Guarino, 2005-05-01 Guarino argues in this book that the doctrinal form of the Christian faith in its essential characteristics calls for certain theoretical exigencies This is to say that the proportion and beauty of the form is not served or illuminated by simply any presuppositions Rather a determinate understanding of first philosophy of the nature of truth of hermeneutical theory of the predication of language and mutual correlation is required if Christian faith and doctrine are to maintain a recognizable and suitably mediative form Failing to adduce specific principles will lead either to a simple assertion of Christian truth in which case the form of Christianity becomes less intelligible and attractive or one will substitute a radically changed form which is itself inappropriate for displaying the fundamental revelatory narrative of faith The house of Christian faith possesses a certain proportion of structure the form will sag badly if one removes an undergirding item or if one beam is replaced with another of variable shape or size The form's beauty will either be obscured no longer clearly visible or the form will become something quite different no longer architectonically related to what was originally the case The intention of this book is to discuss those doctrinal characteristics considered fundamental to the Christian faith as protective of its revelatory form and concomitantly to examine the theoretical principles required if such form is to remain both intelligible and beautiful

we had had something like six hundred accessions to the church and every month considerable numbers of new members were being added While many of these came by letter from other churches many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith so we announced a series of sermons on The Fundamental Doctrines of the Christian Faith There was immediately a large increase in the attendance at the services where these addresses were given and this increase has kept up until on the last Lord s Day we had much the largest attendance we have ever had excepting on Easter Sunday Many have testified to the blessing received from these sermons and there has been a great demand that the sermons be printed for general circulation This request has come from ministers of various denominations Episcopalians Presbyterians Methodists Baptists and others It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular pastoral work and also that it may be used widely by pastors and others for circulation among Christians We live in a day in which many of our church members are all at sea as to what they believe on the fundamental doctrines of the Christian faith These sermons have already helped many through their delivery It is hoped they will reach and help far more in the printed form Fundamental Christian Ethics Daniel Heimbach,2022-11-01 In Fundamental Christian Ethics Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical topics and issues Basic Theology Charles C. When and how will Christ return? If you've asked questions like these then systematic theology is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award winning Systematic Theology Bible Doctrine covers the same essentials of the faith giving you a firm grasp on seven key topics: The Doctrine of the Word of God, The Doctrine of God, The Doctrine of Man, The Doctrine of Christ, The Doctrine of the Application of Redemption, The Doctrine of the Church, The Doctrine of the Future. Like Systematic Theology this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand and it's packed with solid biblical answers to your most important questions.
