Restoring the First-century Church in the Twenty-first Century Warren Lewis,Hans Rollmann,2005-10-15

Restoring the First century Church in the Twenty first Century Essays on the Stone Campbell Restoration Movement in Honor of Don Haymes is a snap shot of a major American religious movement just after the turn of the millennium When the Disciples of Alexander Campbell and the Christians of Barton Warren Stone joined forces early in the 19th century the first indigenous ecumenical movement in the United States came into being Two hundred years later this American experiment in biblical primitivism has resulted in three possibly four large segments Best known is the Christian Church Disciples of Christ active wherever ecumenical Christians gather The denomination is typically theologically open having been reshaped by theological Liberalism and the Social Gospel in the twentieth century and has been re organized on the model of other Protestant bodies The largest group the Churches of Christ easily distinguished by their insistence on a cappella music singing only is theologically conservative now tending towards the evangelical and congregationally autonomous though with a denominational sense of brotherhood The Christian Churches Churches of Christ Independent are a via media between the two other bodies theologically conservative and evangelical congregationally autonomous pastorally oriented and comfortable with instrumental music The fourth numerically significant group the churches of Christ Anti Institutional is a conservative reaction to the a cappella churches much in the way that the Southern a capella churches reacted against the emerging intellectual culture and social location instrumental music and institutional centrism of the Northern Disciples following the Civil War Besides these four numerous smaller fragments typically one article splinter groups decorate the history of the Restoration Movement One Cup brethren Premillennialists No Sunday School congregations No Located Preacher churches and others This movement to unite Christians on the basis of faith and immersion in Jesus Christ and to restore New Testament Christianity is too little recognized on the American religious landscape and it has been too little studied by the academic community This volume is focused primarily on the a cappella churches and their interests but implications for the entire Stone Campbell Restoration Movement abound The voices that speak freely within were unimpeded in authoring these essays by standards of orthodoxy imposed from without All of the contributors are acquainted with Don Haymes the honoree of the volume and have been inspired by this friend and colleague a man with a rigorous and earthy intellect and a heavenly spirit David Bundy series editor Studies in the History and Culture of World Christianities

Sheets of Scattered Sand Justin K.H. Tse,2024-11-15 Justin K H Tse captures the voices of Cantonese Protestant Christians from the San Francisco Vancouver and Hong Kong metropolitan areas as they reflect on their efforts to adapt to secular communities while retaining their identity and beliefs In the context of the transpacific region between Asia and the Americas the Pacific Rim refers to a window of time in which predominant narratives emphasized skilled migration and the rise of multicultural societies the era before the rise of Chinese nationalism in 2012 and the Hong Kong protests Diasporic Cantonese Protestant Christians of this time were frequently portrayed as a homogenous people bringing their Chinese culture and Christian communities from Hong Kong to cities such as Vancouver and San Francisco sometimes contesting liberal developments like same sex marriage but also offering new democratic awareness Sheets of Scattered Sand challenges that depiction of Cantonese Protestants with authentic voices from the community Based on research done in the San Francisco Bay area Vancouver and Hong Kong author Justin K H Tse finds that Cantonese Protestants consider themselves sheets of scattered sand politically disparate and ideologically fragmented but united in a sense of tension with the secular world Tse s work serves as an illuminating prequel to contemporary stories of the Hong Kong protests and a newly emergent Asian American politics underscoring the importance of incorporating these voices in wider reflections on Christianity and secularity

