have worked to fashion The dedication with which they have defended their rights and their extensive achievements in multiple sectors of activity have helped foster diversity in Quebec This work recounts the different contributions Jews have made over the years along with the cultural context that encouraged the emergence in Montreal of a Jewish community like no other in North America This is the first overview of a history that began during the French Regime and continued through many twists and turns up to the turn of the twenty first century

A Bridge of Longing David G. Roskies,1996 This text describes how Yiddish storytelling became the politics of rescue for generations of displaced Jewish artists embodying their hopes and fears in the languages of tradition It suggests that there lies an aesthetic and moral sensibility totally at odds with Jewish humour and piety

Studies in Contemporary Jewry Ezra Mendelsohn,1997-01-30 Literary Strategies Jewish Texts and Contexts collects essays on Jewish literature which deal with the manifold ways that literary texts reveal their authors attitudes toward their own Jewish identity and toward diverse aspects of the Jewish question Essays in this volume explore the tension between Israeli and Diaspora identities and between those who write in Hebrew or Yiddish and those who write in other non Jewish languages The essays also explore the question of how Jewish writers remember history in their search for a useable past From essays on Jabotinsky s virtually unknown plays to Philip Roth s novels this book provides a strong overview of contemporary themes in Jewish literary studies
