**Dance with Me** Luanne Rice,2004-12-28 Acclaimed for her insightful depiction of the magic and mystery in everyday life and relationships, Luanne Rice is one of today's most gifted novelists. Now the author of eight consecutive New York Times bestsellers, she delivers her most powerful book yet: the story of a man and woman forced to choose between the past that haunts them and the love that won't let them go. Jane Porter left the apple orchards of rural Twin Rivers, Rhode Island, years ago, fleeing memories that could tear two families apart. Now she has been unexpectedly drawn home to her mother, and only sister Dylan Chadwick has come back too, shedding the steely exterior he wore as a federal agent in order to follow in the footsteps of his apple farming father and forget the life he once lived. Amid this landscape of loss and renewal, a haunting story of converging lives, small-town secrets, and the magical sway of unexpected miracles unfolds. Deeply moving and richly told, *Dance with Me* explores emotional connections at their very core, with keen insights into the lives of mothers and daughters, sisters and lovers that will resonate long after the final page is turned.
