Are Funny-Ass Checkers Eileen Bartow-Rives, 2007-10 As a therapist Eileen Bartow Rives has enjoyed the vagaries and whims of children's thinking and actions for thirty years Her observations provide an insider's view of these children as they navigate this unfamiliar situation with a person they do not know but whom their parents have entrusted with their care for an hour at a time Stories focus on the surprising things kids say and do from the moment they are greeted in the waiting room to the time they are returned to their parents at the end of the session The majority are typical kids struggling with everyday issues A few face deeper lifelong challenges All of them have their own view of the world that enlightens our own Finally the stories provide a look into the idiosyncratic sometimes refreshing viewpoints of kids facing commonplace challenges Their observations surprise but also enrich our understanding of what it is like to be a kid **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1971 **A Rat Is a Pig Is a Dog Is a Boy** Wesley J. Smith, 2012 Overview In *A Rat is a Pig is a Dog is a Boy* Wesley Smith explains how over the past thirty years the concept of animal rights has undergone literal and extreme interpretations in Western culture Although there are activists who seek better treatment of animals through welfare work there are also those who see animal rights as a belief system an ideology and for some even a quasi religion that both implicitly and explicitly seeks to create a moral equivalency between the value of human lives and those of animals Smith explains how animal rights ideologues embrace their beliefs with a fervency that is remarkably intense and sustained to the point that some dedicate their entire lives to speaking for those who cannot speak for themselves Some believe their cause to be so righteous that they engage in vandalism harassment or even terrorism at the expense of medical research the clothing and food industries and others accused of animal abuse For those of us who respect and appreciate animals but who also understand that our obligation to humanity matters more *A Rat is a Pig is a Dog is a Boy* is an important case against an increasingly radical dogma **Official Gazette of the United States Patent and Trademark Office**, 2001 *The Juggler of Notre Dame and the Medievalizing of Modernity*. Jan M. Ziolkowski, 2018-07-24 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries *The Juggler of Notre Dame* tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in *The Juggler of Notre Dame* in the twentieth century and its place in mass culture today Volume 2 *Medieval Meets Medievalism* deals with the influence of the tale in nineteenth and early twentieth century Europe and America and the development of literary medievalism at this time *The Juggler of Notre Dame and the Medievalizing of Modernity* is a rich case

study for the reception of the Middle Ages in modernity Spanning centuries and continents the medieval period is understood through the lens of its post modern reception in Europe and America Profound connections between the verbal and the visual are illustrated by a rich trove of images including book illustrations stained glass postage stamps architecture and Christmas cards Presented with great clarity and simplicity Ziolkowski s work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies **Popular Mechanics** ,1922
