuilt their lives as public figures often celebrated for their community work and much hated by the radical right In the face of defamation by conservative media including a multimillion dollar campaign aimed solely at demonizing Ayers and in spite of frequent death threats Bill and Bernardine stay true to their core beliefs in the power of protest demonstration and deep commitment Ayers reveals how he has navigated the challenges and triumphs of this public life with steadfastness and a dash of good humor from the red carpet at the Oscars to prison vigils and airports where he is often detained and where he finally confesses that he did write *Dreams from My Father* and ultimately on the ground at Grant Park in 2008 and again in 2012 *Acts of the Parliament of the Dominion of Canada Relating to Criminal Law, to Procedure in Criminal Cases and to Evidence*

Canada,1891 **Day's Collacon: an Encyclopaedia of Prose Quotations** ,1884 *Deconstructing Obama* Jack Cashill,2011-02-15 Did Obama write his own books and is the story they tell true I ve written two books Barack Obama told a crowd of teachers in July of 2008 I actually wrote them myself The teachers exploded in laughter They got the joke lesser politicians were not bright enough to do the same During the 2008 presidential campaign Obama supporters pointed to the first of those two books the 1995 memoir *Dreams from My Father* as proof of Obama s superior intellect Time magazine called *Dreams* the best written memoir ever produced by an American politician The Obama campaign machine traded on the candidate s literary reputation encouraging volunteers to get out the vote and keep talking to others about the genius of Barack Obama There was just one small flaw as writer and literary detective Jack Cashill discovered months before the November 2008 election nothing in Obama s history suggested he was capable of writing either *Dreams* or his 2006 book *The Audacity of Hope* In fact as Cashill continued his research he came to the shocking conclusion that the real craftsman behind *Dreams* was terrorist emeritus Bill Ayers This was a charge David Remnick admits in his definitive Obama biography *The Bridge* that if ever proved true or believed to be true among enough voters could have been the end of the candidacy *Deconstructing Obama* tells the story of what happens when a citizen journalist discovers a game changing reality that the media refuse to acknowledge Despite their rejection Cashill expanded his research into Obama s literary canon As he came to see if *Dreams* serves as sacred text the poem *Pop* is the Rosetta stone the key to deciphering Obama s shrouded past his fragile psyche and his uniquely cryptic political life In unlocking that past Cashill discovered that the story that Obama has been telling all his life varies from the true story in ways big and small In fact much of Obama s life story appears to be a wholly constructed fabrication one that Jack Cashill deconstructs to show the world just who Barack Obama really is

*Bringing the War Home* Jeremy Peter Varon,2004-04-30 In this first comprehensive comparison of left wing violence in the United States and West Germany Jeremy Varon focuses on America s Weather Underground and Germany s Red Army

Faction to consider how and why young middle class radicals in prosperous democratic societies turned to armed struggle in efforts to overthrow their states Based on a wealth of primary material ranging from interviews to FBI reports this book reconstructs the motivation and ideology of violent organizations active during the 1960s and 1970s Varon conveys the intense passions of the era the heat of moral purpose the depth of Utopian longing the sense of danger and despair and the exhilaration over temporary triumphs Varon s compelling interpretation of the logic and limits of dissent in democratic societies provides striking insights into the role of militancy in contemporary protest movements and has wide implications for the United States current war on terrorism Varon explores Weatherman and RAF s strong similarities and the reasons why radicals in different settings developed a shared set of values languages and strategies Addressing the relationship of historical memory to political action Varon demonstrates how Germany s fascist past influenced the brutal and escalating nature of the West German conflict in the 60s and 70s as well as the reasons why left wing violence dropped sharply in the United States during the 1970s Bringing the War Home is a fascinating account of why violence develops within social movements how states can respond to radical dissent and forms of terror how the rational and irrational can combine in political movements and finally how moral outrage and militancy can play both constructive and destructive roles in efforts at social change