This Land, This South Albert E. Cowdrey,2021-12-14 Here is the story of the long interaction between humans land and climate in the American South It is a tale of exploitation and erosion of destruction disease and defeat but also of the persistent search for knowledge and wisdom It is a story whose villains were also its victims and sometimes its heroes Ancient forces created the southern landscape but as Albert E Cowdrey shows humankind from the time of earliest habitation has been at work reshaping it The southern Indians far from being the natural ecologists of myth radically transformed their environment by hunting and burning Such patterns were greatly accelerated by the arrival of Europeans who viewed the land as a commodity to be exploited for immediate economic benefit Cowdrey documents not only the long decline but the painfully slow struggle to repair the damage of human folly The eighteenth century saw widespread though ineffectual efforts to protect game and conserve the soil In the nineteenth century the first hesitant steps were taken toward scientific flood control forestry wildlife protection and improved medicine In this century the New Deal the explosion in scientific knowledge and the national environmental movement have spurred more rapid improvements But the efforts to harness the South s great rivers to save its wild species and to avert serious environmental pollution have often had equivocal results Originally published in 1983 and needed now more than ever This Land This South was the first book to explore the cumulative impact of humans on the southern landscape and its effect on them In graceful and at times lyrical prose Albert Cowdrey brings together a vast array of information Now revised and updated this important book should be read by every person concerned with the past present or future of the South

Fire in My Soul Soon Bong Choi,Jin Ki Hwang,Max J. Lee,2014-06-26 Fire in My Soul pays tribute to the life and legacy of Dr Seyoon Kim who has taught as

Professor of New Testament at Fuller Theological Seminary for almost two decades and is known internationally for his work on the origin of Paul's gospel. This collection of essays in his honor revisits classic issues in Pauline studies and offers fresh insights on Paul's use of righteousness language in his letters, the occasion and purpose of Romans, the problem of universal sinfulness and justification by faith. It also presents several exegetical studies on the use of the Old Testament in the gospels. Scholars, students, and pastors interested in Pauline soteriology and gospel hermeneutics will find this volume helpful in their own research, teaching, and ministry.

Adventures in Evangelical Civility Richard J. Mouw, 2016-11-01 A Hopeful Calvinist's Quest for Common Ground. Richard Mouw, one of the most influential evangelical voices in America, has been on a lifelong quest for commonness, engaging with others in a positive manner and advocating for a convicted civility when conversing with those with whom we disagree. Through nearly half a century of scholarship, leadership, and ministry, Mouw has sought to learn from non-Christian scholars and other faith traditions and to cultivate a civility that is compatible with his Calvinist convictions. In *Adventures in Evangelical Civility*, Mouw reflects on his almost fifty years of Christian public life, which provides a unique lens for understanding twentieth-century evangelicalism. He explores themes such as common grace, the imago Dei, and interfaith dialogue, offering a critical assessment of the strengths and weaknesses of what he has accomplished as a spokesperson for evangelical and Reformed perspectives.

Sermons for the principal festivals ... of the Church year, ed. by J.C. Brooks Phillips Brooks (bp. of Massachusetts.), 1895

The Saturday Evening Post, 1928

The Deed Gerold Frank, 2017-07-31 A NON FICTION THRILLER BY THE AUTHOR OF THE BOSTON STRANGLER TWO YOUNG RADICALS ASSASSINATE A HIGH GOVERNMENT OFFICIAL WERE THEY PATRIOTS OR MURDERERS CAIRO EGYPT The car moved slowly through the baking heat and noise of the city and finally arrived at Lord Moyne's residence. The car halted and the chauffeur hurried to open the door for the British Ambassador. On the other side, two figures leapt up and raced toward the car, both carrying revolvers. One youth reached the automobile, wrenched open the back door, and fired three times at Lord Moyne. Stop, murderers stop. Within seconds, police had captured the two. Who are you? Why have you done this? One boy spoke. We have nothing to say. We await the judgment of mankind. Brilliant and suspenseful. I can think of few reading experiences in the last year as compelling as *The Deed*. Los Angeles Times SPELLBINDING SUSPENSE a slice of history beautifully and accurately told. *The Deed* is by far the finest book Gerold Frank has ever written; it is easy to read but awfully awfully hard to forget. Quentin Reynolds Saturday Review COMPELLING IMPORTANT Even if it were not true and it is agonizingly true, it would be a genuine literary work. It is a book not to be forgotten. Herald Tribune A NARRATIVE THAT WON'T LET YOU GO moving and disturbing. Chicago Tribune POWER AND POIGNANCY gives life to a footnote in history. The opening prickles with suspense. The book reaches a climax of genuine pathos. Few I predict will fail to be moved by the closing pages of *The Deed*. John Barkham Saturday Review Syndicate
