Fundamentalism And The Word Of God:

"*Fundamentalism*" and the Word of God J. I. Packer, 1958-12 Fundamentalism is just a twentieth century name for historic Evangelicalism says Packer In this constructive restatement of evangelical principles he shows what Fundamentalism is and goes on to discuss the basic question dividing Fundamentalists and their critics the authority of Scripture

James I. Packer, 1970 *Fundamentalism and the word of God* J. I. Packer, 1958 "*Fundamentalism*" and the Word of God
James Innell Packer, 1958 **COVENANT THEOLOGY: A Critical Analysis Of Current Pentecostal Covenant Theology**

, Engaging the Written Word of God James Innell Packer, 2012 In this collection of articles written over forty years Packer sets out his beliefs about the authority of Scripture and the principles that should be applied when interpreting it Important topics such as the adequacy of human language upholding the unity of Scripture and challenges in Biblical interpretation are considered in the first two sections Gods Inerrant Word and Interpreting the Word In the final section Preaching the Word Packer turns his attention to pastoral leaders and the importance of correct and responsible expository preaching **God's Word Alone---The Authority of Scripture** Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches Five Views on Biblical Inerrancy Zondervan, 2013-12-10 The inerrancy of the Bible the belief that the Bible is without error is often a contentious topic among mainstream Christianity Like other titles in the Counterpoints collection this volume gives those interested in theology the

tools they need to draw informed conclusions on debated issues by showcasing the range of positions in a way that helps readers understand the perspectives especially where and why they diverge Each essay in Five Views on Biblical Inerrancy considers The present context viability and relevance for the contemporary evangelical Christian witness Whether and to what extent Scripture teaches its own inerrancy The position s assumed or implied understandings of the nature of Scripture God and truth Three difficult biblical texts one that concerns intra canonical contradictions one that raises questions of theological plurality and one that concerns historical authenticity Five Views on Biblical Inerrancy serves not only as a single volume resource for surveying the current debate but also as a catalyst both for understanding and advancing the conversation further Contributors include Al Mohler Kevin Vanhoozer Michael Bird Peter Enns and John Franke

An Introduction to the New Testament M. Eugene Boring, 2012-01-01 A user friendly introduction to the New Testament for beginning students

Taking God At His Word Kevin DeYoung, 2014-04-04 Can we trust the Bible completely Is it sufficient for our complicated lives Can we really know what it teaches With his characteristic wit and clarity award winning author Kevin DeYoung has written an accessible introduction to the Bible that answers important questions raised by Christians and non Christians This book will help you understand what the Bible says about itself and the key characteristics that contribute to its lasting significance Avoiding technical jargon this winsome volume will encourage you to read and believe the Bible confident that it truly is God s word

Reading the Word of God in the Presence of God Vern S. Poythress, 2016-03-16 Biblical interpretation is typically viewed as concerned with understanding the human author s intended meaning However for Christians the Bible is first and foremost God s Word and must be understood in that light Helping Christians approach the Bible with God in mind this book sets forth a more nuanced approach to biblical interpretation that pays attention to both the human and divine origins of these sacred texts Whether it s reviewing the three basic steps of interpretation or emphasizing the importance of paying attention to the Christ centered character of both the Old and New Testaments this book is a much needed resource for the church as it wrestles to defend the authority of Scripture in our increasingly relativistic world

The Cure for Fundamentalism Steve McRoberts, 2014-11-06 A comprehensive verse by verse examination of the Bible to see whether it lives up to the claim of being God s word Come along on a trip from Genesis to Revelation with common sense and a bit of humor as your guide Far more than a list of contradictions the book delves into the meaning and context of each Bible book analyzing them for consistency ethics and truthfulness No honest intelligent person can read this book and remain a fundamentalist

