

# IT'S FUN FINDING OUT

'It's Fun Finding Out' says Wicksteed, when you discover that there are piddocks in Trafalgar Square, that fresh-water fish never drink water or that an elephant can drink fourteen gallons at one time.

'It's Fun Finding Out' how much a lion costs, the use of the moon, who invented lipstick and why rabbits swim.

This book, illustrated by Osbert Lancaster, is fresh, witty and rich in knowledge that is presented in a most entertaining style.

In this collection of his famous Saturday articles in the Daily Express, Bernard Wicksteed looks at the commonplace and finds the uncommon.

Just as the pressure for students to perform well on state assessments escalates ever higher and the call to raise students' achievement in narrative, opinion, argument, and informative/explanatory writing grows louder, Gretchen Bernabei and Judi Reimer publish *Fun-Size Academic Writing for Serious Learning*. If ever there were a book to answer every need, this is it. You see, Gretchen and Judi have been concerned about adolescents writing for years, and they have had amazing success using mentor texts by students to teach the ins and outs of writing in any genre. So with this book, they hand over their file drawers and provide you with 101 essays written by students with one-page companion lessons that address text structure, imagery, dialogue, rhetorical devices, grammatical structures, textual blends, all the different tools that writers use. Organized into three major sections that align with the Common Core, STAAR, and other major state assessments, *Fun-Size Academic Writing* delivers succinct, powerhouse instruction on topics such as: How to choose a structure for argument, informational, or narrative writing; How to read a piece and extract thesis statement and main points; How to layer a wide range of details to support points; How to use rhetorical devices and grammatical constructions for effect; How to write from the point of view of a fictional character. The essays also available in reproducible form on the companion website demonstrate something striking, something imitable, something concrete. They give students a bank of choices to call upon as they write. The lessons are short, practical, and full of variety. Collectively, these essays and lessons have the potential to move the needle on American students' writing achievement once

and for all They show what has been done by students and they reveal to you how your own students can do it too

### **Fun Finding Out Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Fun Finding Out has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Fun Finding Out has opened up a world of possibilities. Downloading Fun Finding Out provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Fun Finding Out has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Fun Finding Out. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Fun Finding Out. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Fun Finding Out, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Fun Finding Out has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
