I was not able to put the story down. Arnold Gomez, Friend and Business Owner. In order to escape the disaster of the 1939 Dust Bowl in Oklahoma, author Jerry Mitchell's parents had to make a difficult decision that would affect the family for the rest of their lives. His parents and four older sisters became a part of the massive migration of folks who left to look for a promised land of better things. This exodus marked the beginning of the separation of families and of family connections. In *In the Shadow of Wrath*, Mitchell explores his life and how his parents' early choices impacted him and changed his historical path. This memoir narrates his journey and includes a chronological recap of his experiences from his schooling to his combat service in Vietnam to his readjustment to civilian life and the building of his own family. Mitchell shares how he has risen and fallen just as the ocean's tides but because of the strengths of those who came before him, he has weathered well. **Books are for Talking, Too!** Jane L. So enjoy the possibilities. *Murderers Or Martyrs* George Skelly, 2012. A spell-binding account of an appalling miscarriage of justice. Charged with the Cranborne Road murder of Wavertree widow Alice Rimmer, two Manchester youths were hastily condemned by a Liverpool jury on the police-orchestrated lies of a criminal and two malleable young prostitutes. George Skelly's detailed account of the warped trial, predictable appeal result, courtesy of hanging judge Lord Goddard, and the whitewash secret inquiry will enrage all who believe in justice. And if the men's prison letters, including from the condemned cells, sometimes make you laugh, they will make you weep far longer. Following his masterful expose of injustice in the Cameo Cinema murder case in 1950s Liverpool described in his book *The Cameo*.

Conspiracy George Skelly now reveals a second police conspiracy two years later in the same city involving the same senior detective which this time led to the execution of two young men In 2011 faced with countless proven contradictions and errors plus substantial previously undisclosed evidence the Criminal Cases Review Commission unbelievably side stepped the opportunity to refer this gross injustice to the Court of Appeal So until justice is finally done Teddy Devlin and Alfie Burns still lie together beneath the staff car park at Walton Prison their only trace a tiny plaque numbered 55 A very powerful case of a miscarriage of justice Former Attorney General Lord Goldsmith PC QC As featured in the Liverpool Echo Author George Skelly is also the author of *The Cameo Conspiracy* 3rd edition Waterside Press 2011 about an equally disturbing case where an innocent man was hanged in a famous miscarriage of justice
