Newsletter ,1987 *Bowker's Complete Video Directory* ,2000 *ACSM's Exercise is Medicine™* Steven Jonas,Edward M. Phillips,2012-03-29 Exercise is Medicine™ is an American College of Sports Medicine initiative to make physical activity and exercise a standard part of a disease prevention and treatment medical paradigm This book will teach practitioners how to motivate and instruct patients on the importance of exercise and how to design practical exercise programs for patients of all ages and fitness levels as well as those with special conditions such as pregnancy obesity and cancer Coverage includes in depth discussions of both the lifestyle exercise approach to exercising regularly and the structured exercise approach *Bowker's Complete Video Directory 2001* ,2001 *Official Gazette of the United States Patent and Trademark Office* ,2006 *Good Girls, Good Food, Good Fun* Meghan K. Winchell,2008-12-07 Throughout World War II when Saturday nights came around servicemen and hostesses happily forgot the war for a little while as they danced together in USO clubs which served as havens of stability in a time of social moral and geographic upheaval Meghan Winchell demonstrates that in addition to boosting soldier morale the USO acted as an architect of the gender roles and sexual codes that shaped the greatest generation Combining archival research with extensive firsthand accounts from among the hundreds of thousands of female USO volunteers Winchell shows how the organization both reflected and shaped 1940s American society at large The USO had hoped that respectable feminine companionship would limit venereal disease rates in the military To that end Winchell explains USO recruitment practices characterized white middle class women as sexually respectable thus implying that the sexual behavior of working class women and women of color was suspicious In response women of color sought to redefine the USO s definition of beauty and respectability challenging the USO s vision of a home front that was free of racial gender and sexual conflict Despite clashes over class and racial ideologies of sex and respectability Winchell finds that most hostesses benefited from the USO s chaste image In exploring the USO s treatment of female volunteers Winchell not only brings the hostesses stories to light but also supplies a crucial missing piece for understanding the complex ways in which the war both destabilized and restored certain versions of social order
