

Fugitives Trail

Gerrie Radlof, Pieter Haasbroek

Fugitives Trail:

David Rattray's Guidebook to the Anglo-Zulu War Battlefields David Rattray, 2013-02-18 South African born and bred David Rattray's name is today synonymous with the Anglo Zulu War. Now for the first time his encyclopaedic knowledge is available to the reading public. With its magnificent colour artwork including superb paintings, detailed maps and lively and informative text, this book will be greatly welcomed by both readers at home and visitors to the sites themselves. **Jamie Parker, the Fugitive** Emily Catherine Pierson, 1851 Published one year after the passage of the 1850 Fugitive Slave Law, before Uncle Tom's Cabin appeared, serialized in The National Era, Jamie Parker tells of slave insurrections and the right of the enslaved to escape. This book has been described as the first anti-slavery novel by a female abolitionist. **A Brutal Land, The Bloodhounds Bark** Gerrie Radlof, Pieter Haasbroek, 2025-09-18 A single gunshot shatters the midnight silence. A guard is dead and a nation's defense secrets are stolen. For Detective Kobus Roode, the trail of a killer leads deep into the South African wilderness where a far deadlier conspiracy lies in wait. In the rugged, untamed bushveld of the North West Transvaal, Detective Sergeant Kobus Roode, a man more at home in the wild than the city, is on the hunt. His target is Albert Goernich, a ruthless spy who has stolen the nation's most sensitive military secrets and will kill anyone who gets in his way. But as the chase deepens, Roode discovers the stolen data is only one piece of a terrifying puzzle. A hidden base, a deadly conspiracy, and an innocent woman's life hang in the balance. Failure means more than letting a killer escape. It means leaving his country vulnerable to an invisible enemy with the power to launch a devastating attack from the shadows. A relentless page-turner of espionage, action, and suspense, this novel combines the classic adventure of a wilderness manhunt with the high-stakes tension of a modern spy thriller. Perfect for fans of Lee Child, Alistair MacLean, and pulse-pounding mystery. The chase is on. **The Bloodhounds Bark** unleashes the thrilling third chapter in the SA Police Series, delivering an explosive mix of pulp action and mystery. For fans who crave relentless pursuit, your next adrenaline rush starts now. **The Freebooters of the Wilderness** Agnes C. Laut, 1910 **Isandlwana** Adrian Greaves, 2014-04-19 The historian and founder of the Anglo Zulu War Historical Society presents his groundbreaking account of the Battle of Isandlwana. The story of the British Army's defeat at Isandlwana in 1879 has been much written about, but never with the detail and insight revealed by the research of Dr Adrian Greaves. In reconstructing the dramatic and fateful events, Greaves draws on newly discovered letters, diaries, and papers of survivors and other contemporaries. These include the contemporary writings of central figures such as Henry Harford, Lt Henry Carling of the Royal Artillery, August Hammar, and young British nurse Janet Wells. These historical documents, coupled with Greaves's own detailed knowledge of Zululand, enable him to paint the most accurate picture yet of this cataclysmic battle that so shamed the British establishment. We learn for the first time of the complex Zulu decoy, the attempt to blame Colonel Durnford for the defeat. Greaves uncovers evidence of another Fugitives Trail escape route taken by battle survivors, as well as the identity of previously unknown escorts for Lieutenants Coghill and Melville, both

awarded Victoria Crosses for trying to save the Colors *The Tribe That Washed Its Spears* Adrian Greaves,2020-01-31 By tracing the long and turbulent history of the Zulus from their arrival in South Africa and the establishment of Zululand *The Zulus at War* is an important and readable addition to this popular subject area It describes the violent rise of King Shaka and his colorful successors under whose leadership the warrior nation built a fearsome fighting reputation without equal among the native tribes of South Africa It also examines the tactics and weapons employed during the numerous intertribal battles over this period They then became victims of their own success in that their defeat of the Boers in 1877 and 1878 in the Sekhukhuni War prompted the well documented British intervention Initially the might of the British Empire was humbled as never before by the surprising Zulu victory at Isandlwana but the 1879 war ended with the brutal crushing of the Zulu nation But as Adrian Greaves reveals this was by no means the end of the story The little known consequences of the division of Zululand the Boer War and the 1906 Zulu Rebellion are analyzed in fascinating detail An added attraction for readers is that this long awaited history is written not just by a leading authority but also thanks to the coauthor's contribution from the Zulu perspective using much completely fresh material Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Ambrose, Prince of Wessex; Gretchen, Future Princess** Bruce Corbett,2011-09-08 The betrothed of Ambrose bastard prince of Wessex is kidnapped by Welsh brigands and then a raiding party of Norse pirates With the army of Wessex at his back Ambrose attacks a Welsh coastal stronghold only to find that Gretchen never made it there He then travels to Ireland There he meets a strange ally and together they work their way to the Norse stronghold where Gretchen is held Rebuffed and then threatened by the Jarl who holds her captive he escapes and flees northward With the aid of a Viking prince he obtains two ships and trains Saxon ship crews so he can intercept and free his love Vikings Saxons Irish adventure Love military Welsh Vikings in Ireland polonius ambrose dublin *Rorke's Drift and Isandlwana* Ian F. W. Beckett,2019-01-03 The battle of Isandlwana on 22 January 1879 the first major encounter in the Anglo Zulu War witnessed the worst single day's loss of British troops between the battle of Waterloo in 1815 and the opening campaigns of the First World War in August 1914 Moreover decisive defeat at the hands of the Zulu came as an immense shock to a Victorian public that had become used to easy victories over less technologically advanced indigenous foes in an expanding empire The successful defence of Rorke's Drift which immediately followed the encounter at Isandlwana and for which 11 Victoria Crosses were awarded averted military disaster and went some way to restore wounded British pride but the sobering memory of defeat at Isandlwana lingered for many years while the legendary tale of the defence of Rorke's Drift