Ancient Word, Changing Worlds Stephen J. Nichols, Eric T. Brandt, 2009-03-10 Belief in the Bible as God s authoritative revelation to humanity forms the bedrock of the Christian faith laying the groundwork for nearly everything in the practice of theology For the last 150 years or so this doctrine has been put under the microscope of the modern age with focused attention and criticism falling on three main subject areas the authority of Scripture the sufficiency of Scripture and the interpretation of Scripture Ancient Word Changing Worlds tells the

story of these developments in the doctrine of Scripture in the modern age combining in one volume both narrative chapters and chapters devoted to primary source materials This new genre of historical theology will appeal to general readers who will be drawn in by the book's prose style and students who will benefit from features like timelines charts explanations of key terms and introductions and explanatory notes for the primary source documents God, Revelation and Authority (Set of 6) Carl F. H. Henry, 1999-01-25 A monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done **In God's Presence** J.I. Packer, 2000-03-07 James I Packer says of the devotional life To rush to God randomly babbling about what is on our mind at the moment with no pause to realize his greatness and grace and our own sinfulness and smallness is at once to dishonor him and to make shallow our own fellowship with him Dr Packer has taught generations of Christians how to know God better Now he helps us draw closer to God each day with insightful readings Focusing on what it means to be a part of the family of God these meditations will lead you into the Father's presence through Scripture prayer and practical wisdom **In Quest of a Vital Protestant Center** George Demetrian, 2014-10-06 In Quest of a Vital Protestant Center probes the relationship between Scripture and culture in twentieth century US theology and biblical studies It points to the necessity of turning to what Karl Barth has referred to as the strange new world within the Bible for any revitalization of mainline Protestantism in the tradition of the Protestant Reformers in critical dialogue with serious evangelical theology The study includes a historical overview underlying what Demetrian refers to as the fundamentalist modernist great divide which continues to resonate powerfully in contemporary US Protestant thought and culture Demetrian offers an in depth exploration of four representative twentieth century Protestant theologians and biblical scholars spanning from the conservative evangelical theology of J I Packer to the postliberal dialectical theology of Walter Brueggemann The book includes a chapter on the neo orthodox legacy as a mediating resource in bringing evangelical and postliberal theology into dialogue with the core issues of theology biblical hermeneutics and religious culture Demetrian concludes with a critically empathetic review of the postliberal dialectical theology of Douglas J Hall and the evangelical narrative theology of Richard Lints In linking evangelical postliberal and neo orthodox theology to a common search for a vital Protestant center this book will facilitate fruitful dialogue among divergent schools of Protestant thought and culture *Breaking Open the Word of God* Karen M. Hinman, 1987 Resources for weekly RCIA meetings using the lectionary readings from Cycle B God's Word in Our Hands James B. Williams, 2016-11-14 In this follow up book to the landmark From the Mind of God to the Mind of Man the Text and Translation Committee discusses the historical preservation of the Word of God The solid facts of the process by which the Bible has come to its present form are explained in detail The book includes textual criticism of the existing manuscripts and autographs including the Textus Receptus the Majority Eclectic and Minority texts and the Masoretic Text It also provides needed answers to the arguments of those who adhere to extreme or exclusive positions This book is excellent for pastors

teachers and laypersons alike It will prove that all conservative versions are without a doubt translations of the plenary verbally inspired Word of God *J. I. Packer and the Evangelical Future* Timothy George, 2009-10 Athletes and actors models and musicians pastors and politicians many have stepped forward looked in the camera and proclaimed I am second But most in the I Am Second movement are not celebrities They are ordinary people and they ve come to the simple realization that when God comes first in their lives everything makes sense But living second is not easy It takes grit and humility submission to God s will a willingness to listen and serve and openness to God s healing and call Live Second is a daily guide to making Jesus first in your life With 365 readings prayers action steps and an online community of support what you hold in your hands is a tool built to help you make truth Scripture and Jesus your number one priority each and every day of the year Following Jesus is not meant to be easy just worth it Live Second is exactly what you need as you become the new inspired God honoring creation he made you to be