was re awakened for a new generation in the epic 1964 film Zulu starring Michael Caine In this new volume in the Great Battles series Ian F W Beckett tells the story of both battles investigating not only their immediate military significance but also providing the first overarching account of their continuing cultural impact and legacy in the years since 1879 not just in Britain but also from the once largely inaccessible and overlooked Zulu perspective Frontier Justice in the Wild West R. Michael Wilson,2007-06-01 Frontier Justice highlights eighteen crimes and subsequent punishments of the most interesting controversial and unusual executions from an era when hangings and shootings were a legal means of capital punishment Chapters include the bungled hanging of Tom Ketchum who was beheaded by the noose the unique trigger for the trapdoor used to hang Tom Horn Big Nose George Parrott who was skinned pickled and made into a pair of shoes the double trials of Jack McCall assassin of Wild Bill Hickok the hanging of a woman Elizabeth Potts the shooting of John D Lee of Mountain Meadows Massacre infamy and the only use of a double twitch up gallows etc Each action packed chapter includes biographical information the pursuit the investigation legal maneuvers trial information and rarely seen photographs

The Bowhunter Norbert Negron,2023-11-14 When a man values his faith more than his own life he will fight for godly justice until his last breath Ray Rod knows what it takes to live in a harsh world Born into a generations old ranching bloodline with a lineage of staunch and uncompromising men and women survival is in Ray s blood Now an acclaimed host of a popular outdoor show and a prominent writer Ray is no stranger to criticism from those who disagree with conservatives traditions and is more than ready to defend himself and his core beliefs But when a gang of dangerous fugitives hiding in the mountains of Montana condemned three young girls and a boy to unequivocal abuse and death Ray must act and trust in his faith as he has no choice but to enforce justice to protect the innocent There is more than man s greed and lies at large as nature dangers a radical leftist and hired agents unleashed their power to silence for good the hunters and guns advocate The bowhunter will have to rely on his abilities to try to survive the many threats allowed to test his faith Two questions remain Will it be enough to save self and those entrusted to him Or is there a limit to how much evil and danger one man can overcome alone

Discovering the Battlefields of the Anglo-Zulu War Ken Gillings,2014-10-19 Interest in KwaZulu Natal s battlefields especially those of the Anglo Zulu War has soared since the film Zulu first screened in 1964 followed by Zulu Dawn in 1979 the centenary of the Anglo Zulu War During the centenary the famous battlefields of Isandlwana and Rorke s Drift were made tourist friendly by the then Natal Provincial Administration and controls were put in place by the heritage authorities to prevent relics from being plundered Supported by effective marketing from the Battlefield Route Association and the KwaZulu Natal Provincial Tourism Authority the battlefields have become a must see Indeed Rorke s Drift has become a tourist icon Specialist battlefield guides have been trained and are considered to be among the best in the world New hotels and lodges have been built with battlefield tourism resulting in the creation of an estimated 7 500 permanent jobs in what is termed the Battlefield Region There are of course many more Anglo Zulu War sites to be seen

Discovering the Battlefields will enable visitors to find them and to read an account that is not too lengthy yet has sufficient content to bring it to life GPS coordinates will enable those wishing to undertake a journey of exploration The book is also a useful training manual for prospective battlefield guides Above all however the author shares his knowledge gleaned from over 50 years of researching the Anglo Zulu War He has blended firsthand accounts passed on from participants on both sides to subsequent generations with official or newly researched information that has become available in recent years It is written in a style that is neither technical nor dramatic is extensively illustrated with photographs of personalities and places and includes comprehensive maps of all the battle sites

Rorke's Drift and Isandlwana 1879 Chris Peers,2017-03-02 On 22 January 1879 a powerful British column invading Zululand was decisively defeated beneath a hill called Isandlwana Later on the same day 4 000 Zulus attacked a garrison of no more than 100 British troops at the mission station at Rorke s Drift only a few miles from Isandlwana The British held out against all reasonable expectations eventually beating off their attackers and winning eleven Victoria Crosses between them The location where these battles were fought have been places of pilgrimage ever since Rorke s Drift Isandlwana 1879 is a guide to assist the visitor to the two sites with details on how to get there and where to stay It also discusses the background to the Anglo Zulu War the two battles themselves and seeks to make sense of the events that happened there

Rorke's Drift and Isandlwana Chris Peers,2021-02-01 This vivid military history explores two pivotal battles in the 19th century war between the British Empire and the Zulu Kingdom The battle of Isandlwana on January 22nd 1879 was one of the most dramatic episodes in military history In the morning 20 000 Zulus overwhelmed the British invading force in one of the greatest disasters ever to befall a British army Later the same day a Zulu force of around 3 000 warriors turned their attention to a small outpost at Rorke s Drift defended by roughly 150 British and Imperial troops The British victory that ensued against remarkable odds would go down as one of the most heroic actions of all time In this thrilling blow by blow account Chris Peers draws on firsthand testimonies from both sides to piece together the course of the battles as they unfolded Along the way he exposes many of the Victorian myths to reveal great acts of bravery as well as cases of cowardice and incompetence A brief analysis of the aftermath of the battle and notes on the later careers of the key participants completes this gripping expos of this legendary encounter

The Dust Rose Like Smoke James O. Gump,2016 In 1876 Lakota and Cheyenne warriors annihilated Custer s Seventh Cavalry at Little Bighorn Three years later and half a world away a British force was wiped out by Zulu warriors at Isandhlwana in South Africa In both cases the total defeat of regular army troops by forces regarded as undisciplined barbarian tribesmen stunned an imperial nation Although the similarities between the two frontier encounters have long been noted James O Gump s book The Dust Rose Like Smoke is the first to scrutinize them in a comparative context This study issues a challenge to American exceptionalism he writes Viewing both episodes as part of a global pattern of intensified conflict in the latter 1800s resulting from Western domination over a vast portion of the globe Gump s comparative study persuasively traces the origins and aftermath of both

episodes He examines the complicated ways in which Lakota and Zulu leadership sought to protect indigenous interests while Western leadership calculated their subjugation to imperial authority The second edition includes a new preface from the author revised and expanded chapters and an interview with Leonard Little Finger great great grandson of Ghost Dance leader Big Foot whose story connects Wounded Knee and Nelson Mandela *Singapore Burning* Colin Smith, 2006-05-04 Churchill's description of the fall of Singapore on 15 February 1942 after Lt Gen Percival's surrender led to over 100 000 British Australian and Indian troops falling into the hands of the Japanese was no wartime exaggeration The Japanese had promised that there would be no Dunkirk in Singapore and its fall led to imprisonment torture and death for thousands of allied men and women With much new material from British Australian Indian and Japanese sources Colin Smith has woven together the full and terrifying story of the fall of Singapore and its aftermath Here alongside cowardice and incompetence are forgotten acts of enormous heroism treachery yet heart rending loyalty Japanese compassion as well as brutality from the bravest and most capricious enemy the British ever had to face **Custer and the Sioux, Durnford and the Zulus** Paul Williams, 2015-09-04 In June 1876 the 7th U S Cavalry was savagely defeated at the Little Bighorn in the Montana wilderness during an attempt to seize Sioux and Cheyenne hunting grounds Three years later redcoats mirrored this utter disaster with an equally high handed grab for Zulu lands in South Africa Lieutenant Colonel George A Custer and Lieutenant Colonel Anthony W Durnford had much in common from modes of dress to the way they died This book interweaves the stories of the two soldiers and their final battles revealing how to an astonishing degree similar personalities aims tactics weapons stupidity and a gross underestimation of the powers of the native people led to calamitous defeat [The Pacific Reporter](#), 1922 **A Handful of Heroes, Rorke's Drift** Katie Stossel, 2015-06-30 A compelling account of the courageous standoff between 150 British troops and more than 3 000 Zulu warriors during the Anglo Zulu War Thanks to newly discovered letters and documents *A Handful of Heroes Rorke's Drift* updates the history of the Defense of Rorke's Drift which will forever be one of the most celebrated British feats of arms Remarkably after such prolonged historical scrutiny the author's research proves that there is yet more to discover about this famous incident of the Zulu War in 1879 and her superbly researched book reveals a number of myths that have distorted what happened during the gallant defense of the small Mission Station This fascinating and highly readable account goes on to examine in detail the famous Chard Report which has long been relied on by historians and authors Doubts emerge as to its accuracy and evidence is provided which suggests the report's author was coerced by a senior officer in order to protect the latter's reputation Likewise the letters of August Hammar a young Swedish visitor to the Mission put Reverend Otto Witt's false account into perspective These and other revelations make *A Handful of Heroes Rorke's Drift* a fresh and important addition to the bibliography of this legendary Zulu War engagement Though the book reviewed here should not be your first dip into the history of the Zulu War it is an essential one It provides readers with a wider understanding of the events and their aftermath The author does the job here with style and
